

Blox Labs Receives US Trading Symbol

Toronto, Ontario / TheNewswire / January 30, 2018 - Blox Labs Inc. ("BLOX" or the "Company") (CSE: BLOX) (US OTC: BLLXF) (FSE: BR1B) is pleased to announce that it has qualified to trade on the US OTC Pink Marketplace under the trading symbol "BLLXF". Additionally, the Company is in the process of applying for eligibility for book-entry delivery and depository services of the Depository Trust Company (DTC) to facilitate electronic settlement of transfers of its common shares in the United States.

This electronic method of clearing securities speeds up the receipt of stock and cash and thus accelerates the settlement process for investors. The DTC is a subsidiary of the Depository Trust and Clearing Corporation (DTCC) and manages the electronic clearing and settlement of securities of publicly traded companies in the United States. Securities that are eligible to be electronically cleared and settled through the DTC are considered DTC eligible. BLOX shall provide confirmation when and if DTC eligibility has been granted for its common shares.
