New Age Farm Engages Consultants

June 9, 2015 - Vancouver, BC: New Age Farm Inc. (CSE:NF) (OTC:NWGFF) (www.newagefarminc.com) (“New Age Farm” or the “Company”) announces that it has entered into consulting agreements (the “Consulting Agreements”) with certain consultants in exchange for Common shares as payment (the “Shares”). The consultants (the “Consultants”) will provide services related to the Company’s agribusiness plans in Canada, the US, Europe and Asia.

Carman Parente, CEO of New Age Farm commented that, “by issuing the Shares to the Consultants it will allow the Company to avail itself of their expertise and services with minimal cash outlay. It will help us move forward with our goals of strengthening operations and furthering the implementation of our agricultural land banking and value-added agribusiness objectives.”

In fulfillment of the terms of the Consulting Agreements, the Company is issuing 5,500,000 Common shares at a deemed price of \$0.15 per share to the Consultants. The issuance of the Securities is subject to acceptance by the Canadian Securities Exchange. All amounts quoted in this news release are in Canadian funds. All Shares issued in connection with these transactions will be subject to a 4-month and one day hold period.

The Company’s previously announced private placement (see news release dated April 15, 2015) has not yet closed.

About New Age Farm

Through its wholly-owned subsidiary, NHS Industries Ltd. (“NHS”), New Age owns a five and a half acre greenhouse facility in the lower mainland of BC with a 48,000 ft² greenhouse facility, capable of growing 2.4 million 4” potted plants annually. NHS is in the process of formulating innovative proposals for small scale agricultural facilities for exploring multiple avenues for cash flow processes. The facility is located minutes from three major Canada – USA border crossings and direct routes to the lower mainland west and to all points east and west along 16th Ave to Hwy 99 and to Hwy 1 make its location in South Langley an ideal hub. NHS intends to become a beta site for sustainable growing capabilities as well as minimizing all carbon footprints with regard to all its on-site operations. This facility will meet a growing demand in the Metro Vancouver and Fraser Valley areas to help smaller growers become more efficient, more productive, implement value added product lines, and reduce waste.

Through its Washington State subsidiary, New Age Farm owns a second property that is located in Sumas, WA, where it intends to offer fully built out turnkey service operations to licensed I-502 tenant-growers who will lease the facilities for production and processing. With two leases already in place, operations in Washington State are expected to begin in the second half of 2015.
