

## **New Age Farm Issues Securities**

**May 7, 2017 - Vancouver, BC**

New Age Farm Inc. (CSE:Nf) (OTC:NWGFF) (FSE:ONF)  
([www.newagefarminc.com](http://www.newagefarminc.com)) (“New Age Farm” or the “Company”)

announces that it has made arrangements to strengthen its financial and operating position by issuing certain warrants to consultants that will allow the Company to defer payment of certain obligations, and acquire ongoing services (collectively, the “Securities”). The Company has issued an aggregate total of 10,000,000 warrants (the “Warrants”) wherein each whole Warrant entitles the holder to acquire one Common share in the equity of the Company at a price of \$0.10 per Warrant share, which Warrants will expire three years from the date of issuance. It is New Age Farm’s policy to provide compensation to members of its team in cash and securities. Equity awards provide the opportunity for service providers, directors and officers to hold a stake in the Company. It serves to align their interests with those of shareholders as it puts them in the position to experience upside potential and downside risk alongside investors. The issuance of the securities described in this news release are subject to acceptance by the Canadian Securities Exchange. All amounts quoted in this news release are in Canadian funds. Securities issued in connection with these transactions are subject to a 4-month and one day hold period.

### ***About New Age Farm***

#### ***Washington State***

Through its Washington State subsidiary, New Age Farm owns two properties, one located in Sumas, WA, and the other in Oroville, WA where it intends to offer fully built out turnkey service operations to licensed I-502 tenant-growers who will lease the facilities for production and processing. With three leases already in place, operations in Washington State have begun in Oroville and will expand further as the Company completes its build out.

#### ***About the Washington I-502 Marijuana Market***

In November 2012, the Washington State Liquor Control Board (“WSLCB”) passed Initiative 502 (“I-502”) pursuant to a vote by the people of the State of Washington. I-502 authorized the WSLCB to regulate and tax recreational marijuana products for persons over twenty-one years of age and thereby created a new industry for the growing, processing and selling of Washington State-regulated recreational marijuana products. A recent WSLCB commissioned report by the Rand organization suggests that there are currently up to 650,000 recreational marijuana users in Washington State, worth approximately \$1.25 - \$1.5 Billion USD in annual sales.

#### ***British Columbia***

Through its wholly-owned subsidiary, NHS Industries Ltd. (“NHS”), New Age owns a five and a half acre greenhouse facility in the lower mainland of BC with a 48,000 square foot greenhouse facility, capable of growing 2.4 million 4” potted plants annually. NHS is in the process of formulating innovative proposals for small scale agricultural facilities for exploring multiple avenues for cash flow

processes. The facility is located minutes from three major Canada – USA border crossings and direct routes to the lower mainland west and to all points east and west along 16<sup>th</sup> Ave to Hwy 99 and to Hwy 1 make its location in South Langley an ideal hub. NHS intends to become a beta site for sustainable growing capabilities as well as minimizing all carbon footprints with regard to all its on-site operations. This facility will meet a growing demand in the Metro Vancouver and Fraser Valley areas to help smaller growers become more efficient, more productive, implement value added product lines, and reduce waste.
