

WE ARE KURED EXPANDS RETAIL FOOTPRINT TO OVER 100 STORES AND BRINGS MANUFACTURING IN HOUSE

August 22, 2018 – Vancouver, BC

New Age Farm Inc.’s (CSE:NF) (OTC:NWGFF) (FSE:ONF) (www.newagefarminc.com) (“New Age Farm” or the “Company”) is pleased to provide an operational and retail expansion update on its wholly owned subsidiary, We Are Kured.

Retail Expansion

We Are Kured (“KURED”) continues to expand its retail presence in the United States. We Are Kured CBD vaporizer pens can now be found in over 100 unique retail stores across the United States and KURED continues to expand its sale force into new territory.

Operational Update

Kured has signed a new office lease to bring manufacturing operations in-house thereby reducing operation costs by over 50%.

“Our team couldn’t be happier with the success, acceptance and overall positive responses we’ve been getting throughout the retail community”, said New Age Farm’s Chief Executive Officer Joshua Bartch. “We’ve ramped up our marketing and sales force efforts and are rapidly gaining traction. We’ve seen a huge retention and reorder rate among our retail partners. Given that we signed on over 60 unique stores at the recently attended champs trade show, we are optimistic we will out do that at the upcoming big industry trade show. Additionally, moving our manufacturing in house has doubled our gross margins, drastically increasing the Company’s bottom line. We are making strides and I couldn’t be happier with the current state of the Company”.

About New Age Farm

New Age Farm is an agricultural services company offering unique turnkey growing infrastructure and services for licensed growers and processors of luxury marijuana crops at its agri-campuses in Washington State. In November 2012, the Washington State Liquor and Cannabis Board (“WSLCB”) passed Initiative 502 (“I-502”). I-502 authorized the WSLCB to regulate and tax recreational marijuana products for persons over twenty-one years of age and thereby created a new industry for the growing, processing and selling of Washington State-regulated recreational marijuana products. New Age Farm provides innovative solutions for growers and processors in this burgeoning industry.
