About New Age Farm

New Age Farm is an agricultural services company offering unique turnkey growing infrastructure and services for licensed growers and processors of luxury marijuana crops at its agri-campuses in Washington State. In November 2012, the Washington State Liquor and Cannabis Board (“WSLCB”) passed Initiative 502 (“I-502”). I-502 authorized the WSLCB to regulate and tax recreational marijuana products for persons over twenty-one years of age and thereby created a new industry for the growing, processing and selling of Washington State-regulated recreational marijuana products.
