

Mydecine Innovations Group Announces Closing of MindLeap Health Acquisition

DENVER, Colorado, USA, August 21, 2020 -- Mydecine Innovations Group Inc. ([CSE:MYCO](#)) ([OTC:MYCOF](#)) ([FSE:ONFA](#)) ("Mydecine" or the "Company"), is pleased to announce that it has closed its previously announced acquisition of MindLeap Health Inc. ("MindLeap"), a Canadian based technology company developing an advanced digital health platform that will be providing mental health services and digital programs.

Pursuant to the terms of a definitive share exchange agreement (the "Agreement") among the Company, MindLeap, and MindLeap's shareholders, the Company acquired all of the issued and outstanding shares of MindLeap in exchange for the issuance of 6,363,636 common shares of the Company (the "Payment Shares") at a deemed price of \$0.55 for total aggregate consideration of \$3,500,000. As part of the transaction Mydecine will directly invest \$1,000,000 into Mindleap to support software development initiatives and the scaling of the platform upon it's launch in September.

The Agreement further provides that certain MindLeap shareholders (each, a "Restricted Person") receiving an aggregate of 5,047,673 Payment Shares will be subject to a staged 24 month lock up, whereby one-quarter of the Restricted Person's Payment Shares will become free trading 4 months following closing, one-quarter will become free trading 12 months following closing, one-quarter will become free trading 18 months following closing, and the final one-quarter will become free trading 24 months following closing.

In connection with closing, the Company also entered into a definitive bonus share agreement with Mindleap providing for the issuance of up to an additional 9,750,000 common shares to designated officers, employees, and consultants of Mindleap upon the achievement of certain revenue and operational milestones.

About Mindleap Health Inc.

Mindleap is developing an advanced digital health platform that will provide support for people that are looking to achieve personal transformations and overcome mental health challenges. Mindleap is the only digital health platform that combines telehealth with mood, emotion and habit tracking. This is a paradigm shift to conventional mental health as Mindleap personalized support and users have the tools needed to track their progress and take control of their mental health.

About Mydecine Innovations Group Inc.

[Mydecine Innovations Group™](#) is a publicly traded life sciences parent company dedicated to the development and production of adaptive pathway medicine, natural health products and digital health solutions stemming from fungi. Mydecine's experienced cross functional teams have the dynamic capabilities to oversee all areas of medicine development including synthesis, genetic research, import/export, delivery system development, clinical trial execution, through to product commercialization and distribution.
