In due course the Company will change its name to "LeenLife Pharma International Inc." under the Business Corporations Act (British Columbia).

The Company entered into a Share Purchase Agreement dated July 7, 2015 to acquire a 90% interest in LeenLife Pharma S.A. LeenLife was established in 2013.

The purchase price is comprised of 12,232,788 shares of the Company at a deemed issuance price of \$0.1875 per share for an aggregate value of \$2,293,648 and \$563,0444 in cash consideration due by January 31, 2016 to reimburse the vendors for tax resulting from their disposition of their shares of LeenLife Poland. The post-transaction capital of the Company is 31,366,121. LeenLife Poland shareholders will hold, in the aggregate, 39% of the post-transaction capital of the Company. There is no change of control resulting from this transaction. Securities issued in this transaction will be subject to applicable regulatory escrow requirements. A finder's fee not exceeding 3% of the equity portion of the transaction will be paid after completion in connection with this transaction to an arm's length party for sourcing the acquisition.
