

NIRVANA ENTERS SUPPLY AGREEMENT WITH SYMERES

VANCOUVER, BC, March 29, 2022 /CNW/ - Nirvana Life Sciences Inc., ("Nirvana" or the "Company") (CSE: NIRV) is pleased to announce that it has entered a supply agreement with Symeres B.V. for the supply of compounds to support the Company's ongoing research program. Under this agreement Symeres will supply Psilocybin and other materials to be used in trials and ongoing research.

Dr. Sazzad Hossain, Chief Scientific Officer of Nirvana commented, "We are very pleased to be able to work with a firm with the broad capabilities that Symeres offers as we enter the next phase of research and development.," "Symeres is one of Europe's leading Contract Research Organizations (CRO) that has the capacity to produce and supply many of the compounds essential to our research".

About Symeres

Symeres is one of the largest European small molecule CRO & CDMOs, providing R&D services and manufacturing to major pharmaceutical and biotechnology companies around the globe. Its highly specialized services include: integrated small molecule optimization efforts, complex synthetic chemistry, route scouting & drug synthesis up to GMP production, solid state chemistry and ADME-Tox services.

About Nirvana Life Sciences

Nirvana Life Sciences Inc. (CSE:NIRV) is an innovator in the emerging Psychedelics space. Its business model combines the development of novel formulations for drug development with the development of laboratory space to support ongoing development and manufacturing. At Nirvana, we believe that psilocibins derived medicines can play a leading role in reducing the impacts of the opioids crisis and build healthier communities. Forward-Looking Statements

This news release contains certain forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements") within the meaning of Canadian securities laws including, without limitation, statements with respect to the future investments by the Company. All statements other than statements of historical fact are forward-looking statements. Undue reliance should not be placed on forward-looking statements, which are inherently uncertain, are based on estimates and assumptions, and are subject to known and unknown risks and uncertainties (both general and specific) that contribute to the possibility that the future events or circumstances contemplated by the forward-looking statements will not occur. Although the Company believes that the expectations reflected in the forward-looking statements contained in this press release, and the assumptions on which such forward-looking statements are made, are reasonable, there can be no assurance that such expectations will prove to be correct. Readers are

cautioned not to place undue reliance on forward-looking statements included in this document, as there can be no assurance that the plans, intentions or expectations upon which the forward-looking statements are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties that contribute to the possibility that the predictions, forecasts, projections and other forward-looking statements will not occur, which may cause the Company's actual performance and results in future periods to differ materially from any estimates or projections of future performance or results expressed or implied by such forward-looking statements. The forward-looking statements contained in this news release are made as of the date hereof and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, except as required by applicable law. The forward-looking statements contained herein are expressly qualified by this cautionary statement.
