

# Tier One Capital Limited Partnership Announces Continuation of Normal Course Issuer Bid

Toronto, Ontario--(Newsfile Corp. - October 1, 2024) - Tier One Capital Limited Partnership (CSE: TLP.UN) ("Tier One") announced today that it will continue its normal course issuer bid ("NCIB") for a portion of its Limited Partnership Units ("Units") first announced on September 27, 2021.

Pursuant to the NCIB, Tier One may repurchase up to a maximum of 233,424 Units, representing approximately 5% of its public float of Units as at September 30, 2024. Purchases under the NCIB may be made through open market transactions on the Canadian Securities Exchange (CSE) based on the prevailing market price. Any Units purchased under the NCIB will be cancelled. As at September 30, 2024, there were 4,668,481 Units issued and outstanding.

Transactions under the NCIB will depend on future market conditions and be subject to specific restrictions. The value, in Canadian dollars, of the consideration offered per Unit will not exceed 90% of the last reported Limited Partners' Interest per Unit on the date of the acquisition. Purchases under the NCIB will not exceed 500 Units per day. On a monthly basis, not more than 0.75% of the outstanding Units and on a quarterly basis, not more than 1.25% of outstanding Units, may be purchased. Purchases under the NCIB will be subject to applicable CSE and other regulatory requirements. The NCIB will end on October 3, 2025 or such earlier date on which the maximum number of Units are purchased under the NCIB or the NCIB is terminated at Tier One's election.

The NCIB provides Tier One with a capital allocation alternative with a view to long-term shareholder value. Tier One's Board of Directors and Management believe that, from time to time, the market price of the Units does not reflect their underlying value and purchases of Units for cancellation under the NCIB may provide an opportunity to enhance unitholder value.
