

Upco International Inc. Announces Release of New Website [www.upcopay.it](http://www.upcopay.it)

Vancouver, BC, June 13, 2019, Upco International Inc. (CSE: UPCO) (OTCQB: UCCPF) (Frankfurt: U06) ("Upco") is pleased to announce the launch of its new website [www.upcopay.it](http://www.upcopay.it). The website has all the features available in the next version of the Upco Mobile Messenger that will be renamed UpcoPay. The UpcoPay application will support a set of enrichment features for Telecommunications and Banking. This is a significant step towards having the eWallet fully functional. Upco is currently developing the customer onboarding process, following the Know Your Client KYC directive to enable the eWallet functionality in the UpcoPay mobile app.

The website will show the new Brand of the app and Upco is in the process of rebranding the app in Google play Store and Apple Store.

The new section will also showcase UpcoPoint. Upcopoint is a Point of Sale (POS) payments system that will enable businesses to conduct sales and manage inventory and customer data more efficiently. New additional extraordinary features will be announced with the release of new update of UpcoPay.

According to Statista, in 2018, global transaction volume in the mobile Point of Sale payments space was expected to reach US\$391 billion and projected to increase to over US\$1.3 trillion by 2022.
