About Upco International Inc.

Upco International Inc. (CSE: UPCO) is a Vancouver and New York City based telecom and digital services company founded in 2014 that provides price competitive, high-quality and privacy-protected telecom and communication payment social platform in niche markets globally.

The Company operates primarily in the telecommunication industry as a global telecom carrier within the international VoIP (voice over IP) wholesale business with a current focus on wholesale international long-distance traffic termination (the Wholesale Telecom business unit or B2B vertical of the business).

Complementary to the goals in its B2B segment, the Company targets to provide subscribers of partner global and local telecom companies reasonable pricing on high-quality on-network international calls, while still offering its users free texting, international airtime top-up capabilities (the ability to add talk-time/data to a user's pre-paid mobile phone plan), and other social media features present in most over-

the-top applications around the world.
