Los Angeles Based Downtown Meds to Use and Resell Citizen Green Technology

Vancouver, British Columbia, Canada, February 19, 2019 – **Global Cannabis Applications Corp.** ("**GCAC**" or the "**Company**") (**CSE: APP, FSE: 2FA, OTCQB: FUAPF**), a leading developer of innovative data technologies for the medical cannabis industry, is pleased to announce the marketing and sales campaign targeting medical cannabis dispensaries in cannabis-friendly jurisdictions across North America is gaining momentum with Los Angeles based Downtown Meds signing a binding letter of intent to use the smart technology driven Citizen Green Community in their three (3) retail locations and to become a licensed reseller of the GCAC solution.

"I am very pleased to welcome Downtown Meds to the Citizen Green Community not only as a user of the technology but as the first licensed reseller of our technology in the state of California," said Q Ladraa, Brand Ambassador of GCAC. "The Citizen Green solution can optimize a cannabis retailer's business operations, transform the relationships between retailers and their customers and drive incremental revenue. We can think of no higher endorsement than to have a such an esteemed customer as Downtown Meds want to advocate Citizen Green technology to other retailers in California."

Downtown Meds currently operates three dispensaries located in the Los Angeles, California and will use Citizen Green Community to grow its medical cannabis businesses using data insights created through smart technologies. Each dispensary will pay an ongoing monthly fee to access the three core applications:

- Prescriptii Patient-Care Solution – a mobile and desktop application,
- Onward Rewards – a one-of-a-kind loyalty reward program, and
- The Citizen Green Marketplace – an exclusive marketplace for trading data and insights.

In addition, Downtown Meds will become a licensed reseller agent of the Citizen Green Community applications to other dispensaries in California. Both parties have agreed to finalize both the reseller and end user agreements no later than March 15, 2019.
The Citizen Green Community was designed for medical cannabis retailers to build loyalty with patients while growing their underlying retail business. Retail dispensary owners and employees are encouraged to visit the **citizengreen.io** website to learn more about the Citizen Green Community including the detailed descriptions about the powerful online tools, analysis of the potential monetary benefits, examples of data insight reports and actual demonstrations of the applications in action.
