Global Compliance Applications Corp. Announces Financing and Debt Settlement

Vancouver, British Columbia, Canada, December 4, 2023 – Global Compliance Applications Corp. (“GCAC” or the “Company”) (CSE: APP, FSE: 2FA, OTCQB: FUAPF) is pleased to announce a non-brokered private placement of up to 10,722,500 units of the Company (the “Units”) at a price of \$0.03 per Unit for aggregate gross proceeds of up to \$321,675 (the “Offering”). Each Unit will be comprised of one common share in the capital of the Company (a “Share”) and one half of one Share purchase warrant (each whole warrant, a “Warrant”). Each Warrant will entitle the holder thereof to acquire one Share (a “Warrant Share”) at a price of \$0.065 per Warrant Share for a period of 24 months from the closing date of the Offering.

The Offering may close on one or more dates as the Company may determine. The Company may pay a finder’s fee in connection with the Offering to eligible arm’s length finders in accordance with the policies of the CSE. The Company intends to use the proceeds raised from the Offering for product sales, technology improvements, and general operations.

The Company also intends to settle an aggregate of \$178,325 of debt (the “Debt”) owed to four creditors of the Company (the “Creditors”). In settlement of the Debt, the Company will issue an aggregate of 5,944,166 Shares (the “Settlement Shares”) at a deemed price of \$0.03 per Settlement Share (the “Debt Settlement”).

All securities issued in connection with the Offering and the Debt Settlement will be subject to a statutory hold period of four months and one day following the date of issuance in accordance with applicable Canadian securities laws.

The securities issued pursuant to the Offering and the Debt Settlement have not, nor will they be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons in the absence of U.S. registration or an applicable exemption from the U.S. registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in the United States or in any other jurisdiction in which such offer, solicitation or sale would be unlawful.

About GCAC

GCAC is a global leader in designing and developing innovative blockchain technologies and machine learning solutions to improve real-world businesses. GCAC’s leading solution is Efixii, an Ethereum Layer 2 blockchain and EVM programming functionality that is on par with other Layer-2’s, such as Polygon. GCAC can quickly connect each participant from product producers, distributors, manufacturers and retailers through a series of value chain dApps that allows for data

connectivity to drive better consumer experiences and sales. GCAC created clearESG to assist businesses in communicating their sustainability goals and earned attributes on the blockchain through a series of ESG (Environmental, Social & Governance) merit badges. As an interconnected supply chain solution, the Efixii solution pays tokens for attesting to a product's value, or truthness, through a reward program. GCAC works in many agricultural industries providing a value-added blockchain offering through a cost-effective SaaS licensing model.

Forward-Looking Information

This news release includes certain statements that may be deemed "forward-looking statements". All statements in this new release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Forward-looking statements in this news release include, without limitation, statements related to the completion of the Offering and the anticipated use of proceeds therefrom. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither the Canadian Securities Exchange nor its Regulation Services Provider accepts responsibility for the adequacy or accuracy of this news release.
