MANAGEMENT INFORMATION CIRCULAR

(containing information as at October 2, 2017 unless otherwise stated)

**For the Annual General and Special Meeting
to be held on Wednesday, November 15, 2017**

SOLICITATION OF PROXIES

This Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by management (the “Management”) of Montego Resources Inc. (the “Company”), for use at the annual general and special meeting (the “Meeting”) of the shareholders (“Shareholders”) of the Company to be held on Wednesday, November 15, 2017, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “Proxy”) is solicited by Management. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another suitable form of proxy.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “Proxyholders”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing

executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand with the Company's registrar and transfer agent, TSX Trust Company ("**TSX Trust**") by hand or mail at 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 4H1, or by fax at 416-595-9593 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with TSX Trust, by hand or mail at 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 4H1, or by fax at 416-595-9593, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (the "**Beneficial Shareholders**") should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering

these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form ("**VIF**") from the Company's transfer agent, TSX Trust. These VIFs are to be completed and returned to TSX Trust in the envelope provided or by facsimile. In addition, TSX Trust provides internet voting as described on the VIF itself which contains complete instructions. TSX Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be**

returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors (“**Directors**”) or officers (“**Officers**”) of the Company, at any time since the beginning of the Company’s last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of Directors or the appointment of auditors.

RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

A Shareholder of record at the close of business on October 2, 2017 (the “**Record Date**”) who either personally attends the Meeting or who has completed and delivered a proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such shareholder’s shares voted at the Meeting, or any adjournment thereof.

The Company’s authorized capital consists of an unlimited number of common shares (the “**Common Shares**”) without par value and an unlimited number of preferred shares (“**Preferred Shares**”), without par value. Stock Options and Other Compensation Securities and Instruments

No incentive stock options or compensation securities were granted or exercised by the NEO's or Directors of the Company during the financial years ended June 30, 2015 and 2016. Subsequent to the year ended June 30, 2016, 200,000 incentive stock options were forfeited.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the "**Option Plan**") pursuant to which the Board of Directors (the "**Board**") may grant options (the "**Options**") to purchase Common Shares of the Company to NEOs, Directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, Directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company's growth. Under the Option Plan, the maximum number of Common Shares reserved for issuance, including Options currently outstanding, is equal to ten (10%) percent of the Shares outstanding from time to time (the "**10% Maximum**"). The 10% Maximum is an "evergreen" provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Common Shares which may be the subject of Options on a yearly basis to any one person cannot exceed five (5%) percent of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, Officer, Director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The Directors of the Company may, by resolution, determine the time period during which any option may be exercised (the "**Exercise Period**"), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee's employment, office or position as Director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee's position as a Director or NEO, if terminated for any reason other than the optionee's disability or death; (d) thirty (30) days following the date of termination of an optionee's position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee's disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, Director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

There are presently no Options outstanding under the Option Plan.

The Minni Agreement provided for an initial base salary of \$1,800 per calendar month and provides that the Company may terminate the Agreement (a) for cause or (b) without cause for no additional consideration.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of Directors of the Company is reviewed annually and determined by the Board. The level of compensation for Directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board’s view, there is, and has been, no need for the Company to design or implement a formal compensation program for Directors. While the Board considers Option grants to Directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long term incentive plans, share compensation plans or any other such benefit programs for Directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board’s view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company’s growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long term incentive

plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Due to the relatively small size of the Company, limited cash resources, and the early stage and scope of the Company's operations, the NEOs do not currently receive annual salaries. The Board will review the Company's financial performance on an annual basis to determine whether salaries can be paid to the NEOs at a later date.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

Consolidation

The Consolidation Resolution

At the Meeting, Shareholders will be asked to consider and pass the following Special Resolution (the “**Consolidation Resolution**”) to approve the consolidation of the Common Shares on the basis of two (2) pre-consolidation Common Shares being consolidated into one (1) post-consolidation Common Share (the “**Share Consolidation**”).

BE IT RESOLVED THAT:

1. the Company be and is hereby authorized to consolidate all of its issued Common Shares without par value on the basis of two (2) Common Shares without par value being consolidated into one (1) Common Share without par value;
2. if, as a result of the consolidation, a holder of Common Shares would otherwise be entitled to a fraction of a Common Share, any fraction, if it is less than one-half of a share, shall be cancelled, and if it is at least one-half of a share, shall be rounded up to one whole share;
3. any director or officer of the Company be and is hereby authorized and directed on behalf of the Company to prepare, sign and deliver all documents and to do all things necessary and advisable to give effect to these resolutions;
4. notwithstanding the Shareholders' approval by this resolution of the proposal to consolidate the issued share capital of the Company, the directors of the Company be and they are hereby authorized without further approval of the Shareholders to modify, vary or amend such terms and conditions in respect of the consolidation as may be required by the regulatory authorities having jurisdiction or as the board of directors may in its sole discretion deem in the best interests of the Company; and
5. notwithstanding the Shareholders' approval by this resolution of the proposal to consolidate the issued share capital of the Company, the directors of the Company be and they are hereby authorized without further approval of the Shareholders to revoke the resolution consolidating the issued share capital of the Company before it is acted upon.

No fractional Common Shares of the Company will be issued if, as a result of the Share Consolidation, a registered Shareholder would otherwise be entitled to a fractional share. Instead, any fractional Common Shares resulting from the Share Consolidation will be rounded down to the nearest whole share if the

fraction is less than one-half of a share and will be rounded up to the nearest whole share if the fraction is at least one-half of a share.

Recommendation

Management recommends that Shareholders approve the Consolidation Resolution. If the Consolidation Resolution is approved by Shareholders, the Directors will have the authority, in their sole discretion, to implement or revoke the Consolidation Resolution and otherwise implement or abandon the Share Consolidation.

In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR the Consolidation Resolution.

Certain Risks Associated with the Share Consolidation

There can be no assurance that the total market capitalization of the Company (the aggregate value of all Common Shares at the market price then in effect) immediately after the Share Consolidation will be equal to or greater than the total market capitalization immediately before the Share Consolidation. In addition, there can be no assurance that the per-share market price of the Common Shares following the Share Consolidation will equal or exceed the direct arithmetical result of the Share Consolidation. The Share Consolidation may result in some shareholders owning "odd lots" of less than 1000 common shares on a post-Share Consolidation basis which may be more difficult to sell, or require greater transaction costs per share to sell.

OTHER MATTERS

As of the date of this Circular, management knows of no other matters to be acted upon at the Meeting. Should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the proxy.

A majority of the members of the Committee shall constitute a quorum, provided that if the number of members of the Committee is an even number, one-half of the number of members plus one shall constitute a quorum, and provided that a majority of the members must be "independent" or "unrelated".
- (d) The Committee will meet as many times as is necessary to carry out its responsibilities. Any member of the Committee or the external auditor may call meetings.

The Committee shall produce the following reports and provide them to the Board:

- (a) An annual performance evaluation of the Committee, which evaluation must compare the performance of the Committee with the requirements of this Charter. The performance evaluation should also recommend to the Board any improvements to this Charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the Chair or any other member of the Committee designated by the Committee to make this report.
- (b) A summary of the actions taken at each Committee meeting, which shall be presented to the Board at the next Board meeting.

Item 2: Composition of the Audit Committee

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. The Board has not adopted a formal code of ethics. In the Board's view, the fiduciary duties placed on individual directors by corporate legislation and the common law, and the restrictions placed by corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.
