

## **Carl Data Solutions changes corporate name to infinittii ai and CSE stock ticker symbol to iai**

**VANCOUVER, BC, OCT. 4, 2022** — Today Carl Data Solutions Inc. announced it has rebranded and changed its company name to infinittii ai inc. (“infinittii ai” or the “Company”) (CSE:CRL, FSE:7C5, OTC:CDTAF). The new brand is supporting a multi-product predictive analytics software portfolio focused on Machine Learning (ML) capabilities. On Oct. 7, infinittii ai’s new stock ticker symbol on the CSE will change from CRL to iai.

“The infinittii ai name embodies an extensive product portfolio for Machine Learning and signals an exciting business transformation,” said Jean Charles Phaneuf, CEO of infinittii ai. “Our infinittii ai corporate brand reflects a new era of growth for the Company as we market innovative AI-driven software that empowers our customers and partners to make their data smarter.”

infinittii ai provides environmental monitoring to many of the largest water infrastructure utilities in the U.S. and Canada, and has evolved into a leader in AI-driven predictive analytics for Smart City and Smart Industry infrastructure operations that rely on time-series data. The Company serves customers via a trusted partner network that includes engineering and IT services companies like AECOM, Core & Main, Kerr Wood Leidal, K2 Geospatial and CSL Services.

infinittii ai software performs real-time analysis, checks flow monitoring status, sets alarms through a single interface, accepts all types of data from any source and offers predictive (what will happen) and prescriptive (what should happen) Machine Learning analytics. Whether it’s real-time, historic, wireless, satellite, SCADA or public data sets including USGS, NOAA and weather forecasts – it doesn’t matter where the data originates, infinittii ai transforms raw data into actionable information.
