APPOINTMENT AND REVOCATION OF PROXY

Registered Shareholders

If you are a Registered Shareholder and wish to have your shares voted at the Meeting, the Company encourages you to submit your vote by proxy. Registered Shareholders may also vote at the Meeting by contacting the Company as set out below. Registered Shareholders may vote by proxy by mail, by telephone or via the Internet by following instructions provided in the form of proxy, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting.

The persons named in the enclosed proxy (the “**Designated Persons**”) are directors and officers of the Company and are proxyholders nominated by management. **A Shareholder has the right to appoint a person other than the Designated Persons named in the enclosed instrument of proxy to represent the Shareholder at the Meeting. To exercise this right, a Shareholder must insert the name of its nominee in the blank space provided. A person appointed as a proxyholder need not be a Shareholder of the Company.**

Proxyholders other than the Designated Persons will be required to identify themselves by notice in writing to the Company by 5:00 p.m. (Vancouver time) on Tuesday, November 19, 2024 so that the Company can confirm their identity prior to the Meeting and facilitate their voting of the Proxies that they hold at the Meeting. - (b) signing and dating a written notice of revocation and delivering it to the Company at the address set forth above at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (c) in any other manner provided by law.

Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders, as many Shareholders do not hold their Shares in their own name. Shareholders holding their Shares through banks, trust companies, securities dealers or brokers, trustees or administrators of RRSPs, RRIFs, RESPs and similar plans or other persons (any one of which is herein referred to as an “**Intermediary**”) or otherwise not in their own name (such Shareholders herein referred to as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders appearing on the records maintained by the Company’s transfer agent as Registered Shareholders will be recognized and allowed to vote at the Meeting. If a Shareholder’s Shares are listed in an account statement provided to the Shareholder by a broker, in all likelihood those Shares are **not** registered in the Shareholder’s name and that Shareholder is a Beneficial Shareholder. Such Shares are most likely registered in the name of the Shareholder’s broker or an agent of that broker. In Canada the vast majority of such Shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms. Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the Meeting at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory policies require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or “**NOBOs**”) or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or “**OBOs**”).

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a "VIF"), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the "**Meeting Materials**") indirectly through Intermediaries to the NOBOs and OBOs. The management of the Company does not intend to pay for Intermediaries to forward the Meeting Materials to OBOs. OBOs will not receive the Meeting Materials unless their Intermediaries assume the cost of delivery.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other Registered Shareholder) how to vote the Beneficial Shareholder's Shares on the Beneficial Shareholder's behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote Shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted. If you have any questions respecting the voting of Shares held through an Intermediary, please contact that Intermediary for assistance.

The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Shares which they beneficially own. **A Beneficial Shareholder receiving a VIF cannot use that form to vote Shares directly at the Meeting - Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting as a proxyholder provide that they register in advance with the Company as described in the "Registered Shareholders" section above.

All references to Shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to Registered Shareholders unless specifically stated otherwise.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder. If the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

If any amendments or variations to such matters, or any other matters, are properly brought before the Meeting, the proxyholder, if a nominee of management, will exercise its discretion and vote on such matters in accordance with its best judgment.

At the time of printing this Information Circular, management of the Company is not aware that any amendments or variations to existing matters or new matters are to be presented for action at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board. In addition, subject to the limitations provided in the Plan and in accordance with applicable law, the Board may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, and waive any condition imposed with respect to awards or Shares issued pursuant to awards.

Oversight and Description of Director and NEO Compensation

The Board has a compensation committee (the “**Compensation Committee**”) consisting of Jean Charles Phaneuf and Rick Sanderson to undertake all tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors and making recommendations to the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the compensation committee and the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions relating to their respective compensation.

The overall objective of the Company’s compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre, and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has a short-term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of stock options under the Plan. The Company intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an expansion of awards of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium-term compensation component.

The objectives of the Company’s compensation policies and procedures are to align the interests of the Company’s employees with the interests of the Shareholders. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance. The Company relies on Board discussion without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension Plan Benefits

The Company does not have any pension plans that provide for payments or benefits to the NEOs or directors at, following, or in connection with retirement, including any defined benefits plan or any defined contribution plan. The Company does not have a deferred compensation plan with respect to any NEO or director.

As of June 30, 2024, there were 129,701,783 Shares outstanding and the Company could issue up to 25,940,356 options or share units to acquire Shares on such date.

CORPORATE GOVERNANCE

Board of Directors

The Board presently has four directors, two of whom are independent. The definition of independence used by the Company is that used by the Canadian Securities Administrators, which is set out in Section 1.4 of National Instrument 52-110 *Audit Committees* ("NI 52-110"). A director is independent if he has no direct or indirect material relationship to the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Certain types of relationships are by their nature considered to be material relationships and are specified in Section 1.4 of NI 52-110.

Rick Sanderson and Kevin Ma are considered to be independent directors. Jean Charles Phaneuf is not considered to be independent as he is the CEO of the Company. Chris Johnston is not considered to be independent as he is the brother of Greg Johnston, President of the Company.

The Board believes that the principal objective of the Company is to generate economic returns with the goal of maximizing Shareholder value, and that this is to be accomplished by the Board through its stewardship of the Company. In fulfilling its stewardship function, the Board's responsibilities include strategic planning, appointing and overseeing management, succession planning, risk identification and overseeing financial and corporate issues. Directors are involved in the supervision of management.

The Company has not developed written position descriptions for the CEO and the CFO. Pursuant to the *Business Corporations Act* (British Columbia), directors must declare any interest in a material contract or transaction or a proposed material contract or transaction. Further, the independent members of the Board meet independently of management members when warranted. During the most recently completed financial year, the Board met 5 times and all members of the Board were in attendance at each meeting except for one meeting and the independent directors did not meet without the non-independent members of the Board in attendance.

Other Directorships

The directors of the Company are also directors of the following other reporting issuers:

Current Director / Nominee	Other Directorships of other Reporting Issuers
Jean Charles Phaneuf	None
Chris Johnston	None
Rick Sanderson	None
Kevin Ma	Green Block Mining Corp., Kalo Gold Corp., Kenadyr Metals Corp., Dominus Acquisitions Corp. and Rockshield Acquisitions Corp.

Orientation and Continuing Education

New directors of the Company are provided with a package of pertinent information about the Company which includes written information about the duties and obligations of directors, the business and operations of the Company and documents from recent board meetings. Specific details of the orientation of each new director are tailored to that director's individual needs and areas of interest.

The Company also provides continuing education to directors by way of management presentations to ensure that their knowledge and understanding of the Company's business remains current. The Company's financial and legal advisers are also available to the Company's directors.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Company does not have a formal process or committee for proposing new nominees for election to the Board. The nominees proposed are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members.

Compensation

The Compensation Committee conducts reviews with regard to the compensation of the directors and the CEO once a year. The Compensation Committee makes its recommendations to the Board, which has the authority on such compensation by considering the nature of the services provided by the respective directors and the CEO. The Compensation Committee currently consists of Jean Charles Phaneuf and Rick Sanderson. Rick Sanderson is considered independent.

Other Board Committees

The Board has also established a Compensation Committee and a disclosure committee. The Compensation Committee oversaw a review of employee salaries along with equity incentives for employees, directors and consultants to the company. The final recommendations of the Compensation Committee were implemented in the 12-month period ended June 30, 2024. The disclosure committee has not taken any actions as of the date of this Information Circular.

Assessments

The Board monitors the adequacy of information given to directors, communications between the Board and management, and the strategic direction and processes of the Board and its committees.
