CERTIFICATE of AUTHOR

I, Andrea Diakow, P.Geo, do hereby certify that:

1. I am a geological consultant with an office at 615-800 West Pender Street, Vancouver, British Columbia, Canada V6C 2V6.
2. I am a graduate of the University of Calgary (2006) with a B.Sc. degree in Geology.
3. I am a member in good standing of the Association of Professional Engineers and Geoscientists of the Province of British Columbia.
4. I have worked in Mineral Exploration industry over the past 8 years as a consulting geologist.
5. I have read the definition of “qualified person” set out in National Instrument 43-101 (“NI-43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a “qualified person” for the purposes of NI 43-101.
6. I am primarily responsible for the content and preparation of this technical report titled **Technical Report on the Blue Hawk Property, Vernon Mining Division, Okanogan District, BC** and dated (the “Technical Report”) relating to the Newman Todd Project.
7. As of the date of this certificate, to the best of my knowledge, information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
8. I do not hold securities of the reporting issuer (Juan de Fuca Resources.)
9. I have read National Instrument 43-101 and Form 43-101F1, and my portions of the Technical Report have been prepared in compliance with that instrument and form.

Signature of Qualified Person

“Andrea Diakow”
