Bernice Mellor-Laing  
Financial and Insider Reporting

**JDF Explorations Inc.** here-by notes that it is re-filing its Q1 MDA due to an error in the original filing

The MD&A was revised to replace the last line in the table in Section 6 FINANCIAL RESULTS. The table was intended to show the “Results for each of the last eight quarters” but the last line was corrupted in the original submission and did not tie into the financial statements or related information in the MD&A itself.

Should you have any questions or concerns please contact Derick Sinclair at 604-924-8000.
