

CERTIFICATE OF QUALIFIED PERSON

I, Dian Heinrich Page do hereby certify that:

1. I am a resident at Elbring 10, 22880, Wedel, Germany.
2. I graduated from the Stellenbosch University, RSA (2012) BSc (Hons) Geology and Environmental Geochemistry and subsequently achieved MEng Geotechnical Engineering (2018) also from Stellenbosch University, RSA.
3. I am a Member of the Geological Society of South Africa (968121) and a Registered Professional Natural Scientist, South African Council for Natural Scientific Professions (008281).
4. I have worked or carried out research as a Geologist for a total of 10 years since 2013. My experience covers exploration for gold, iron ore and base metals through to estimation, reporting and classification of Mineral Resources at Scoping, pre and full feasibility level and includes time spent on producing operations. I have the requisite experience and time spent on the style of mineralisation and the deposit type described in the Misisi Gold Project and Akyanga Mineral Resource Estimate technical report.
5. I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a "qualified person" for the purposes of NI 43-101.
6. I am co author and responsible for input to Sections 1, 4, 5, 7 and 12 of the technical report entitled "INDEPENDENT TECHNICAL REPORT, MISISI GOLD PROJECT AND AKYANGA MINERAL RESOURCE ESTIMATE", effective date 30 June 2023 (the "Technical Report") relating to the Misisi property.
7. I have personally visited the property during June 2023.
8. I have not had prior involvement with the property that is the subject of the Technical Report.
9. As of the effective date, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
10. I am independent of the Misisi Gold Project and Avanti Gold Corp. applying all of the tests in National Instrument 43-101.
11. I have read National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form.
12. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

Dated this 30 June 2023.
