### **PUSHFOR ANNOUNCES LATE FILING OF ANNUAL FINANCIAL DISCLOSURE**

Delta, B.C. – January 29, 2019 – Pushfor Investments Inc. ("Pushfor" or the "Company") (CSE: PUSH) today announces that the filing of its audited annual financial statements, management's discussion and analysis and related CEO and CFO certifications for the financial year ended September 30, 2018 (the "Required Filings"), will be delayed beyond the filing deadline of January 28, 2019. The delay in the completion of the Required Filings is as a result of a question that arose late in the audit process related to the Company's holdings in an investee company and the requirement for equity roll down accounting treatment which will require further investigation.

The Corporation has made an application to the British Columbia Securities Commission (the "BCSC") for a management cease trade order (the "MCTO"), which would restrict all trading in securities of the Corporation, whether direct or indirect, by management of the Corporation. The MCTO would not affect the ability of shareholders who are not insiders of the Corporation to trade their securities. There is no certainty that the MCTO will be granted. If the MCTO is not issued by the BCSC, the applicable Canadian securities regulatory authorities could issue a general cease trade order against the Corporation for failure to file the Required Filings within the prescribed time period.

The Corporation is working expeditiously with its auditor, Dale Matheson Carr-Hilton LaBonte LLP, chartered professional accountants to complete the audit as soon as possible. Pushfor plans to remedy the default and file the Required Filings as soon as it is able to do so and expects such filing to occur prior to February 28, 2019. The Company also intends to satisfy the provisions of the alternate information guidelines of section 10 of National Policy 12-203 – *Management Cease Trade Orders* as long as it is in default of the filing requirements.

The Corporation confirms that there are no insolvency proceedings against it as of the date of this press release. The Corporation also confirms that there is no other material information concerning the affairs of the Corporation that has not been generally disclosed as of the date of this press release.

Pushfor Investments Inc. is a diversified multi-industry investment company. Its common shares are listed for public trading on the Canadian Securities Exchange and in Germany on the open market.

Currently, the Company has investments in both public and private companies in the technology, opportunistic natural resource, and various other sectors. The Pushfor team has the acumen and resources at its disposal to source, assess, negotiate, and invest in numerous diverse opportunities, bringing to bear an international network for accelerating business growth and increasing shareholder value. At this time, the Company has also identified certain key distressed real estate assets in a number of countries, notably in Spain, which will be evaluated further for investment purposes by the Company.
