INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of August 19, 2019.

This Information Circular is being mailed by the management of the Company to registered shareholders of the Company on August 19, 2019, which is the date that is the record date, used to determine the shareholders who are entitled to receive notice of the Meeting.

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of management for use at the annual general meeting of the shareholders of the Company that is to be held on Friday, September 27, 2019, at 10:30 a.m. (Daylight Savings time) at 4770-72nd Street, Delta, B.C.

The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

Under Pushfor's Articles, the quorum for a Meeting is at least one shareholder, either present or represented by proxy. If such a quorum is not present in person or by proxy, the Meeting will be rescheduled.

PART 1 – VOTING

HOW A VOTE IS PASSED

All matters that will come to a vote at the Meeting, as described in the attached Notice of Meeting, are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favor, then the resolution is approved (an “ordinary resolution”) unless the motion requires a special resolution in which case 2/3 of the votes cast will be required (a “special resolution”).

WHO CAN VOTE?

If you are a registered shareholder of Pushfor as at August 19, 2019, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a Company, a duly authorized officer of the Company may attend on its behalf, but documentation indicating the officer's authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxy holder to vote in accordance with your instructions (see “*VOTING BY PROXY*” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “*BENEFICIAL SHAREHOLDERS*”, below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, the Company invites you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by voting over the internet or via the telephone (*see proxy for instructions*) or by appointing someone who will be there to act as your proxy holder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by

completing a form of proxy.

WHAT IS A PROXY?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. A form of proxy is enclosed with this Information Circular. You should use it to appoint a proxy holder, although you can also use any other legal form of proxy.

In order to be valid, you must return the completed form of proxy to Pushfor's transfer agent, Odyssey Trust by mail to Proxy Department, 323⁴⁰⁹ Granville Street, Vancouver, BC V6C 1T2 not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof, or you may vote online in accordance with the instructions on the Proxy form.

APPOINTING A PROXYHOLDER

You can choose any individual to be your proxy holder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxy holder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy will be deemed to be appointed to act as your proxy holder. Such persons are directors, officers or other representatives of Pushfor (the "**Management Proxy holders**").

INSTRUCTING YOUR PROXY

You may indicate on your form of proxy how you wish your proxy holder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxy holder must vote your shares according to your instructions.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxy holder can vote your shares as he or she thinks fit.

At the time of printing this Information Circular, the management of Pushfor is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

If you have appointed the Management Proxy holders as your proxy holder, they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

FOR the election of the proposed nominees as directors;

FOR the appointment of Davidson & Company, LLP, Chartered Accountants, as the auditor of Pushfor;

FOR the resolution to authorize the directors to fix the remuneration to be paid to the auditor;

FOR other business.

REVOKING YOUR PROXY IF YOU CHANGE YOUR MIND

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by

- (a) attending the Meeting and voting in person;
- (b) signing a proxy bearing a later date;
- (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and

delivering this signed written statement to Pushfor at 4770-72nd Street, Delta, B.C., V4K 3N3; or

(d) any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must, at least 7 days before the Meeting, arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent Odyssey Trust Company, 323-409 Granville Street, Vancouver, B.C., V6C 1T2, not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) of the Meeting., or by voting online as set out in the form.

BENEFICIAL SHAREHOLDERS

The following information is of importance to shareholders who do not hold common shares in their own name.

Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common shares) or as set out in the following disclosure.

If Common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common shares will not be registered in the shareholder's name on the records of the Company. Such Common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an “intermediary”). In the United States, the vast majority of such Common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “OBOs” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “NOBOs” for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 “Communication with Beneficial Owners of Securities of a Reporting Issuer” that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (“VIF”). These VIFs are to be completed and returned to Odyssey (“Odyssey”) in the envelope provided or voted online as described on the VIF itself which contains complete instructions. Odyssey will tabulate the results of the VIFs received from NOBOs and provide those results to the Meeting chair.

These security holder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common shares to be represented at the Meeting and the appointment of any shareholder’s representative.

If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common shares voted or to have an alternate representative duly appointed to attend and to vote your Common shares at the Meeting.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

OUTSTANDING PUSHFOR SHARES

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares. Each shareholder is entitled to one vote per share registered in his or her name. According to the records of the Company’s Transfer Agent as of August 19, 2019 there were 111,129,693 common shares issued and outstanding.

PRINCIPAL HOLDERS OF PUSHFOR SHARES

Only those common shareholders of record on August 19, 2019 will be entitled to vote at the Meeting or any adjournment thereof. To the knowledge of the directors and executive officers of the Company, there is no shareholder that beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company which have the right to vote in all circumstances.

PART 3 - THE BUSINESS OF THE MEETING

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company’s directors, the only matters to be dealt with at the Meeting are those matters set forth in the accompanying Notice of Meeting relating to:

Shareholders can request a copy of our future financial statements and MD&A by completing our supplemental request card which accompanies the Notice of Meeting and this Information Circular. These financial statements and MD&A are also available for review on SEDAR.

ELECTION OF DIRECTORS

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time. Under Pushfor’s Articles and pursuant to the applicable legislation, the number of directors cannot be fewer than three (3). Currently there are four (4) directors. Management proposes to nominate the persons named under the heading “Nominees for Election” below for election as directors of the Company. This requires the approval of the shareholders of the Company by an ordinary resolution, which approval will be sought at the Meeting.

NOMINEES FOR ELECTION

The following information relating to the nominees for directors is based partly on the Company’s records and partly on information received by the Company from the nominees, it states the name of each person proposed to be nominated by management for election or re-election as a director, all offices of the Company now held by him, his principal occupation, the period of time for which he has been a director of the Company and the number of common shares of the Company beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof.

While management does not contemplate that the nominees will be unable to serve as directors, if prior to the Meeting a vacancy occurs in this slate of nominees for any reason, the management representative(s) designated in the Proxy solicited in respect of the Meeting shall have the discretionary authority to vote for the election of any other person as director. Proxies received by the directors on which no designation is made will be voted for the nominees for election as directors or any substitute nominee thereof as may be determined by management, if necessary.

- (a) was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days other than the following:

On January 30, 2019, management of the Company initiated and implemented a management cease trade order prohibiting trading by insiders of the Company ("MCTO"), recognizing that the audited annual financial disclosure for the year ending September 30, 2018 ("Disclosure")

would not be completed and filed by the deadline. The MCTO was lifted once the Disclosure was made on April 4, 2019.

- (b) was subject to an event that resulted, after the director or executive officer ceased to be director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period or more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

PERSONAL BANKRUPTCY

As of the date of this Information Circular, no proposed nominee for election as a director of the Company has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

CONFLICTS OF INTEREST

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a Conflict of interest arises at a meeting of the board of directors, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, that directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the best of the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management may from time to time serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of those other companies.

PART 4 – DIRECTOR AND EXECUTIVE OFFICER COMPENSATION

As defined under applicable securities legislation, the Company had two "Named Executive Officers" during the financial year ended September 30, 2018 as set out below:

Aram Ayrapetian - Chief Executive Officer
Carlo Bonacci – Chief Financial Officer

COMPENSATION DISCUSSION AND ANALYSIS

Given the Company's current size and stage of development, the Board of Directors has not established a formal compensation committee. It is the Board as a whole who is responsible for determining the final compensation to be granted to the Company's executive officers and directors to ensure that such arrangements reflect the responsibilities and risks associated with each position. Management directors are required to abstain from voting in respect of their own compensation thereby providing the independent members of the Board with considerable input as to executive compensation. The Board's compensation philosophy is aimed at attracting and retaining quality and experienced people which is critical to the success of the Company and may include a "pay-for-performance" element which supports the Company's commitment to delivering strong performance for the Shareholders.

The Board annually reviews the corporate goals and objectives relevant to executive compensation; evaluates each executive officer's performance in light of those goals and objectives and sets the executive officer's compensation level based, in part, on this evaluation. The Board also takes into consideration the Company's overall performance, shareholder returns, the value of similar incentive awards to executive officers at comparable companies and the awards given to executive officers in past years.

The Company has no arrangements, standard or otherwise, under which Directors are compensated for their services in their capacity as Directors, or for committee participation or involvement in special assignments during the most recently completed financial year or subsequently, up to and including the date of this Information Circular.

Stock options are an important part of the Company's incentive strategy for its directors and officers, permitting them to participate in any appreciation of the market value of the Company's shares over a stated period of time, and is intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall corporate performance as measured through the price of the Company's shares and enables executives to acquire and maintain an ownership position in the Company.

Stock options grants may be made periodically to ensure that the number of options granted to any particular officer or director is commensurate with the officer's level of ongoing responsibility within the Company. The Board will evaluate the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants.

The directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors

and may receive cash bonuses from time to time which the Company awards to directors for serving in their capacity as a member of the board. Executive officers who also act as directors of the Company do not receive any additional compensation for services rendered in their capacity as directors.

Directors are entitled to participate in the Company's stock option plan, which is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term. Individual grants are determined by an assessment of each individual director's current and expected future performance, level of responsibilities and the importance of their position and contribution to the Company.

The table below sets out certain information respecting the compensation, excluding compensation securities, paid to the executive officers and directors in the past three fiscal years.

PART 6 – AUDIT COMMITTEE

AUDIT COMMITTEE CHARTER

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators (“NI 52-110”) requires the Company to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its external auditor as set forth below.

The Company’s audit committee is governed by an audit committee charter, the text of which is attached as Exhibit “A” to this Information Circular.

COMPOSITION OF THE AUDIT COMMITTEE

The Company's audit committee is currently comprised of three directors, Aram Ayrapetian, Robert Rosner and Carmelo Bisognano of which Robert Rosner and Carmelo Bisognano are considered "independent" as that term is defined in applicable securities legislation. As Chief Executive Officer, Aram Ayrapetian, is not independent.

All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

All of the audit Committee members are businessmen with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to the general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor.

Since the commencement of the Company's most recently completed financial year ended September 30, 2018, the board of directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

RELIANCE ON CERTAIN EXEMPTIONS

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of MI 52-110 (De Minimis Non-audit Services), or an exemption from MI 52-110, in whole or in part, granted under Part 8 of Multilateral Instrument 52-110.

PRE-APPROVAL POLICIES AND PROCEDURES

The audit committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter attached as Exhibit "A" to this Information Circular.

EXTERNAL AUDIT SERVICE FEES (BY CATEGORY)

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

EXEMPTION

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the board of directors of the Company (the “Board”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices.

BOARD OF DIRECTORS

The Board is currently composed of four directors; however, only three nominations were provided and the three proposed nominees for election as directors at the 2019 annual general meeting are currently directors of the Company. NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors be reasonably expected to interfere with the exercise of a director’s independent judgment.

As of the date hereof, all of the directors have no director or indirect “material relationship” with the Company that would interfere with the exercise of independent judgement; however, of the current the directors, Aram Ayrapetian, CEO, is a management director and Carlo Bonacci, CFO is a management director.

Following the Meeting, the Board will have 2 independent directors.

MANDATE OF THE BOARD

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders’ equity interests through the optimum utilization of the Company’s capital resources. The Board also takes responsibility for identifying the principal risks of the Company’s business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company’s development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Company, the Board is also responsible for the integrity of the Company’s internal control and management information systems and for the Company’s policies respecting corporate disclosure and communications.

The Board delegates to management, through the Chief Executive Officer and the Chief Financial Officer, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Given the size of the Company's current operations, the Board believes that the Company is well serviced and the independence of the Board from management is not compromised. In addition, the Board has found that the fiduciary duties placed on management by the Company's governing corporate legislation and common law and the restrictions on an individual director's participation in decisions of the Board in which the director has an interest under applicable corporate and securities legislation provide the "independent" directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances and the "independent" directors have the ability to meet independently of management whenever deemed necessary.

DIRECTORSHIPS

As of the date of this Information Circular, the directors and/or officers listed in the table that follows are currently directors and/or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

Name of Director	Other Reporting Issuer
Carlo Bonacci	Nil
Carmelo Bisognano	Nil
Aram Ayrapetian	Nil

ORIENTATION AND CONTINUING EDUCATION

Orientation and education of new members of the Board is conducted informally by management and the Board. The orientation provides background information on the Company's history, performance and strategic plans.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However there is no formal orientation for new members of the Board and this is considered to be appropriate, given the Company's size and current operations.

ETHICAL BUSINESS CONDUCT

The Board of Directors expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

However, to date, the Board has not adopted a formal written Code of Business Conduct and Ethics. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate and securities legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company and its

shareholders.

In addition, the limited size of the Company's operations and the small number of officers and employees allows the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

NOMINATION AND ASSESSMENT

Given its current size and stage of development, the Board has not appointed a nominating committee and these functions are currently performed by the Board as a whole. Nominees are generally the result of recruitment efforts by Board members, including both formal and informal discussions among Board members and the President, and proposed directors' credentials are reviewed in advance of a Board meeting with one or more members of the Board prior to the proposed director's nomination.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current operations.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

COMMITTEES OF THE BOARD OF DIRECTORS

At the present time, the Board of Directors of the Company has appointed only an audit committee. The audit committee is comprised of Aram Ayrapetian (Chair), Carmelo Bisognano and Robert Rosner and is ultimately responsible for the policies and practices relating to integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company's assets; reliability of information; and compliance with policies and laws.

As the Company evolves, and its operations and management structure become more complex, the Board will likely find it appropriate to constitute additional standing committees, such as a formal Governance Committee, a Compensation Committee and a Nominating Committee, and to ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

COMPENSATION

Given the Company's current size and stage of development, the Board of Directors has not appointed a formal compensation committee, but instead the independent directors make recommendations to the Board regarding executive compensation (including incentive in the form of stock options) to be paid to the Company's executive officers having regard to the responsibilities and risks associated with each position.

In addition, compensation to be paid to executive officers who are also directors must be approved by the disinterested directors thereby providing the non-executive officer directors with significant input into compensation decisions.
