## PUSHFOR PROVIDES SECOND DEFAULT STATUS UPDATE

Delta, B.C. – February 26, 2021 – Pushfor Investments Inc. ("**Pushfor**" or the "**Company**") (CSE: PUSH) provides its second bi-weekly Default Status Report under National Policy 12-203 *Management Cease Trade Orders* ("**NP 12-203**"), pursuant to which Pushfor issued its original default announcement indicating that the filing of its annual audited financial statements, annual management's discussion and analysis, and related CEO and CFO certifications for the year ended September 30, 2020 (the "**Required Disclosure**"), would be delayed beyond the filing deadline of January 28, 2021. Pushfor reports that since issuing the original default announcement on January 19, 2021, there has been no material changes to the information contained therein that has not been disclosed, nor any failure by Pushfor to fulfill its intentions as stated therein, other than as set forth below.

As a result of circumstances reasonably linked to the Company's delay in filing the Required Disclosure, in addition to the default to which this Default Status Report relates, the Company will not meet the deadline for filing its interim unaudited financial statements, interim management's discussion and analysis, and related CEO and CFO certifications for the three-month period ended December 31, 2020 (collectively, the "**Interim Filings**"). As a result of the Company's delay in preparing the Required Disclosure, the Interim Filings could not be properly completed in accordance with Canadian securities law and regulation. Under the securities laws of the provinces in which Pushfor is a reporting issuer, the Interim Filings were to be filed by March 1, 2021.

The Company's Board of Directors and management confirm that the audit is ongoing and that they are working expeditiously to meet the Company's obligations related to the filing of the Required Disclosure and the Interim Filings. However, as a result of continuing work with respect to the audit, the Company now expects to be in a position to file the Required Disclosure by March 26, 2021 and the Interim Filings by March 30, 2021.

Until the Required Documents have been filed, the Company intends to continue to satisfy the provisions of the alternative information guidelines specified in NP 12-203 by issuing bi-weekly Default Status Reports in the form of further press releases for so long as the Company remains in default of the financial statement filing requirement. In the event that the Company does not file the Required Documents in a timely manner, the Canadian Securities Regulatory Authorities may impose an issuer cease trade order on the outstanding securities of the Company.

Pushfor Investments Inc. is a diversified multi-industry investment company. Its common shares are listed for public trading on the Canadian Securities Exchange and in Germany on the open market.
