Future operating results could also be materially affected by the price of cryptocurrency and the demand (or lack thereof) for cryptocurrency. In addition, BIGG's past financial performance may not be a reliable indicator of future performance.

Forward-Looking Statements

Certain statements in this release are forward-looking statements or information, which include the expected opportunities, outcomes, potential and benefits of the Company's products and services, evaluating, researching and predicting market trends, the development and completion of products and services, the launch of products and services, events, plans, courses of action, and the potential of the Company's technology and operations and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forward-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, the

ability to manage operating expenses, which may adversely affect the Company's financial condition, the ability to remain competitive as other better financed competitors develop and release competitive products, volatility in the trading price of the common shares of the Company, the demand and pricing of cryptocurrency, the Company's ability to successfully define, design and release new products in a timely manner that meet customers' needs; the ability to attract, retain and motivate qualified personnel; competition in the industry; and other factors, many of which are beyond the control of BIGG. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. Undue reliance should not be placed on the forward-looking information because BIGG can give no assurance that they will prove to be correct. The securities of BIGG are considered highly speculative due to the nature of BIGG's business. For further information concerning these and other risks and uncertainties, refer to the Company's website and filings on www.sedarplus.ca. In addition, BIGG's past performance may not be a reliable indicator of future performance.

Important factors that could cause actual results to differ materially from BIGG's expectations include consumer sentiment towards BIGG's products and Cryptocurrency, Blockchain and Metaverse technology generally, technology failures, the lack of demand for the company's products and services, fluctuations in the price of cryptocurrency, the ability to successfully define, design, and release new products in a timely manner that meet customers' needs; the ability to attract, retain, and motivate qualified personnel; competition in the industry; the ability to obtain and/or maintain licences, permits and approvals that are necessary to operate the business; the impact of technology changes on the products and industry; failure to develop new and innovative products; the ability to successfully maintain and enforce our intellectual property rights and defend third-party claims of infringement of their intellectual property rights; the impact of intellectual property litigation that could materially and adversely affect the business; the ability to manage working capital; increase in costs and expenses; the dependence on key personnel; competition; the demand and pricing of cryptocurrencies and NFTs (including digital assets); litigation; security threats, including a loss/theft of NFTs, cryptocurrencies, and other assets; and failure of counterparties to perform their contractual obligations.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, BIGG disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, BIGG undertakes no obligation to comment on the expectations of or statements made by, third parties in respect of the matters discussed above.
