EMERGIA INC. ANNOUNCES FILING OF ITS Q2-2022 QUARTERLY REPORT

Montreal, Quebec, August 30, 2022 - (CSE: EMER) Emergia Inc. (the “Corporation” or “EMERGIA”) announces that it has filed Monday, at the end of the day, its Q2-2022 Quarterly Report, including its Q2-2022 financial statements, Management’s Discussion & Analysis, and the related certifications for the three-month and six-month periods ended June 30, 2022.

“Although there was a registered loss of \$1.1 million in the second quarter, the result for the six-month period is positive as it reflects a net income and comprehensive income of \$2.9 million, compared to a net income of \$165,662 during the same period in 2021. Such results are not abnormal for a development company, as it builds on the value creation resulting from its developments. That is exactly where Emergia is at this stage, as it is in the midst of obtaining the approvals of three development projects, that are expected to create value and generate development income”, said Henri Petit, President and Chief Executive Officer of the Corporation. “Furthermore, we are active in the acquisitions field to add income producing properties in the portfolio, aiming to reach our business model of 60% income producing assets and 40% of development and optimization properties, which we expect to reach in 2023.” added Henri Petit.

More detailed information is contained in the Q2-2022 Quarterly Report available under the Corporation’s profile on SEDAR at www.sedar.com.
