## About BioHarvest Sciences Inc.

BioHarvest Sciences Inc. (CSE: BHSC) is a fast-growing Biotech firm listed on the Canadian Securities Exchange. BioHarvest has developed a patented bio-cell growth platform technology capable of growing the active and beneficial ingredients in fruit and plants, at an industrial scale, without the need to grow the plant itself. BioHarvest is currently focused on leveraging its botanical synthesis technology to develop the next generation of science-based and clinically proven therapeutic solutions, within two major business verticals - nutraceutical health and wellness products such as dietary supplements, and development of plant cell-based Active Pharmaceutical Ingredients (API's) that focus on specific medical indications.
