About BioHarvest Sciences Inc.

BioHarvest Sciences Inc. (CSE: BHSC) (OTCQB: CNVCD) (FSE: 8MV) is a leader in Botanical Synthesis, leveraging its patented technology platform to grow plant-based molecules, without the need to grow the underlying plant. BioHarvest is leveraging its botanical synthesis technology to develop the next generation of science-based and clinically proven therapeutic solutions within two major business verticals; as a contract development and production organization (CDMO) on behalf of customers seeking complex molecules, and as a creator of proprietary nutraceutical health and wellness products, which includes dietary supplements.
