- any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only

Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed July 5, 2023, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of July 5, 2023, the Company had outstanding 58,198,437 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the Directors and executive officers of the Company, no one beneficial owner owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the ordinary resolutions described herein. . At least a two-thirds majority of affirmative votes cast by disinterested shareholders at the Meeting are required to pass any special resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

Recommendation of the Board

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

ELECTION OF DIRECTORS

The Board currently consists of four directors. Management proposes to fix the number of directors of the Company at four and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares of the Company which each beneficially owns or over which control or direction is exercised:

Oversight and Description of Director and NEO Compensation

The Board as a whole has the responsibility of determining the compensation for the CEO and the CFO and of determining compensation for directors and senior management.

The Company's compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's NEOs may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objectives and reasons for this system of compensation are to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to mineral exploration, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Pension Arrangements

The Company does not have a pension plan that provides for payments or benefits to the NEOs, directors or employees at, following, or in connection with retirement

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan that the Company has in place is its stock option plan (the "**Plan**"). The Plan was established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company's other previously established or proposed share compensation agreements, may not exceed 15% of the total number of issued and outstanding Common Shares at the date of grant. All options expire on a date not later than five years after the issuance of such option.

The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company's most recently completed fiscal year:

MANAGEMENT CONTRACTS

There are no management functions of the Company which are to any substantial degree performed other than by the directors or executive officers of the Company.

CORPORATE GOVERNANCE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”).

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the “**CSA**”) have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “**material relationship**” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The current independent members of the Board of Directors of the Company are Cole McClay, Greg Bronson, Tyrone McClay and Juan J. Duarte Bravo. The non-independent director is Cole McClay as CEO. Mr. McClay was appointed as CEO and director on February 25, 2021.

The Board facilitates its independent supervision over management by choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are, however, able to meet at any time without any of the non-independent directors being present. Further supervision is performed through the Audit Committee who may meet with the Company’s auditors without management being in attendance.

Directorships

The participation of the directors in other reporting issuers as at the date of this Management Circular is described in the following table:

Name of Director	Names of Other Reporting Issuers of which the Director is a Director
Cole McClay	Tarachi Gold Corp
Greg Bronson	Bathurst Metals Corp. Avanti Energy Inc. EMP Metals Corp.
Tyron McClay	None
Juan J. Duarte Bravo	None

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company’s properties and on director responsibilities.

Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business. In addition, management of the Company makes itself available to discussions with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual

director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Other Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and committees.

Compensation

The Board is not compensated for acting as directors, except for being granted incentive stock options pursuant to the policies of the Canadian Securities Exchange and the Company's stock option plan. The Board acts as a whole to determine and approve the final stock grants and compensation amounts.

AUDIT COMMITTEE CHARTER

See attached.

BENJAMIN HILL MINING CORP.

AUDIT COMMITTEE CHARTER

I. Purpose

The primary objective of the Audit Committee (the "**Committee**") of Benjamin Hill Mining Corp. (the "**Company**") is to act as a liaison between the Company's Board of Directors (the "**Board**") and the Company's independent auditors (the "**Auditors**") and to oversee (a) the accounting and financial reporting processes of the Company, including the financial statements and other financial information provided by the Company to its shareholders, the public and others, (b) the Company's compliance with legal and regulatory requirements, (c) the audit of the Company's financial statements, (d) the qualification, independence and performance of the Auditors, and (e) the Company's risk management policies and procedures and internal financial and accounting controls, and management information systems. For greater certainty, references to the financial statements of the Company will include, where applicable, the financial statements of the Company's subsidiary entities.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the Auditors.

The responsibilities of a member of the Committee are in addition to such member's duties as a member of the Board.

II. Organization

A majority of the members of the Committee will be non-executive directors of the Company who satisfy, at a minimum, the laws governing the Company and the independence, financial literacy and financial experience requirements under applicable securities laws, rules and regulations, stock exchange and any other regulatory requirements applicable to the Company. The responsibilities of a member of the Committee are in addition to such member's duties as a member of the Board.

Members of the Committee must be financially literate as the Board interprets such qualification in its business judgment. A majority of the members of the Committee will not have participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the past three years. All members will be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

The Committee will consist of three or more directors of the Company, a majority of whom are not executive officers of the Company. The members of the Committee and the Chair of the Committee will be appointed by the Board. A majority of the members of the Committee will constitute a quorum, provided that if there are only three members, the quorum shall be three. A majority of the members of the Committee will be empowered to act on behalf of the Committee. Matters decided by the Committee will be decided by majority votes. The chair of the Committee will have an ordinary vote and will not be entitled to exercise a casting vote.

Any member of the Committee may be removed or replaced at any time by the Board and will cease to be a member of the Committee as soon as such member ceases to be a director.

The Committee may form and delegate authority to subcommittees when appropriate.

III. Meetings

The Committee will meet as frequently as circumstances require, but not less frequently than four times per year. The Committee will meet at least quarterly with management, the Company's financial and accounting officer(s) and the Auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. Meetings may be held telephonically to the extent permitted by the Company's organizational documents and applicable law. A resolution in writing signed by all members who are entitled to vote on the resolution at the meeting of the Committee is as valid as if it had been passed at a meeting.

In the absence of the appointed Chair of the Committee at any meeting, the members will elect a chair from those in attendance at the meeting. The Chair, in consultation with the other members of the Committee, will set the frequency and length of each meeting and the agenda of items to be addressed at each upcoming meeting. Notice of the time and place of every meeting shall be given in writing, either by email, fax or personal delivery to each member of the Committee at least 24 hours in advance of the meeting.

The Committee will appoint a recording secretary who will keep minutes of all meetings. The recording secretary may be any person and does not need to be a member of the Committee. The recording secretary for the Committee can be changed by simple notice from the Chair.

The Committee may invite, from time to time, such persons as it may see fit to attend its meetings and to take part in discussion and consideration of the affairs of the Committee. The Company's accounting and financial officer(s) and the Auditors will attend any meeting when requested to do so by the Chair of the Committee.

IV. Authority and Responsibilities

The Board, after consideration of the recommendation of the Committee, will nominate the Auditors for appointment by the shareholders of the Company in accordance with applicable law. The Auditors report directly to the Audit Committee. The Auditors are ultimately accountable to the Committee and the Board as representatives of the shareholders.

In fulfilling its duties and responsibilities under this Charter, the Committee will be entitled to reasonably rely on (a) the integrity of those persons within the Company and of the professionals and experts (such as the Auditors) from whom it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts and (c) the representations made by the Auditors as to any services provided by them to the Company.
