

# Benjamin Hill Announces Frankfurt Stock Exchange Listing

Vancouver, British Columbia--(Newsfile Corp. - November 10, 2023) - Benjamin Hill Mining Corp. (CSE: BNN) (OTCQB: BNNHF) (FSE: 5YZ0) ("Company") is pleased to announce the listing of its common shares on the Frankfurt Stock Exchange ("FSE") under the trading symbol "5YZ0" (ISIN: CA08208P1071 | WKN: A3CNQU).

*"As one of the world's leading stock exchanges, the Frankfurt listing will give Benjamin Hill the ability to expand its global reach and heighten awareness in the active European investor market," states Cole McClay, CEO and Director.*

The FSE is one of the world's largest international trading centers for securities. Operated by the Deutsche Boerse AG, FSE, is the largest of Germany's seven stock exchanges, and is responsible for approximately 90 percent of all securities traded in Germany. The FSE facilitates advanced electronic trading, settlement and information systems and enables cross-border trading for international investors.

The Company's shares are also cross listed on the Canadian Securities Exchange (CSE: BNN), the OTCQB Venture Market in the United States (OTCQB: BNNHF).

## About Benjamin Hill Mining Corp.

Benjamin Hill Mining Corp. is a Canadian-listed junior gold exploration company focused on exploring and developing The Alotta project in Canadian Yukon Territory. The Alotta project is a porphyry copper-gold-molybdenum prospect, located 50 km south of the Casino porphyry deposit in the unglaciated portion of the Dawson Range porphyry/epithermal belt.

## Forward Looking Statements

*Certain of the statements made and information contained herein may contain forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking information includes, but is not limited to, information concerning the Company's intentions with respect to the development of its mineral properties. Forward-looking information is based on the views, opinions, intentions and estimates of management at the date the information is made, and is based on a number of assumptions and subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated or projected in the forward-looking information (including the actions of other parties who have agreed to do certain things and the approval of certain regulatory bodies). Many of these assumptions are based on factors and events that are not within the control of the Company and there is no assurance they will prove to be correct. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by applicable securities laws, or to comment on analyses, expectations or statements made by third parties in respect of the Company, its financial or operating results or its securities. The reader is cautioned not to place undue reliance on forward-looking information. We seek safe harbor.*
