

Benjamin Hill Engages Clarkham Capital for European Investor Relations

Vancouver, British Columbia--(Newsfile Corp. - January 9, 2024) - Benjamin Hill Mining Corp. (CSE: BNN) (OTCQB: BNNHF) (FSE: 5YZ0) ("**BNN**" or the "**Company**") has engaged Clarkham Capital Ltd. ("**Clarkham**") to provide investor relations and consulting services with a focus on the German stock market and the German-speaking investor community. Services include the preparation of articles and coverages on several financial platforms and newsletters. Services will also include the translation and distribution of news releases in Germany. The initial term is for 3 months, ending on April 3 2024. Benjamin Hill will pay Clarkham €50,000 euros for their services.

Sebastian Korbach is the director of Clarkham but holds no securities in the capital of the Company and will not be compensated individually in any manner. No securities will be issued in connection with Clarkham's engagement.

About Benjamin Hill Mining Corp.

Benjamin Hill Mining Corp. is a Canadian-listed junior gold exploration company focused on exploring and developing the Alotta project in Canadian Yukon Territory, and holds an interest in Aion Mining Corp. that is developing La Estrella, a permitted coal project located in Santander, Colombia.

The Alotta project is a porphyry copper-gold-molybdenum prospect, located 50 km south of the Casino porphyry deposit in the unglaciated portion of the Dawson Range porphyry/epithermal belt. The Aion Mining Corp. La Estrella project is fully permitted and contains eight known seams of metallurgical and thermal coal.

On behalf of the Board of Directors

"Cole McClay", CEO Benjamin Hill Mining Corp.

Forward-Looking Statements

Certain of the statements made and information contained herein may contain forward-looking information within the meaning of applicable Canadian securities laws. Forward-Looking information includes, but is not limited to, information concerning the Company's intentions with respect to the development of its mineral properties. Forward-Looking information is based on the views, opinions, intentions and estimates of management at the date the information is made, and is based on a number of assumptions and subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated or projected in the forward-looking information (including the actions of other parties who have agreed to do certain things and the approval of certain regulatory bodies). Many of these assumptions are based on factors and events that are not within the control of the Company and there is no assurance they will prove to be correct. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by applicable securities laws, or to comment on analyses, expectations or statements made by third parties in respect of the Company, its financial or operating results or its securities. The reader is cautioned not to place undue reliance on forward-looking information. We seek safe harbor.
