## **PRESS RELEASE**

### **CORRECTION FROM SOURCE**

TORONTO, ONTARIO – April 29, 2016, Stompy Bot Corporation (CSE: BOT) (the “**Company**”) – A correction from source is issued with respect to the news release that was disseminated on April 29, 2016 at 15:03 (Eastern Daylight Time). In the fourth paragraph, the statement with respect to the sale of mineral properties was incorrect and should have stated that the Company is currently completing a private placement financing to secure sufficient funding to prepare and file the annual financial statements and MD&A.

### **STOMPY BOT SUBJECT TO MANAGEMENT CEASE TRADE ORDER**

TORONTO, ONTARIO – April 29, 2016, Stompy Bot Corporation (CSE: BOT) (the “**Company**”) announces that it will be late in filing its annual financial statements and management discussion and analysis (“**MD&A**”) for the year ended December 31, 2015, on the prescribed deadline of April 29, 2016.

The Company has made an application with the applicable securities regulators under National Policy 12-203 – Cease Trade Orders for Continuous Disclosure Defaults (“**NP 12-203**”) requesting that a management cease trade order be imposed in respect of this late filing rather than an issuer cease trade order. The issuance of a management cease trade order generally does not affect the ability of persons who have not been directors, officers or insiders of the Company to trade in their securities.

The Company has been unable to complete the required filings due to a lack of capital to complete its audit. As a result, the Company requires additional time to raise sufficient capital to complete its annual financial statements, MD&A and audit.

The Company is in the process of completing a private placement financing and anticipates that it will be able to secure sufficient funding from the offering to prepare and file the annual financial statements and MD&A on or prior to May 31, 2016.

The Company confirms that it will satisfy the provisions of the alternative information guidelines under NP 12-203 by issuing bi-weekly default status reports in the form of news releases for so long as it remains in default of the filing requirements to file its financial statements and MD&A within the prescribed period of time. The Company confirms that there is no other material information relating to its affairs that has not been generally disclosed.
