Smart Autonomous Solutions and Torino Ventures Inc. complete Amalgamation

Vancouver, British Columbia, November 6, 2015 – Torino Ventures Inc. (the “Company” or “Torino”), is pleased to announce that it has completed a three-cornered amalgamation whereby Smart Autonomous Solutions Inc. ("SAS") has amalgamated with a wholly-owned subsidiary of Torino (Torino Acquisition Corp). The Amalgamation was filed with British Columbia Registry Services as of November 5, 2015. In conjunction with the Amalgamation, Torino issued 12,062,927 common shares to securityholders of SAS. In the coming days, the Company will complete a name change, and the Amalgamated entity will be known as Torino Power Solutions Inc. The directors of Torino Acquisition Corp are Suresh Singh, Bryan Loree, Alex Kanayev, Ravinder Mlait and Darren Fast.

The merged company will focus on its patented Dynamic Thermal Circuit Rating (DTCR) technology that increases the capacity of congested high voltage transmission lines of electric utilities by providing real-time wireless monitoring of stress and temperature. The technology has market opportunities and applications for utilities worldwide, oil pipelines, dams, bridges and other major infrastructure assets. The DTCR technology is supported by five patents. Further details on the DTCR technology can be found at <http://www.sasincor.com>.

The Company has increased the size of its non-brokered private placement at \$0.10 cents per unit over \$200,000. Each Unit consists of one common share and one-half of one non-transferable common share purchase warrant exercisable at \$0.20 cents per common share for a period of 18 months from the date of closing. Finders' fees may be payable in connection with the private placement.

We seek Safe Harbor.

On behalf of the Board of Directors

“Bryan Loree”

CEO and Director
Torino Ventures Inc.
