INFORMATION CIRCULAR

May 20, 2016

INTRODUCTION

This Information Circular accompanies the Notice of Annual General and Special Meeting of Shareholders (the “Notice”) and is furnished to the shareholders (the “Shareholders”) holding common shares (the “Common Shares”) in the capital of Torino Power Solutions Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “Meeting”) of the Shareholders to be held at 10:00 a.m. PST on June 30, 2016 at 650 West Georgia Street, Suite 2700, Vancouver, British Columbia, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is May 20th, 2016. Unless otherwise indicated, all dollar amounts referred to herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and related proxy materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on May 20, 2016 (the “Record Date”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A Shareholder has the right to appoint a person or corporation (who need not be a Shareholder) to attend and act for or on behalf of that Shareholder at the Meeting, other than the Designated Persons named in the enclosed form of proxy.

To exercise this right, the Shareholder may do so by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the form of proxy.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Equity Financial Trust (the “Transfer Agent”), at its offices located on the 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, or by the Company at the address set forth above, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer, or attorney-in-fact, for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, should accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime, before it is exercised, by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Common Shares represented by the proxy in favour

of each matter identified in the proxy, including the vote for the election of the nominees to the Company's Board of Directors (the "Board") and for the appointment of the auditors.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for the determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NON-REGISTERED HOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered Shareholder in respect of Common Shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSP's, RRIF's, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("CDS") of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 of the Canadian Securities Administrators ("NI 54-101"), the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of a one page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

These security holder materials are being sent to both registered and non-registered owners of the Common Shares. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value and an unlimited number of preferred shares without par value. As of the Record Date, determined by the Board to be the close of business on May 20, 2016, a total of 27,820,488 Common Shares were issued and outstanding. Each Common Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the Record Date May 20, 2016 are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the Company's directors and executive officers, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares of the Company, other than as set forth below:

Name of Shareholder	Number of Common Shares Owned	Percentage of Outstanding Common Shares ⁽¹⁾

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four (4). Management recommends the approval of an ordinary resolution to set the number of directors of the Company at four (4).

- (d) any individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity at the end of the most recently completed financial year.

Compensation Discussion and Analysis

The objective of the compensation program is to compensate the NEOs fairly in accordance with industry standards to reward the NEOs for their time and effort to manage the Company and create shareholder value. The Company’s compensation program is reviewed and administered by the Board. Each NEO receives a cash component payable as a salary or a daily rate and has been granted stock options. The cash element is payable as a direct result of time spent to manage the Company. The stock options are granted to reward the NEOs for the Company’s performance and to provide incentive for continued engagement with the Company and for improved performance by the Company. The Board reviews industry standards based on similar roles and percentage of time spent working for the Company and grants stock options based on industry standards.

Rav Mlait entered into an consulting agreement with the Company effective September 1, 2015, whereby Mr. Mlait agreed to provide management services as Chief Executive Officer at \$10,000 per month. Bryan Loree entered into an consulting agreement with the Company effective September 1, 2015, whereby Mr. Loree agreed to provide management services as Chief Financial Officer at \$10,000 per month. Suresh Singh entered into an consulting agreement with the Company effective September 1, 2015, whereby Mr. Singh agreed to provide management services as President at \$10,000 per month.

At this time, the Board has not established any benchmark or performance goals that the NEOs must achieve in order to maintain their respective positions as NEOs with the Company. However, the NEOs are expected to carry out their duties in an effective and efficient way and advance the exploration goals of the Company. If the Board determines that these duties are not being met, the Board has the ability to replace such NEOs in its discretion.

On May 5, 2016, the Company entered into a stock option agreement with each of Rav Mlait and Bryan Loree and Suresh Singh, whereby the Company granted 700,000 Options to each person in consideration for their

services as directors and NEOs of the Company. Each Option is exercisable into one Common Share at the exercise price of \$0.15 expiring on May 13, 2021.

The Company does not have a Compensation or Nominating Committee at the present time. All tasks related to developing and monitoring the Company’s approach to the compensation of officers of the Company and to developing and monitoring the Company’s approach to the nomination of directors to the Board are performed by the members of the Board. The compensation of the NEOs and the Company’s employees is reviewed, recommended and approved by the independent directors of the Company.

Option-Based Awards

The Company regards the strategic use of incentive stock options as a cornerstone of the Company’s compensation plan. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company. The Company established a formal plan under which stock options may be granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. It applies to personnel at all levels and continues to be one of the Company’s primary tools for attracting, motivating and retaining qualified personnel which is critical to the Company’s success. The Board is responsible for administering the Company’s stock option plan and determining the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under a stock option plan. Stock options are typically part of the overall compensation package for executive officers. See “Particulars of Matters to be Acted Upon – Approval of Stock Option Plan” for further details regarding the Company’s incentive stock option plan.

All grants of stock options to the NEOs are reviewed and approved by the Board. In evaluating option grants to an NEO, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO’s overall compensation package.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. In addition, NI 58-101 prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board of Directors presently has four directors, one of whom is independent. The definition of independence used by the Company is that used by the Canadian Securities Administrators, which is set out in section 1.4 of National Instrument 52-110 *Audit Committees* (“**NI 52-110**”). A director is independent if he has no direct or indirect material relationship to the Company. A “material relationship” is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of the director’s independent judgment. Certain types of relationships are by their very nature considered to be material relationships and are specified in section 1.4 of NI 52-110.

Orientation and Continuing Education

The Company has not formalized an orientation program. If a new director was appointed or elected, however, he or she would be provided with orientation and education about the Company which would include information about the duties and obligations of directors, the business and operations of the Company, documents from recent board meetings and opportunities for meetings and discussion with senior management and other directors. Specific details of the orientation of each new director would be tailored to that director’s individual needs and areas of interest.

The Company does provide continuing education opportunities to directors so that they may maintain or enhance their skills and abilities as directors and ensure that their knowledge and understanding of the Company’s business remains current.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, no director or executive officer of the Company, who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Common Shares or other securities of the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, the appointment of auditors or the approval of the Plan.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

The Option Plan is a "rolling" stock option plan, which makes a maximum of 10% of the issued and outstanding Common Shares available for issuance thereunder. The policies of the Exchange require that a rolling plan such as the Option Plan be approved by the Shareholders on an annual basis.

The purpose of the Option Plan is to provide directors, officers and key employees of, and certain other persons who provide services to, the Company with an opportunity to purchase Common Shares of the Company at a specific price, and subsequently benefit from any appreciation in the value of the Common Shares. This provides an incentive for such persons to contribute to the future success of the Company and enhances the ability of the Company to attract and retain skilled and motivated individuals, thereby increasing the value of the Common Shares for the benefit of all Shareholders.

The exercise price of stock options granted under the Option Plan will be determined by the Board and will be priced in accordance with the policies of the Exchange, and will not be less than the closing price of the Common Shares on the Exchange on the date prior to the date of grant less any allowable discounts. All options granted under the Option Plan will have a maximum term of five years.

The Option Plan provides that it is solely within the discretion of the Board of Directors to determine who should receive options and how many they should receive. The Board may issue a majority of the options to insiders of the Company. However, the Option Plan provides that in no case will the Option Plan or any existing share compensation arrangement of the Company result, at any time, in the issuance to any option holder, within a one-year period, of a number of Common Shares exceeding 5% of the Company's issued and outstanding Common Share capital.

The full text of the Option Plan is available for review by any Shareholder up until the day preceding the Meeting at the Company's records office, located at 7934 Government Rd, Burnaby, BC, and will also be available at the Meeting.

Upon the approval of the Option Plan by Shareholders, Shareholder approval will not be required or sought on a case-by-case basis for the purpose of the granting of options and the exercise of options under the Option Plan.

At the Meeting, Shareholders will be asked to approve an ordinary resolution approving the Option Plan. The text of the resolution to be considered and, if thought fit, approved at the Meeting is as follows:

“BE IT RESOLVED THAT:

- (1) The Company's incentive stock option plan, which makes a total of 10% of the issued and outstanding shares of the Company available for issuance thereunder as described in the Company's Information Circular dated May 20, 2016, be and is hereby ratified, confirmed and approved.
- (2) The Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the Option Plan.
- (3) The Company be and is hereby, at the discretion of the Board, to amend the exercise price of previously granted option agreements, without further approval of the shareholders, all in accordance with the policies of the Exchange.
- (4) Any one director or officer of the Company be and is hereby authorized and directed to perform all such acts, deeds and things and execute all such documents and other instruments as may be required to give effect to the true intent of this resolution.”

Approval of the resolution will require the affirmative vote of a majority of the votes cast at the Meeting in respect thereof.

Management of the Company recommends that Shareholders vote in favour of the approval of the Stock Option Plan, and if named as proxy, the management designees intend to vote the Common Shares represented by such proxy FOR approval of the Stock Option Plan, unless otherwise directed in the form of proxy.

9. OPTION PERIOD, CONSIDERATION AND PAYMENT

- (a) The option period (the “**Option Period**”) shall be a period of time fixed by the Committee, not to exceed the maximum period permitted by any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction, which maximum period is presently ten (10) years from the date the Option is granted, provided that the Option Period shall be reduced with respect to any Option as provided in Clauses 11 and 12 covering cessation as a director, officer, employee or consultant of the Company or death of the Participant.
- (b) Except as set forth in Clauses 11 and 12, no Option may be exercised unless the Participant is, at the time of such exercise, a director, officer, employee or consultant of the Company.
- (c) The exercise of any Option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or

bank draft for the full purchase price of such shares with respect to which the Option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any shares subject to an Option under this Plan unless and until the certificates for such shares are issued to such persons under the terms of the Plan.

Nothing contained in the Plan, nor in any Option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate.

12. DEATH OF A PARTICIPANT

In the event of the death of a Participant, the Option previously granted to him shall be exercisable only within the 12 months next succeeding such death and then only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that he was entitled to exercise the Option at the date of his death.

13. ADJUSTMENTS

Appropriate and proportional adjustments in the exercise price of the Options and in the number of Options granted or to be granted may be made by the Committee in its discretion to give effect to adjustments in the number of common shares of the Company resulting from subdivisions, consolidations or reclassification of the common shares of the Company, the payment of stock dividends by the Company or other relevant changes in the capital of the Company.

14. TRANSFERABILITY

All benefits, rights and Options accruing to the Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of a Participant any benefits, rights and Options may only be exercised by the Participant.

15. AMENDMENT AND TERMINATION OF PLAN

The Committee may, at any time, suspend or terminate the Plan. The Board of Directors may, subject to such approvals as may be required under the rules of any stock exchange or which the common shares are then listed or other regulatory body having jurisdiction, also at any time amend or

revise the terms of the Plan, PROVIDED that no such amendment or revision shall alter the terms of any Options theretofore granted under the Plan.

16. NECESSARY APPROVALS

The ability of the Options to be exercised and the obligation of the Company to issue and deliver shares in accordance with the Plan is subject to any approvals which may be required from the shareholders of the Company, any regulatory authority or stock exchange having jurisdiction over the securities of the Company. So long as it remains a policy of the Exchange, the Company will obtain disinterested shareholder approval for:

- (a) any reduction in the exercise price of the Option if the Participant is an insider of the Company at the time of the proposed amendment;
- (b) the grant to any Participant, if the Participant is an insider of the Company at the time of the grant, within a 12 month period, of a number of options exceeding 10% of the issued shares;

If any shares cannot be issued to the Participant for whatever reason, the obligation of the Company to issue such shares shall terminate and any Option exercise price paid to the Company will be returned to the Participant.

17. PRIOR PLANS

The Plan shall entirely replace and supersede any prior share option plans, if any, adopted by the Board of Directors of the Company or its predecessor companies.

18. EFFECTIVE DATE OF PLAN

The Plan has been adopted by the Board of Directors subject to the approval of any stock exchange on which the shares of the Company are to be listed or other regulatory body having jurisdiction and approval of the shareholders and, if so approved, the Plan shall become effective upon such approvals being obtained.

Nominations of persons for election to the board of director of the Corporation (the “**Board**”) may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors:

3. To be timely, a Nominating Shareholder’s notice to the Secretary of the Corporation must be made:
 - a. in the case of an annual meeting of shareholders, not less than 30 nor more than

65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and

In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder’s notice as described above.

4. To be in proper written form, a Nominating Shareholder’s notice to the Secretary of the Corporation must set forth:

a. as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (A) the name, age, business address and residential address of the person; (B) the principal occupation or employment of the person; (C) the class or series and number of shares in the capital of the Corporation which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (D) any other information relating to the person that would be required to be disclosed in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below); and

The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable shareholder’s understanding of the independence, or lack thereof, of such proposed nominee.

5. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the Act. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

8. Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement in this Policy.
