

# KABN North America Begins Trading on the Canadian Securities Exchange

Toronto, Ontario--(Newsfile Corp. - June 10, 2020) - KABN Systems NA Holdings Corp. (formerly Torino Power Solutions Inc.) (CSE: KABN) (the "**Company**" or "**KABN**" or "**KABN North America**") is pleased to announce that it has commenced trading on the Canadian Securities Exchange under the symbol **KABN** as of today.

KABN North America is a Canadian FinTech company that specializes in continuous online identity verification, management and monetization and is currently in development to launch a digital banking and financial services platform. With the evolving macroenvironment and the increasing amount of time spent online, the Company believes that digital identity will become more important as users look to work, play, educate, game and shop virtually and will need to protect, manage and control the use of their digital identity.

KABN believes that ownership of identity is a basic human right and individuals should be the primary beneficiary of any use of their identity. The KABN North America platform provides, at no cost to consumers, the ability to create a digital identity with our Liquid Avatar platform ([www.liquidavatar.com](http://www.liquidavatar.com)), verify their identity through KABN ID and create value for the use of their identity through KABN North America's cashback, engagement and loyalty program, KABN KASH, as well as the KABN Visa card.

KABN North America generates revenue by providing our users, at no cost, with high value services and delivering permission-based offers that fit their aggregated public data profiles. KABN never rents, sells or provides data to outside parties without permission, and complies with jurisdictional privacy rules and regulations.

## KABN North America Value Proposition

The Company is focused on 3 principle tenets that it believes will drive potential value:

**The Addressable Market** - Digital Identity is relevant to 100% of the online market.

**The Unique Business Model** - KABN's solutions are built to empower users, generate revenue and create stakeholder value.

**The Team** - KABN's management team, advisors and board of directors are seasoned executives from the technology, banking, payments and loyalty industry and have the acumen to help drive the Company to success.

## KABN North America Product Suite

KABN North America has 4 primary products that enable users to verify, manage and monetize their digital identity:

- **KABN ID:** a reusable, *Always On*, compliant, biometrically-based, identity verification and validation platform that forms the engine of the KABN Network.
- **LIQUID AVATAR:** a digital image-based "wallet and keyring" platform that allows users to manage their digital identity.
- **KABN Card:** an approved prepaid Visa card that includes a mobile banking wallet that supports both digital and traditional currencies.
- **KABN KASH:** a robust loyalty and engagement platform with cashback and card-linked programs.

"We are excited to be trading on the CSE and we look forward to creating value for all of our stakeholders," said Benjamin Kessler, CEO. "KABN North America is uniquely positioned to provide all our ecosystem partners with value given our low cost of user acquisition and our highly scalable infrastructure."

Over the coming weeks, KABN will begin its rollout of products and programs, initially on an invitational basis only to its customers, social media, gaming and its network partners.

**Forward-Looking Information and Statements**

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. Such forward-looking information and forward-looking statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward-looking statements contained herein may include, but is not limited to, information concerning the ability of the Company to generate revenues, roll out new programs and to successfully achieve business objectives, and expectations for other economic, business, and/or competitive factors.

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements. In addition, in connection with the forward-looking information and forward-looking statements contained in this press release, the Company has made certain assumptions. Among the key factors that could cause actual results to differ materially from those projected in the forward-looking information and statements are the following: changes in general economic, business and political conditions, including changes in the financial markets; changes in applicable laws; compliance with extensive government regulation. Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected.

Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.
