GENERAL PROXY MATTERS

Solicitation of Proxies

The enclosed proxy is being solicited by the management of the Company for use at the Meeting. Proxies may be solicited by mail, telephone, email, facsimile or other electronic means. Proxies may be solicited personally by directors or regular employees of the Company. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of solicitation of proxies will be paid by the Company.

Appointment of a Third Party as Proxy

The following applies to shareholders who wish to appoint a person (a "third party proxyholder") other than the management nominees set forth in the form of proxy or voting instruction form as proxyholder, including beneficial shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

The persons named in the enclosed form of proxy are officers and/or directors of the Company. Shareholders who wish to appoint a third party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares MUST submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder AND register the third party proxyholder, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to attend, participate or vote at the Meeting.

Step 1: Submit your proxy or voting instruction form. To appoint a third party proxyholder, insert such person's name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you are a beneficial shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder. See below under this section for additional details.

Step 2: Register your proxyholder. To register a proxyholder, shareholders MUST send an email to liquid@odysseytrust.com by 10:00 a.m. (Toronto time) on June 28, 2021 and provide Odyssey with the required proxyholder contact information, amount of shares appointed, name in which the shares are registered if they are a registered shareholder, or name of broker where the shares are held if a beneficial shareholder, so that Odyssey may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a beneficial shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary AND register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading "How do I attend and participate at the Meeting?".

Legal Proxy – US Beneficial Shareholders

If you are a beneficial shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder, in addition to the steps described above and below under "How do I attend and participate at the Meeting?", you must obtain a valid legal proxy from your intermediary. Follow the instructions from your intermediary included with the legal proxy form and the voting information form sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from beneficial shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party

as their proxyholder must be sent by e-mail to liquid@odysseytrust.com and received by 10:00 a.m. (Toronto time) on June 28, 2021.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Shareholder may revoke a proxy given pursuant to this solicitation by depositing an instrument in writing (including another proxy bearing a later date) executed by the Shareholder or by an attorney authorized in writing to Odyssey Trust at liquid@odysseytrust.com at any time up to and including the last business day preceding the day of the Meeting.

Voting of Proxies

The board of directors of the Company (the "**Board**") has, by resolution, fixed the close of business on May 18, 2021 (the "**Record Date**") as the record date for the determination of the registered Shareholders entitled to notice of, and to vote at, the Meeting and any adjournment(s) or postponement(s) thereof. The Board has, by resolution, fixed 10:00 a.m. (Toronto time) on Friday, June 25, 2021, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of any adjournment(s) or postponement(s) of the Meeting, as the time before which proxies to be used or acted upon at the Meeting or any adjournment(s) or postponement(s) thereof must be deposited with Odyssey Trust by mail at Odyssey Trust Company, 702, 67 Yonge St. Toronto, ON M5E 1J8, facsimile at 800-517-4553 or by email at proxy@odysseytrust.com.

Shareholders of record ("**Registered Shareholders**") at the close of business on the Record Date will be entitled to vote in person (as described herein) or by proxy at the Meeting or at any adjournment or postponement thereof (subject, in the case of voting by proxy, to the timely deposit of a properly completed, signed and dated proxy with Odyssey Trust as specified herein and in the Notice).

Electronic voting is also available for this Meeting through <https://login.odysseytrust.com/pxlogin>. Votes cast electronically are in all respects equivalent to, and will be treated in the exact same manner as, votes cast via a paper form of proxy. Further details on the electronic voting process are provided in the form of proxy. The Chairman of the Meeting may extend or waive the proxy deadline without notice.

The persons named in the form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of all the matters and resolutions described below. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting.** As at the date hereof, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

A proxy will not be valid unless it is signed by the registered Shareholder, or by the registered Shareholder's attorney with proof that they are authorized to sign. If you represent a registered Shareholder that is a corporation, your proxy should have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. If you execute a proxy as an attorney for an individual registered Shareholder, or as an officer or attorney of a registered Shareholder that is a corporation, you must include the original or notarized copy of the written authorization for the officer or attorney with your proxy form.

Only Registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares are beneficially owned by a Shareholder are registered either: (i) in the name of an intermediary with whom the Non-Registered Shareholder deals in respect of the Common Shares such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans, Registered Retirement Income Funds, Registered Education Savings Plans and similar plans (an "**Intermediary**"); or

(ii) in the name of a clearing agency (such as CDS & Co., of which the Intermediary is a participant) (a **"Non-Registered Shareholder"**). Non-Registered Shareholders will be given, in substitution for the proxy otherwise contained in the proxy-related materials, a request for voting instructions (the **"Voting Instruction Form"**) which, when properly completed and, if applicable, signed by the Non-Registered Shareholder and returned to the Intermediary or the Company, as applicable, will constitute voting instructions which the Intermediary or the Company, as applicable, must follow. The purpose of this procedure is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives the Voting Instruction Form wish to vote at the Meeting in person (or have another person attend the vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should so indicate in the place provided for that purpose in the Voting Instruction Form and a form of legal proxy will be sent to the Non-Registered Shareholder. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Common Shares are voted at the Meeting. If you have any questions respecting the voting of Common Shares held through a broker or other Intermediary, please contact the broker or other Intermediary for assistance.

Summary of the Option Plan as Amended

This summary is qualified by the full text of the Option Plan (as amended) attached as Schedule "B". In the case of any conflict between this summary and Schedule "B", the schedule shall govern.

Pursuant to the Option Plan, the Board may from time to time grant to directors, officers, employees and consultants, or investor relations person (as defined in CSE policies) of the Company (collectively, "**Eligible Persons**"), non-transferable and non-assignable options to purchase Common Shares, exercisable for a period of up to 10 years from the date of grant, provided that the number of Common Shares reserved for issuance under the Option Plan does not exceed 15% of the then issued and outstanding Common Shares. If, and so long as, the Company is listed on the CSE, the aggregate number of Common Shares issued or issuable to persons providing investor relations activities as compensation within a 12-month period will not exceed one percent (1%) of the number of issued and outstanding Common Shares.

If any optionee ceases to be an Eligible Person for any reason, other than as a result of having been dismissed for cause or as a result of the optionee's death, such optionee shall have the right for a period of 90 days (or until the normal expiry date of the option rights of such optionee, if earlier) from the date of ceasing to be an Eligible Person to exercise the options of such optionee, to the extent they were exercisable on the date of ceasing to be an Eligible Person, subject to extension by the Board to a maximum of one year with approval from the stock exchange on which the Common Shares trade, where required and if permitted. If an optionee ceases to be an Eligible Person as a result of having been dismissed from any such position for cause, all unexercised options of that optionee under the Option Plan shall immediately terminate and shall lapse, notwithstanding the original term of the option granted to such optionee under the Option Plan.

In the event of the death of an optionee during the currency of the optionee's option, the option theretofore granted to the optionee shall vest and be exercisable within, but only within, the period of one year next succeeding the optionee's death (unless such period is extended by the Board with approval from the stock exchange on which the Common Shares trade where required and if permitted) or until the normal expiry date of the option rights of such optionee, if earlier.

If there is a reduction in the exercise price of the options of a "related person" (as defined in the "Option Plan) of the Company, other than as a result of the adjustment events provided for in the Option Plan, the Company will be required to obtain approval from disinterested shareholders and any other applicable regulatory approvals.

CORPORATE GOVERNANCE

The Company and the Board recognize the importance of corporate governance to the effective management of the Company and to the protection of its stakeholders, particularly Shareholders. The Company's approach to issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance Shareholder value. The Board fulfills its mandate directly and through the Audit Committee at regularly scheduled meetings or as required. The directors are kept informed regarding the Company's operations at regular meetings, or as otherwise required and through reports and discussions with management on matters within their particular areas of expertise. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Company's affairs and in light of opportunities or risks that the Company faces.

National Policy 58-201 – *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below, in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

The Board of Directors

Pursuant to National Instrument 52-110 – *Audit Committees ("NI 52-110")*, a director is considered independent if he or she has no direct or indirect material relationship with the Company that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. NI 52-110 sets out certain situations where a director is deemed to have a material relationship with the Company.

The Board is currently comprised of four directors, two of whom are independent within the meaning of NI 52-110. Messrs. Kawtharani and Mesina are independent directors. Mr. Lucatch presently is CEO and President of the Company and is not considered independent. Mr. Reiser presently is Chief Business Development Officer of the Company and is not considered independent.

Other Public Corporation Directorships

None.

Independence of the Board

The independent directors did not hold any separate regularly scheduled meetings during the fiscal year ended December 31, 2020, at which non-independent directors and members of management were not in attendance. However, at various Board meetings throughout 2020, there were meetings where the Board believed a conflict of interest could arise or where it was otherwise appropriate to have directors or management recuse themselves. The Board also regularly holds "in-camera" sessions after each board meeting. To facilitate open and candid discussion among the independent directors and enhance its ability to act independently of management, the Board will in the future meet in the absence of non-independent directors and members of management or may continue to excuse such persons from all or a portion of any meeting where a potential conflict of interest arises or where otherwise appropriate.

Orientation and Continuing Education

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Company has developed an orientation program for new directors but not a formal continuing education program for existing directors. Nevertheless, through discussions and meetings with other directors, officers and employees, new directors will be provided with a thorough description of the Company's business, properties, assets, operations and strategic plans and

objectives. Orientation activities continue to be tailored to the particular needs and experience of each director and the overall needs of the Board.

Ethical Business Conduct

As part of its responsibility for the stewardship of the Company, the Board seeks to foster a culture of ethical conduct by requiring the Company to carry out its business in line with high business and moral standards and applicable legal and financial requirements.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or an employee or consultant of the Company has a material interest, which include ensuring that such individuals are familiar with rules concerning reporting conflicts of interest and obtaining direction from the Board or a member of senior management of the Company regarding any potential conflicts of interest.

Nomination of Directors

In order to facilitate the process for the nomination of directors and identification of new candidates for appointment to the Board, the Board has established a nominating and corporate governance committee (the "**Nominating and Corporate Governance Committee**").

In collaboration with the Board, the Nominating and Corporate Governance Committee is responsible for the nomination of directors and identifying new candidates for appointment to the Board. In that regard, the Nominating and Corporate Governance Committee is also responsible for identifying the competencies and skills required for nominees to the Board, with a view to ensuring that the Board is comprised of directors with the necessary skills and experience to facilitate effective decision-making. In collaboration with the Board, the Nominating and Corporate Governance Committee may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

The Nominating and Corporate Governance Committee considers its size each year when it determines the number of directors to be nominated for election. The criteria for selecting new directors reflects the requirements of the listing standards of the Canadian Securities Exchange ("**CSE**") with respect to independence and the following factors:

- (i) the appropriate size of the Board;
- (ii) the needs of the Company with respect to the particular talents and experience of its directors;
- (iii) the personal and professional integrity of the candidate;
- (iv) the level of education and/or business experience of the candidate;
- (v) the broad-based business acumen of the candidate;
- (vi) the level of the candidate's understanding of the Company's business and the industry in which it operates and other industries relevant to the Company's business;
- (vii) the ability and willingness of the candidate to commit adequate time to the Board and committee matters;
- (viii) the fit of the individual's skills and personality with those of other directors and potential directors so that the Board is effective, collegial and responsive to the needs of LQID;
- (ix) the candidate's ability to think strategically and a willingness to share ideas; and

- (x) the diversity of experiences, expertise and background of the Board as a whole.

The Nominating and Corporate Governance Committee is presently comprised of Jeff Mesina, David Lucatch and Houssam Kawtharani. See "Board Committees" below.

Compensation

In order to facilitate the process for the determining the compensation of directors and executive officers of the Company, the Board has established a compensation committee (the "**Compensation Committee**").

In collaboration with the Board, the Compensation Committee is responsible for determining the compensation of directors and the Chief Executive Officer, and for reviewing the Chief Executive Officer's recommendations regarding compensation of the other executive officers of the Company. The Compensation Committee generally reviews compensation paid to directors and chief executive officers of companies of a similar size and stage of development and in the same or similar industries as the Company operates in, and determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and executive officers of the Company while taking into account the financial and other resources of the Company. No formal benchmarking has been established given the size and stage of the Company. In setting the compensation of the Chief Executive Officer, the Compensation Committee, in collaboration with the Board, will annually review the performance of the Chief Executive Officer and consider other factors which may have impacted the success of the Company in achieving its objectives. See "Statement of Director and Named Executive Officer Compensation - Oversight and Description of Director and Named Executive Officer Compensation – Compensation of Directors" for a discussion of compensation provided to the directors.

The Compensation Committee is presently comprised of Jeff Mesina, David Lucatch and Houssam Kawtharani.

For further details regarding the compensation of directors, as well as details regarding the Company's approach to the compensation of the Chief Executive Officer and other executive officers, see "Board Committees" and "Statement of Director and Named Executive Officer Compensation" below.

The Compensation Committee makes recommendations to the Board regarding the determination of the compensation of the directors and the Chief Executive Officer of the Company, and for reviewing the Chief Executive Officer's recommendations regarding compensation of the other executive officers of the Company. In addition, the Compensation Committee oversees all of the Company's compensation programs, pay administration, including reviewing and approving compensation adjustments for the CEO and executive officers and ensuring competitiveness of executive compensation, and other functions including oversight of executive and director stock ownership guidelines and director compensation. The Compensation Committee is currently comprised of Jeff Mesina, David Lucatch and Houssam Kawtharani.

The Nominating and Corporate Governance Committee is currently comprised of Jeff Mesina, David Lucatch and Houssam Kawtharani.

Assessments

The Board does not formally review the contributions of individual directors; however, it believes that its current size facilitates informal discussion and evaluation of members' contributions within that framework. All directors and/or committee members are free to make suggestions for improvement of the practice of the Board and/or its committees at any time and are encouraged to do so.

Oversight and Description of Director and Named Executive Officer Compensation

LQID's executive compensation program during the most recently completed financial year end December 31, 2020 was administered by the Board. The Board was solely responsible for determining the compensation to be paid to LQID's executive officers and evaluating their performance. The Board has not adopted any specific policies or objective for determining the amount or extent of compensation for directors or officers. LQID's "Named Executive Officers" are the Chief Executive Officer, the Chief Financial Officer and the former Chief Executive Officer and former Chief Financial Officer.

Significant Elements

The significant elements of compensation for the Named Executive Officers includes cash compensation and stock options. Other than the LQID Option Plan, the Company does not have any other long-term incentive plan for its Named Executive Officers. There is no policy or target regarding allocation between cash and non-cash elements of LQID's compensation program. The Board expects to annually review the total compensation package of each of LQID's executives on an individual basis.

Cash Salary

LQID's compensation payable to the Named Executive Officers, is based upon, among other things, the responsibility, skills and experience required to carry out the functions of each position held by each Named Executive Officer and varies with the amount of time spent by each Named Executive Officer in carrying out his or her functions on behalf of LQID.

Stock Options

The LQID Stock Option Plan is intended to emphasize management's commitment to the growth of the Company. The grant of stock options, as a key component of the executive compensation package, is intended to enable LQID to attract and retain qualified executives. Stock option grants are based on the total number of stock options available under the LQID Stock Option Plan. In granting stock options, the Board will review the total of stock options available under the LQID Stock Option Plan and recommend grants to newly retained executive officers at the time of their appointment, and consider recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding stock options held by an executive are taken into account when determining whether and how new stock option grants should be made to the executive. The exercise periods are to be set at the date of grant. The stock option grants may contain vesting provisions in accordance with the LQID Stock Option Plan.

Pension Disclosure

The Company does not have a pension plan and does not provide any pension plan benefits.

Any exercises of options will make new grants available under the Plan, effectively resulting in a 're-loading' of the number of options available for grant under the Plan.
- (c) The Corporation shall not, upon the exercise of any option, be required to issue or deliver any Shares prior to, as applicable, (i) the admission of such shares to listing on any stock exchange on which the Shares may then be listed, and (ii) the completion of such registration or other qualification of such Shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable. If any Shares cannot be issued to any optionee for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any Exercise Price paid to the Corporation shall be returned to the optionee.

5. ELIGIBILITY

Options shall be granted only to Eligible Persons or, with the approval of the Board, to any "Permitted Assign" of an Eligible Person. The Board shall have full and final authority to determine the persons who are to be granted options under the Plan and the number of Shares subject to each option.

6. LIMITS WITH RESPECT TO INVESTOR RELATIONS PERSONS

If, and so long as, the Corporation is listed on the CSE, the aggregate number of Shares issued or issuable to Persons providing "Investor Relations Activities" (as defined herein and in CSE policies) as compensation within a 12-month period, shall not exceed 1% of the total number of Shares then outstanding.

7. EXERCISE PRICE

- (a) The exercise price (the "**Exercise Price**") for the Shares under each option shall be determined by the Board and shall not be less than the fair market value of the Shares on the date of grant of the option (referred to herein as the "**market price**"). The "market price" of the Shares shall mean the prior trading day's closing price for the Shares on the stock exchange on which the majority of the trading in the Shares takes place, and where there is no such closing price or trade on the prior trading day, "market price" shall mean the average of the daily high and low board lot trading prices of the Shares on the stock exchange on which the majority of the trading in the Shares takes place for the five (5) immediately preceding trading days.
- (b) Notwithstanding the foregoing, in the event that Shares:
 - (i) are listed on the CSE, the Exercise Price shall not be lower than the greater of the closing market price of the Shares on (A) the trading day prior to the grant, and (B) the date of grant of the options;
 - (ii) are listed on the TSXV, the Exercise Price may be the market price less any discounts from the market price allowed by the TSXV, subject to the minimum exercise price allowed by the TSXV; and
 - (iii) are not listed on any exchange and do not trade on any dealing network, the market price will be determined by the Board.
- (c) In addition to any other regulatory approvals, and only if a reduction in the Exercise Price is permitted under applicable rules of the stock exchange on which the shares are listed, the approval of disinterested shareholders will be required for any reduction in the Exercise Price of a previously granted option to a related person of the Corporation.

8. TERM OF OPTIONS

- (a) Subject to the provisions of this Section 8 and Sections 10, 12 and 13 below, the period within which an option may be exercised shall be determined by the Board at the time of granting the options provided, however, that all options shall not be granted for a term exceeding ten years from the date of the option grant.
- (b) Notwithstanding the foregoing, in the event that the expiry date of an option falls within a trading blackout or similar restricted trading period imposed by the Corporation (a "**Blackout Period**"), and neither the Corporation nor the optionee is subject to a cease trade order in respect of the Corporation's securities, then the expiry date of such option

shall be automatically extended to the 10th business day following the end of the Blackout Period.

- (c) On the expiry date of any option granted under the Plan, and subject to any extension of such expiry date permitted in accordance with the Plan, such option hereby granted shall forthwith expire and terminate and be of no further force or effect whatsoever as to such of the optioned Shares in respect of which the option has not been exercised.

9. EXERCISE OF OPTIONS

Subject to the provisions of the Plan and the particular option, and subject to any regulations determined by the Board, an option may be exercised from time to time by delivering to the Corporation at its head office a written notice of exercise specifying the number of Shares with respect to which the option is being exercised (the "**Optioned Shares**") and accompanied by payment in cash or certified cheque for the full amount of the purchase price of the Shares then being purchased. Upon receipt of a certificate of an authorized officer directing the issue of Shares purchased under the Plan, the transfer agent is authorized and directed to issue and countersign share certificates or issue direct registration system advices ("**DRS Advices**") for the Optioned Shares in the name of such optionee or the optionee's legal personal representative or as may be directed in writing by the optionee's legal personal representative. Certificates or DRS Advices for such Optioned Shares shall be issued and delivered to the optionee within a reasonable time following the receipt of such notice and payment.

10. VESTING RESTRICTIONS

Options issued under the Plan may vest and become exercisable at the discretion of the Board provided that if required by any stock exchange on which the Shares trade options of a particular type or issued to a particular class of optionee shall vest in a manner that is compliant with the rules of such stock exchange. Any vesting restrictions shall be set out in written option agreement, substantially in the form attached hereto as Exhibit A.

11. EVIDENCE OF OPTIONS

Each option granted under the Plan shall be embodied in a written option agreement, substantially in the form attached hereto as Exhibit A, issued by the Corporation to the optionee which shall give effect to the provisions of the Plan.

12. TERMINATION; CESSATION OF PROVISION OF SERVICES

- (a) Subject to Section 13 below, if any optionee ceases to be an Eligible Person for any reason, other than as a result of having been dismissed for cause or as a result of the optionee's death, such optionee shall have the right for a period of 90 days (or until the normal expiry date of the option rights of such optionee, if earlier) from the date of ceasing to be an Eligible Person to exercise the options of such optionee, to the extent they were exercisable on the date of ceasing to be an Eligible Person, subject to extension by the Board to a maximum of one year with approval from the stock exchange on which the Shares trade, where required and if permitted. Upon the expiration of such 90-day (or up to one year) period all unexercised options of that optionee shall immediately become terminated and shall lapse notwithstanding the original term of option granted to such optionee under the Plan.
- (b) If an optionee ceases to be an Eligible Person as a result of having been dismissed from any such position for cause, all unexercised options of that optionee under the Plan shall immediately terminate and shall lapse, notwithstanding the original term of the option granted to such optionee under the Plan.

13. DEATH OF OPTIONEE

In the event of the death of an optionee during the currency of the optionee's option, the option theretofore granted to the optionee shall vest and be exercisable within, but only within, the period of one year next succeeding the optionee's death (unless such period is extended by the Board with approval from the stock exchange on which the Shares trade where required and if permitted) or until the normal expiry date of the option rights of such optionee, if earlier.

14. NON-ASSIGNABILITY AND NON-TRANSFERABILITY OF OPTION; TERMINATION OF OPTIONS

- (a) Options are personal to each optionee. An option granted under the Plan shall be non-assignable and non-transferable by an optionee otherwise than by will or by the laws of descent and distribution, and such option shall be exercisable, during an optionee's lifetime, only by the optionee. Subject to applicable laws and prior Board approval, transfers will be permitted to Permitted Assigns.
- (b) The Board may, with the consent of an optionee, cancel any outstanding option.

15. ADJUSTMENTS IN SHARES SUBJECT TO PLAN

- (a) In the event of a reorganization, recapitalization, stock split, stock dividend, combination of Shares, subdivision, merger, amalgamation, consolidation, recapitalization, rights offering or any other change in the capital, corporate structure or Shares:
 - (i) the aggregate number and kind of shares available under the Plan shall be appropriately adjusted; and
 - (ii) the Board will make, subject to any prior approval required of relevant stock exchanges or other applicable regulatory authorities, an appropriate substitution or adjustment in (A) the exercise price of any unexercised options under this Plan; (B) the number or kind of shares or other securities reserved for issuance pursuant to this Plan; and/or (iii) the number and kind of shares subject to unexercised options granted under this Plan (and that would be issued to an optionee on such exercise);

provided, however, that no substitution or adjustment will obligate the Corporation to issue or sell fractional Shares.

- (b) The options granted under the Plan may contain such provisions as the Board may determine with respect to adjustments to be made in the number and kind of shares covered by such options and in the Exercise Price in the event of any such change.
- (c) If there is a reduction in the Exercise Price of the options of a related person of the Corporation, other than as a result of the events in Section 15(a), the Corporation will be required to obtain approval from disinterested shareholders and any other applicable regulatory approvals.
- (d) In the event of the reorganization of the Corporation or the amalgamation, merger or consolidation of the Corporation with another Person, the Board may make such provision, including changes to the terms and conditions of outstanding options, for the protection of the rights of optionees as the Board in its discretion deems appropriate, including as set out in Section 16, but subject to any restrictions herein or of any applicable law or regulatory

authority. The determination of the Board, as to any adjustment or as to there being no need for adjustment, will be final and binding on all Eligible Persons and optionees.

16. ACCELERATION EVENTS

- (a) If at any time when an option granted under this Plan remains unexercised with respect to any Optioned Shares:
- (i) the Corporation seeks approval from its shareholders for a transaction which, if completed, would constitute an Acceleration Event; or
 - (ii) a third party makes a bona fide formal offer or proposal to the Corporation or its shareholders which, if accepted, would constitute an Acceleration Event,

the Corporation shall notify the optionee in writing of such transaction, offer or proposal as soon as practicable and, provided that the Board has determined that no adjustment shall be made pursuant to Section 15 hereof, (i) the Board may permit the optionee to exercise the option granted under this Plan, as to all or any of the Optioned Shares in respect of which such option has not previously been exercised (regardless of any vesting restrictions), during the period specified in the notice (but in no event later than the expiry date of the option), so that the optionee may participate in such transaction, offer or proposal; and (ii) the Board may accelerate the expiry time for the exercise of the said option and may also accelerate the time for the fulfilment of any conditions or restrictions on such exercise. For greater certainty, upon an Acceleration Event, optionees shall not be treated any more favourably than shareholders with respect to the consideration that the optionees may be entitled to receive for their Shares.

- (b) Further, the Board, in its sole discretion, may authorize and implement any one or more of the following additional courses of action in the event of an Acceleration Event:
- (i) The Board may terminate without any payment or other consideration, any options not exercised or surrendered by the effective time of the Acceleration Event.
 - (ii) The Board may cause the Corporation to offer to acquire from each optionee his or her options for a cash payment equal to the In-The-Money Amount, and any options not so surrendered or exercised by the effective time of the Acceleration Event will be deemed to have expired.
 - (iii) The Board may require or cause that an option granted under the Plan be exchanged for an option to acquire, for the same aggregate consideration, that number and type of securities as would be distributed to the optionee in respect of the Shares issued to the optionee had he or she exercised the option prior to the effective time of the Acceleration Event, provided that any such replacement option must provide that it survives for a period of not less than one year from the effective time of the Acceleration Event, regardless of the continuing directorship, officership or employment of the optionee. The exercise price for a substituted option following the Acceleration Event shall be the amount as the Board may determine as would provide the optionee with an equal economic result (assuming the optionee exercised the substituted option immediately after the Acceleration Event but not at any later time) as the optionee would have obtained had such optionee exercised the option immediately prior to the Acceleration Event.
- (c) For greater certainty, and notwithstanding anything else to the contrary contained in the Plan, the Board shall have the power, in its sole discretion, in connection with any Acceleration Event which may occur or has occurred, to make such arrangements as it

shall deem appropriate for the exercise of outstanding options including, without limitation, to take actions as contemplated above which shall be deemed a term of all options. If the Board exercises such power, the options shall be deemed to permit the exercise thereof in whole or in part by the optionee at any time or from time to time as determined by the Board prior to or in conjunction with completion of the Acceleration Event.

- (d) If the Board exercises its discretion to accelerate expiry dates and/or the vesting of any or all options, the Board may determine that any exercise will, until the completion of such Acceleration Event, be conditional. In such case, an optionee that wishes to exercise his or her options, must deliver an exercise notice together with the aggregate Exercise Price in the manner specified in this Plan, which will each be held in trust by the Corporation. If the Acceleration Event is completed at the time specified therein (as the same may be extended in accordance with applicable law), the exercise will be deemed to be unconditional and the aggregate Exercise Price will be applied to the purchase of shares, which shall be deemed to occur immediately prior to the completion of the Acceleration Event. If the Acceleration Event is not completed at the time specified therein (as the same may be extended in accordance with applicable law), the exercise notice and the aggregate exercise price will be returned to the optionee. The Board may make such other modifications to the Plan in order to facilitate the conditional exercise and participation by optionees in the Acceleration Event as may be necessary or advisable. If the Acceleration Event is not completed within the time specified therein (as the same may be extended in accordance with applicable law), the options that vested pursuant to this provision will be reinstated as unvested options and the original terms applicable to such options will apply.
- (e) No action taken by the Board under this Section 16 shall be considered an amendment to the terms of an option but shall be made pursuant to the terms of such options.

17. EMPLOYMENT

Nothing contained in the Plan shall confer upon any optionee any right with respect to employment or continuance of employment with the Corporation or any Related Entity, or interfere in any way with the right of the Corporation, or any Related Entity, to terminate the optionee's employment at any time. Participation in the Plan by an optionee is voluntary.

18. NO SHAREHOLDER RIGHTS PRIOR TO EXERCISE

An optionee shall have no rights whatsoever as a shareholder in respect of any of the Optioned Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Optioned Shares in respect of which the optionee shall have exercised the option to purchase hereunder and which the optionee shall have actually taken up and paid for, and continues to hold.

19. TAX MATTERS

The Corporation shall have the power and the right to deduct or withhold, or require an optionee to remit to the Corporation, the required amount to satisfy federal, provincial and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan, including the grant or exercise of any option granted under the Plan. With respect to any required withholding, the Corporation shall have the irrevocable right to, and the optionee consents to, the Corporation setting off any amounts required to be withheld, in whole or in part, against amounts otherwise owing by the Corporation to the optionee (whether arising pursuant to the optionee's relationship as a director, officer, employee or consultant of the Corporation or otherwise), or may make such other arrangements that are satisfactory to the optionee and the Corporation. In addition, the Corporation may elect, in its sole discretion, to satisfy the withholding requirement, in whole or in part, by withholding such number of Shares issuable upon exercise of the options as it determines are required to be sold by the Corporation, as trustee, to satisfy any withholding obligations net of selling costs. The optionee consents

to such sale and grants to the Corporation an irrevocable power of attorney to effect the sale of such Shares issuable upon exercise of the options and acknowledges and agrees that the Corporation does not accept responsibility for the price obtained on the sale of such Shares issuable upon exercise of the options

20. **AMENDMENT AND TERMINATION OF THE PLAN**

- (a) Subject to any requisite shareholder and regulatory approvals (including any applicable stock exchange approvals) including as set forth below, the Board may, from time to time, amend or revise the terms of the Plan or may discontinue the Plan at any time; provided, however, that no such right may, without the consent of the optionee, in any manner adversely affect his or her rights under any option theretofore granted under the Plan.
- (b) Subject to Sections 20(c) and 20(e) below, the Board may from time to time, in its sole discretion and without the approval of the shareholders or optionees make any amendments to this Plan and/or any options that it deems necessary or advisable, including without limitation:
 - (i) to the provisions of the Plan respecting the persons eligible to receive options;
 - (ii) to the terms or conditions of vesting applicable to any option;
 - (iii) to accelerate the expiry date or change the termination provisions of an option;
 - (iv) to the adjustment provisions of the Plan;
 - (v) to the Plan or any options as necessary to comply with, satisfy or address applicable laws or regulatory requirements;
 - (vi) of a “housekeeping” nature, including, without limitation, to clarify the meaning of an existing provision of the Plan, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan or correct any grammatical or typographical errors;
 - (vii) to the mechanics of exercise of the options;
 - (viii) respecting the administration of the Plan; and
 - (ix) any other amendment to the Plan or any options that does not require shareholder approval under the rules, regulations and policies of any applicable stock exchange.
- (c) Notwithstanding Section 20(b), approval of the shareholders of the Corporation will be required for amendments to:
 - (i) increase the percentage of Shares issuable under the Plan;
 - (ii) add any financial assistance provision to, or change the assignment and transferability provisions of, the Plan;
 - (iii) extend the expiry date of any option(s);
 - (iv) reduce the exercise price of any option(s) or otherwise effectively re-price any option(s) to a lower price;
 - (v) Section 20(b) or 20(c); or

- (vi) that otherwise require shareholder approval under applicable laws or the rules, regulations and policies of any applicable stock exchange.
- (d) In addition, any amendment to this Plan or any options that is adverse or detrimental to holders of existing options and is not required by applicable laws or regulations (as determined by the Board in its sole discretion) shall, unless it is consented to by such holders, only apply to options granted after the effective date of such amendment.
- (e) The Corporation shall additionally obtain requisite shareholders approval in respect of amendments to the Plan to the extent such approval is required by any applicable stock exchange or any applicable laws or regulations. Amendments that are not permitted by applicable law or any applicable stock exchange shall not be made.
- (f) If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by-law or regulation of any regulatory body or stock exchange having authority over the Corporation or the Plan then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

SECURITIES LAWS

Neither the options which may be granted pursuant to the provisions of the Plan nor the Shares which may be purchased pursuant to the exercise of options have been registered under the United States Securities Act of 1933 (the U.S. Act), or under any securities law of any state of the United States of America. Accordingly, any optionee who is a "U.S. person" or who is granted an option in a transaction which is otherwise subject to the U.S. Act or the securities laws of any state of the United States of America shall represent, warrant, acknowledge and agree in the agreement containing the option granted to the optionee that:

- (a) the optionee is acquiring the option and any Shares acquired upon the exercise of such Option as principal and for the sole account of the optionee;
- (b) in granting the Option and issuing the Shares to the optionee upon the exercise of such Option, the Corporation is relying on the representations and warranties of the optionee contained in the agreement relating to the option to support the conclusion of the Corporation that the granting of the option and the issue of Shares upon the exercise of such option do not require registration under the U.S. Act or to be qualified under the securities laws of any state of the United States of America;
- (c) each certificate representing Shares issued upon the exercise of such option shall bear the following legends:

"THE COMMON SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "U.S. SECURITIES ACT"), AND MAY BE OFFERED, SOLD OR OTHERWISE TRANSFERRED ONLY (A) TO THE CORPORATION, (B) OUTSIDE THE UNITED STATES IN ACCORDANCE WITH RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH ANY APPLICABLE STATE SECURITIES LAWS, OR (C) WITH THE PRIOR WRITTEN CONSENT OF THE CORPORATION, PURSUANT TO ANOTHER EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS."

"THE PRESENCE OF THIS LEGEND MAY IMPAIR THE ABILITY OF THE HOLDER HEREOF TO EFFECT GOOD DELIVERY OF THE COMMON SHARES REPRESENTED HEREBY ON A CANADIAN STOCK EXCHANGE.

A CERTIFICATE WITHOUT A LEGEND MAY BE OBTAINED FROM THE REGISTRAR AND TRANSFER AGENT FOR THE COMMON SHARES OF THE CORPORATION IN CONNECTION WITH A SALE OF THE COMMON SHARES REPRESENTED HEREBY UPON DELIVERY OF THIS CERTIFICATE AND AN EXECUTED DECLARATION BY THE SELLER, IN A FORM SATISFACTORY TO THE REGISTRAR AND TRANSFER AGENT AND THE CORPORATION, TO THE EFFECT THAT SUCH SALE IS BEING MADE IN ACCORDANCE WITH RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT.";

provided that if such Shares are being sold outside the United States of America in compliance with the requirements of Rule 904 of Regulation S under the U.S. Act the foregoing legends may be removed by providing a written declaration by the holder to the registrar and transfer agent for the Shares to the following effect:

"The undersigned (a) represents and warrants that the sale of the securities of Torino Power Solutions Inc. (the "**Corporation**") to which this declaration relates is being made in compliance with Rule 904 of Regulation S under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and (b) certifies that (1) the undersigned is not an affiliate of the Corporation as that term is defined in the U.S. Securities Act, (2) the offer of

such securities was not made to a person in the United States and either (a) at the time the buy order was originated, the buyer was outside the United States, or the undersigned and any person acting on behalf of the undersigned reasonably believe that the buyer was outside the United States (b) the transaction was executed on or through the facilities of [the Canadian Securities Exchange] and neither the undersigned nor any person acting on behalf of the undersigned knows that the transaction has been prearranged with a buyer in the United States, and (3) neither the undersigned nor any affiliate of the undersigned nor any person acting on any of their behalf has engaged or will engage in any directed selling efforts in the United States in connection with the offer and sale of such securities. Terms used herein have the meanings given to them by Regulation S under the U.S. Securities Act.”;

- (d) other than as contemplated by subsection (c) hereof, prior to making any disposition of any Shares acquired pursuant to the exercise of such option which might be subject to the requirements of the U.S. Act, the optionee shall give written notice to the Corporation describing the manner of the proposed disposition and containing such other information as is necessary to enable counsel for the Corporation to determine whether registration under the U.S. Act or qualification under any securities laws of any state of the United States of America is required in connection with the proposed disposition and whether the proposed disposition is otherwise in compliance with such legislation and the regulations thereto;
- (e) other than as contemplated by subsection (c) hereof, the optionee will not attempt to effect any disposition of the Shares owned by the optionee and acquired pursuant to the exercise of such option or of any interest therein which might be subject to the requirements of the U.S. Act in the absence of an effective registration statement relating thereto under the U.S. Act or an opinion of counsel satisfactory in form and substance to counsel for the Corporation that such disposition would not constitute a violation of the U.S. Act or any securities laws of any state of the United States of America and then will only dispose of such Shares in the manner so proposed; and
- (f) the effect of these restrictions on the disposition of the Shares acquired by the optionee pursuant to the exercise of such option is such that the optionee may not be able to sell or otherwise dispose of such Shares for a considerable length of time in a transaction which is subject to the provisions of the U.S. Act other than as contemplated above.

US TAXATION

Notwithstanding any provision of the Plan to the contrary, the exercise price of the Shares subject to options awarded to Participants who are subject to taxation within the United States of America (“**US Participants**”) will not be less than the Fair Market Value of the Shares on the date the option is granted. For purposes of this provision, “Fair Market Value” means, at any date in respect of the Shares, (i) the closing price of the Shares as reported by the stock exchange on the last trading day immediately preceding such date, or (ii) if the Shares are not listed on any stock exchange, the fair market value as determined by the Board, which in either case will be determined in a manner compliant with United States Treasury Regulation Section 1.409A - 1(b)(iv)(B).

Options granted to US Participants under the Plan are intended to be exempt from the application of U.S. Internal Revenue Code Section 409A. Therefore, any options granted to a US Participant will be construed and administered in a manner to preserve the exemption from application of U.S. Internal Revenue Code Section 409A.
