The following applies to shareholders who wish to appoint a person (a "third party proxyholder") other than the management nominees set forth in the form of proxy or voting instruction form as proxyholder, including beneficial shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

The persons named in the enclosed form of proxy are officers and/or directors of the Company. Shareholders who wish to appoint a third party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares **MUST** submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder **AND** register the third party proxyholder, as described below. Registering your proxyholder is an additional step to be completed **AFTER** you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to attend, participate or vote at the Meeting.

Step 1: Submit your proxy or voting instruction form: To appoint a third party proxyholder, insert such person's name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you are a beneficial shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder. See below under this section for additional details.

Step 2: Register your proxyholder: To register a proxyholder, shareholders **MUST** send an email to appointee@odysseytrust.com by 10:00am (ET) on June 23, 2022 and provide Odyssey with the required proxyholder contact information, amount of shares appointed, name in which the shares are registered if they are a registered shareholder, or name of broker where the shares are held if a beneficial shareholder, so that Odyssey may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a beneficial shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary **AND** register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading "How do I attend and participate at the Meeting?"

The persons named in the form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of all the matters and resolutions described below. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting.** As at the date hereof, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the

Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

A proxy will not be valid unless it is signed by the Registered Shareholder, or by the Registered Shareholder's attorney with proof that they are authorized to sign. If you represent a Registered Shareholder that is a corporation, your proxy should have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. If you execute a proxy as an attorney for an individual registered Shareholder, or as an officer or attorney of a Registered Shareholder that is a corporation, you must include the original or notarized copy of the written authorization for the officer or attorney with your proxy form.

Follow the instructions from your intermediary included with the legal proxy form and the voting information form sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. If you have any questions respecting the voting of Common Shares held through a broker or other Intermediary, please contact the broker or other Intermediary for assistance.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below, in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

The Board of Directors

Pursuant to National Instrument 52-110 – *Audit Committees ("NI 52-110")*, a director is considered independent if he or she has no direct or indirect material relationship with the Company that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. NI 52-110 sets out certain situations where a director is deemed to have a material relationship with the Company.

The Board is currently comprised of five directors, three of whom are independent within the meaning of NI 52-110. Messrs. Hollerbach and Mesina and Ms. Enescu are independent directors. Mr. Lucatch presently is CEO and President of the Company and is not considered independent. Mr. Reiser presently is Chief Business Development Officer of the Company and is not considered independent.

Other Public Company Directorships

None.

Independence of the Board

The independent directors did not hold any separate regularly scheduled meetings during the fiscal year ended December 31, 2021, at which non-independent directors and members of management were not in attendance. The Board also regularly holds "in-camera" sessions after each board meeting. To facilitate open and candid discussion among the independent directors and enhance its ability to act independently of management, the Board will in the future meet in the absence of non-independent directors and members of management or may continue to excuse such persons from all or a portion of any meeting where a potential conflict of interest arises or where otherwise appropriate.

Orientation and Continuing Education

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Company has developed an orientation program for new directors but not a formal continuing education program for existing directors. Nevertheless, through discussions and meetings with other directors, officers and employees, new directors will be provided with a thorough description of the Company's business, properties, assets, operations and strategic plans and objectives. Orientation activities continue to be tailored to the particular needs and experience of each director and the overall needs of the Board.

Ethical Business Conduct

As part of its responsibility for the stewardship of the Company, the Board seeks to foster a culture of ethical conduct by requiring the Company to carry out its business in line with high business and moral standards and applicable legal and financial requirements.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or an employee or consultant of the Company has a material interest, which include ensuring that such individuals are familiar with rules concerning reporting conflicts of interest and obtaining direction from the Board or a member of senior management of the Company regarding any potential conflicts of interest.

Nomination of Directors

In order to facilitate the process for the nomination of directors and identification of new candidates for appointment to the Board, the Board has established a nominating and corporate governance committee (the "**Nominating and Corporate Governance Committee**").

In collaboration with the Board, the Nominating and Corporate Governance Committee is responsible for the nomination of directors and identifying new candidates for appointment to the Board. In that regard, the Nominating and Corporate Governance Committee is also responsible for identifying the competencies and skills required for nominees to the Board, with a view to ensuring that the Board is comprised of directors with the necessary skills and experience to facilitate effective decision-making. In collaboration with the Board, the Nominating and Corporate Governance Committee may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

The Nominating and Corporate Governance Committee considers its size each year when it determines the number of directors to be nominated for election. The criteria for selecting new directors reflects the requirements of the listing standards of the Canadian Securities Exchange ("**CSE**") with respect to independence and the following factors:

- (i) the appropriate size of the Board;
- (ii) the needs of the Company with respect to the particular talents and experience of its directors;
- (iii) the personal and professional integrity of the candidate;
- (iv) the level of education and/or business experience of the candidate;
- (v) the broad-based business acumen of the candidate;
- (vi) the level of the candidate's understanding of the Company's business and the industry in which it operates and other industries relevant to the Company's business;
- (vii) the ability and willingness of the candidate to commit adequate time to the Board and committee matters;
- (viii) the fit of the individual's skills and personality with those of other directors and potential directors so that the Board is effective, collegial and responsive to the needs of LQID;
- (ix) the candidate's ability to think strategically and a willingness to share ideas; and
- (x) the diversity of experiences, expertise and background of the Board as a whole.

The Nominating and Corporate Governance Committee is presently comprised of Andra Enescu, Jeff Mesina and David Lucatch. See "Board Committees" below.

Compensation

In order to facilitate the process for the determining the compensation of directors and executive officers of the Company, the Board has established a compensation committee (the "**Compensation Committee**").

In collaboration with the Board, the Compensation Committee is responsible for determining the compensation of directors and the Chief Executive Officer, and for reviewing the Chief Executive Officer's recommendations regarding compensation of the other executive officers of the Company. The Compensation Committee generally reviews compensation paid to directors and chief executive officers of companies of a similar size and stage of development and in the same or similar industries as the Company operates in and determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and executive officers of the Company while taking into account the financial and other resources of the Company. No formal benchmarking has been established given the size and stage of the Company. In setting the compensation of the Chief Executive Officer, the Compensation Committee, in collaboration with the Board, will annually review the performance of the Chief Executive Officer and consider other factors which may have impacted the success of the Company in achieving its objectives. See "Statement of Director and Named Executive Officer Compensation - Oversight and Description of Director and Named Executive Officer Compensation – Compensation of Directors" for a discussion of compensation provided to the directors.

The Compensation Committee is presently comprised of Jeff Mesina, David Lucatch, Andra Enescu and Steven Hollerbach.

For further details regarding the compensation of directors, as well as details regarding the Company's approach to the compensation of the Chief Executive Officer and other executive officers, see "Board Committees" and "Statement of Director and Named Executive Officer Compensation" below.

Board Committees

The Board has established the Audit Committee to assist it in carrying out its mandate. The Audit Committee is currently comprised of Andra Enescu, Jeff Mesina and David Lucatch.

The Compensation Committee makes recommendations to the Board regarding the determination of the compensation of the directors and the Chief Executive Officer of the Company, and for reviewing the Chief Executive Officer's recommendations regarding compensation of the other executive officers of the Company. In addition, the Compensation Committee oversees all of the Company's compensation programs, pay administration, including reviewing and approving compensation adjustments for the CEO and executive officers and ensuring competitiveness of executive compensation, and other functions including oversight of executive and director stock ownership guidelines and director compensation. The Compensation Committee is currently comprised of Jeff Mesina, David Lucatch, Andra Enescu and Steven Hollerbach.

The Nominating and Corporate Governance Committee is responsible for identifying, evaluating and recommending Board candidates, evaluating Board structure and organization and reviewing and monitoring corporate governance policies and procedures. The Nominating and Corporate Governance Committee is currently comprised of Jeff Mesina, David Lucatch and Andra Enescu.

Assessments

The Board does not formally review the contributions of individual directors; however, it believes that its current size facilitates informal discussion and evaluation of members' contributions within that framework. All directors and/or committee members are free to make suggestions for improvement of the practice of the Board and/or its committees at any time and are encouraged to do so.

Stock Options

The Option Plan is intended to emphasize management's commitment to the growth of the Company. The grant of stock options, as a key component of the executive compensation package, is intended to enable LQID to attract and retain qualified executives. Stock option grants are based on the total number of stock options available under the Option Plan. In granting stock options, the Board will review the total of stock options available under the Option Plan and recommend grants to newly retained executive officers at the time of their appointment, and consider recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding stock options held by an executive are taken into account when determining whether and how new stock option grants should be made to the executive.
