

SpotLite360 Closes Private Placement

DENVER, CO and VANCOUVER, BC - February 22, 2022, SPOTLITE360 IOT SOLUTIONS, INC. ("SpotLite360" or the "Company") (CSE: LITE) (OTC: SPLTF) (Frankfurt: 87A) is pleased to announce it has closed a non-brokered private placement (the "Private Placement") and issued 17,640,725 units ("Units") of the Company at a price of \$0.10 per Unit for gross proceeds of \$1,764,072.50. Each Unit consists of one common share (each a "Share") and one-half of one transferable Share purchase warrant (with two half warrants being a "Warrant"). Each whole Warrant shall entitle the holder thereof to purchase one additional Share at a price of \$0.15 per Share for a period of thirty-six (36) months from the date of issuance.

In connection with the Private Placement, the Company has paid cash finder's fees of \$85,350 and it has issued 853,800 Warrants on the same terms as noted above to qualified parties.

The Company intends to use the net proceeds from the Private Placement for general working capital purposes and the contemplated acquisition of E3 Service Group, LLC (please refer to the news release dated [November 15, 2021](#) for further details on the executed non-binding letter of intent).

All securities issued are subject to a statutory four month and one day hold period that expires on June 23, 2022.

None of the securities issued in connection with the Private Placement will be registered under the *United States Securities Act of 1933*, as amended (the "1933 Act"), and none of them will be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act. This news release shall not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of the securities in any state where such offer, solicitation, or sale would be unlawful.

On behalf of the Board of Directors of the Company,

SpotLite360 IOT Solutions, Inc.

About SpotLite360 IOT Solutions, Inc.

SpotLite360 is a logistics technologies solutions provider unlocking value, opportunities, and efficiencies for all participants in a supply chain. Building upon existing applications of IoT technologies, distributed ledgers, and machine learning, SpotLite360 endeavours to set new standards of transparency, integrity, and sustainability in the pharmaceutical, healthcare, and agriculture industries. As regulators across the globe begin to impose new tracing and accountability requirements for the protection of consumers (*e.g.*, DSCSA and FSMA from the U.S. Food and Drug Administration), the need for reliable, cost-effective, and versatile tracking technology is expected to grow considerably. SpotLite360’s flagship SaaS solution has been engineered to seamlessly track the movement of a product by integrating with systems of all major stakeholders in a supply chain ranging from the raw materials to the hands of the end consumer. With a primary objective of onboarding new clients in 2021, SpotLite360 plans to explore innovative use cases for its proprietary stack of technologies which could transform logistics workflows in some of the world’s largest industries.

Forward-Looking Statements

This news release contains “forward-looking information” within the meaning of applicable Canadian securities legislation, with respect to the Company. The forward-looking information included in this news release is not based on historical facts, but rather on the expectations of the Company’s management regarding the future growth of the Resulting Issuer, its results of operations, performance, business prospects, and opportunities. This news release uses words such as “will”, “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates”, or similar expressions to identify forward-looking information. Such forward-looking information reflects the current beliefs of the Company’s management, based on information currently available to them.

This forward-looking information includes, among other things, statements relating to: the proposed acquisition of E3, the intentions, plans and future actions of the Company; statements relating to the business and future activities of the Company; anticipated developments in operations of the Company; market position, ability to compete, and future financial or operating performance of the Company; the timing and amount of funding required to execute the business plans of the Company; capital expenditures of the Company; the effect on the Company, of any changes to existing or new legislation or policy or government regulation; the length of time required to obtain permits, certifications and approvals; the availability of labour; estimated budgets; currency fluctuations; requirements for additional capital; limitations on

insurance coverage; the timing and possible outcome of regulatory and permitting matters; goals; strategies; future growth; the adequacy of financial resources; our expectations regarding revenues, expenses and anticipated cash needs.

In addition, any statements that refer to expectations, intentions, projections or other characterizations of future events or circumstances contain forward-looking information. Forward-looking statements are based on certain assumptions and analyses made by the Company in light of the experience and perception of historical trends, current conditions, and expected future developments and other factors it believes are appropriate, and are subject to risks and uncertainties. Although the Company believes that the assumptions underlying these statements are reasonable, they may prove to be incorrect, and there can be no assurance that actual results will be consistent with these forward-looking statements. Given these risks, uncertainties, and assumptions, prospective investors should not place undue reliance on these forward-looking statements. Whether actual results, performance, or achievements will conform to the expectations and predictions of the Company is subject to a number of known and unknown risks, uncertainties, assumptions, and other factors, including those listed in the Company's non-offering prospectus dated May 26, 2021.

If any of these risks or uncertainties materialize, or if assumptions underlying the forward-looking statements prove incorrect, actual results might vary materially from those anticipated in the forward-looking statements. Information contained in forward-looking statements in this news release is provided as of the date of this news release, and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information or future events or results, except to the extent required by applicable securities laws. Accordingly, potential investors should not place undue reliance on forward-looking statements or the information contained in those statements.

All of the forward-looking information contained in this news release is expressly qualified by the foregoing cautionary statements.
