

SpotLite360 IOT Solutions Inc. Announces Plans to Expand in Multiple States

DENVER and VANCOUVER, April 7, 2022, SPOTLITE360 IOT SOLUTIONS, INC, (“SpotLite360” or the “Company”) (CSE: LITE) (OTC: SPLTF) (Frankfurt:87A) announces that its expansion plans will include the opening of branch offices in multiple U.S. States in order to more effectively support local customer opportunities within those states. With this announcement, offices will be opened in Oklahoma and Arizona in the near future with office in at least three more states anticipated to be opened within fiscal year 2022. Each office will be scaled as current customer opportunities within these target states materialize into signed engagements with the Company.

Bryson Guyer, founder of E3 Service Group and now an executive of SpotLite360, states, “We knew our customer first culture would drive the need to have technical support and local professionals in the states within which we operate. The time is now to partner with our clients for new implementations, process automation, proactive maintenance and support. Capturing real-time data from IOT enabled devices allows us to make near real-time decisions, resulting in business process efficiencies and increased profitability for our customers .”

SpotLite360 is building a broad portfolio of technology solutions to help customers manage pain points throughout the entire supply chain partner ecosystem. The need for tracing, tracking, visibility, proof of Sustainability initiatives and validation of ESG claims is changing the operating behavior across all industries and is necessary in order for supply chain participants to deliver the level of transparency, collaboration and trust that the industry is now demanding.

On behalf of the Board of Directors of the Company,

SpotLite360 IOT Solutions, Inc.

About SpotLite360 IOT Solutions, Inc.

SpotLite360 is a logistics technologies solutions provider unlocking value, opportunities, and efficiencies for all participants in a supply chain. Building upon existing applications of IoT technologies, distributed ledgers, and machine learning, SpotLite360 endeavors to set new standards of transparency, integrity, and sustainability in the pharmaceutical, healthcare, and agriculture industries. As regulators across the globe begin to impose new tracing and accountability requirements for the protection of consumers (e.g., DSCSA and FSMA from the U.S. Food and Drug Administration), the need for reliable, cost-effective, and versatile tracking technology is expected to grow considerably. SpotLite360’s flagship SaaS solution has been engineered to seamlessly track the movement of a product by integrating with systems of all major stakeholders in a supply chain ranging from the raw materials to the hands of the end consumer. With a primary objective of onboarding new clients in 2021, SpotLite360 plans to explore innovative use cases for its proprietary stack of technologies which could transform logistics workflows in some of the world’s largest industries.

Forward-Looking Statements

This news release contains “forward-looking information” within the meaning of applicable Canadian securities legislation, with respect to the Company. The forward-looking information included in this news release is not based on historical facts, but rather on the expectations of the Company’s management regarding the future growth of the Resulting Issuer, its results of operations, performance, business prospects, and opportunities. This news release uses words such as “will”, “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates”, or similar expressions to identify forward-looking information.
