INFORMATION CIRCULAR
March 16, 2016

INTRODUCTION

This Information Circular accompanies the Notice of Annual General and Special Meeting (the “**Notice**”) and is furnished to shareholders holding common shares in the capital of Nuran Wireless Inc. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the shareholders to be held at 10:00 a.m. (Eastern Standard Time) on Friday, April 22, 2016, at the offices of #2150 Cyrille-Duquet Street, Quebec City, Quebec or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is March 16, 2016. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or internet or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The form of proxy accompanying this Information Circular is being solicited by management of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of March 16, 2016 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**") in accordance with the instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of Quebec) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the Chairman of the Meeting on the date of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND THE AUDITOR AND THEIR REMUNERATION.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder’s name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of common shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the common shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote common shares directly at the Meeting - the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its common shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her common shares. Management of the Company does not intend to pay for intermediaries to forward to those who object to their name being made known to the issuers of securities which they own (called “OBOs” for Objecting Beneficial Owners) under National Instrument 54-101 — Communications with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators the Meeting materials, and that in the case of an OBO, the OBO will not receive the Meeting materials unless the OBO’s intermediary assumes the cost of delivery.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associates or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, the appointment of auditors and approval of the Company's Stock Option Plan.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value. As of the Record Date, determined by the Company's board of directors (the "Board") to be the close of business on March 16, 2016, a total of 40,471,870 common shares were issued and outstanding. Each common share carries the right to one vote at the Meeting.

Only registered shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors or executive officers of the Company, no person or company beneficially owns, or controls or directs, directly or indirectly, common shares carrying 10% or more of the voting rights attached to the outstanding common shares of the Company, other than as set forth below:

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three (3) directors and no greater than a number as fixed or changed from time to time by majority approval of the shareholders.

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at three (3). Management recommends the approval of the resolution to set the number of directors of the Company at three (3).

Employment, Consulting and Management Agreements

For the year ended October 31, 2015, other than described above, the Company does not have any employment, consulting or management agreements or arrangements with any of the current NEOs or directors.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development.

All tasks related to developing and monitoring the Company's approach to the compensation of its NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objectives of improving overall corporate performance and creating long-term value for the shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company.

The Company's current compensation program is comprised of three major components: base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Pension Benefits

The Company does not have a pension benefit arrangement under which the Company have made payments to the directors and or Named Executive Officers of the Company during its fiscal year ended October 31, 2015 or intends to make payments to the Company's directors or Named Executive Officers upon their retirement (other than the payments set out above and those made, if any, pursuant to the Canada Pension Plan or any government plan similar to it).

3.2 Rolling Maximum Number of Plan Shares. The aggregate number of Plan Shares reserved for issuance under the Plan, including any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Common Shares of the Company (calculated on a non-diluted basis) at the time an Option is granted. - 3.8 Acceleration of Unvested Options. If there is a takeover bid made for all or any of the outstanding Common Shares, then all outstanding Options, whether fully vested and exercisable or remaining subject to vesting provisions or other limitations on exercise, shall be exercisable in full to enable the Optioned Shares subject to such Options to be issued and tendered to such bid.

 - (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do;
 - (e) determine the terms, limitations, restrictions and conditions respecting each grant of Options; and
 - (f) may in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Eligible Persons (before a particular Option is granted) subject to the other terms hereof.
- 3.10 Terms Requiring Disinterested Shareholder Approval. If the Common Shares are listed on an Exchange and if required by the Exchange Policies, the Company will obtain Disinterested Shareholder Approval of Options if the Plan, together with any other Share Compensation Arrangement, could result at any time in:
- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the issued Common Shares of the Company;

- (b) the grant to Insiders, within a 12-month period, of options exceeding 10% of the issued Common Shares of the Company; or

4. TERMS AND CONDITIONS OF OPTIONS

4.1 Exercise Price. The Board shall establish the Exercise Price at the time each Option is granted, subject to the following conditions:

- (a) if the Common Shares are listed on the Exchange, then the Exercise Price for the Options granted then will not be less than the minimum prevailing price permitted by the Exchange Policies;
- (b) if the Common Shares are not listed, posted and trading on any Exchange or bulletin board, then the Exercise Price for the Options granted will be determined by the Board at the time of granting;
- (c) if an Option is granted within 90 calendar days of a Distribution by a prospectus, the Exercise Price will not be less than the price that is the greater of the minimum prevailing price permitted by the Exchange policies and the per share price paid by the public investors for shares acquired under the Distribution by the prospectus, with the 90 day period beginning on the date a final receipt is issued for the prospectus; and
- (d) in all other cases, the Exercise Price shall be determined in accordance with the rules and regulations of any applicable regulatory bodies.

The Exercise Price shall be subject to adjustment in accordance with the provisions of subsection 4.8.

- (a) the Option will expire upon the occurrence of any event set out in subsection 4.7 and at the time period set out therein; and
- (b) an Option can be exercisable for a maximum 10 years from the Grant Date or such shorter period as may be required under Applicable Securities Laws or any applicable Exchange Policies.

 - (b) Term. The term of an Option cannot be extended so that the effective term of the Option exceeds ten (10) years in total. If the Common Shares are traded on an Exchange, an option must be outstanding for the minimum period required by the Exchange before the Company can extend its term and the Exchange treats any extension of the length of the term of the Option as a grant of a new Option, which must comply with pricing and other requirements of this Plan.
 - (c) Exchange Approval. If the Common Shares of the Company are listed on an Exchange, any proposed amendment to the terms of an Option must, if required under Exchange Policies, be approved by such Exchange prior to the exercise of such Option as amended.
- 4.7 Termination of Option. The Option will terminate in the following circumstances:
- (a) Termination of Services For Cause. If the engagement of the Optionee as a Director, Officer, Employee or Consultant is terminated for cause any Option granted hereunder to such Optionee shall terminate and cease to be exercisable immediately upon the Optionee ceasing to be a Director, Officer, Employee or Consultant by reason of termination for cause.
 - (b) Termination of Services Without Cause or Upon Resignation. If the engagement of the Optionee as a Director, Officer, Employee or Consultant of the Company is terminated as a result of such Director, Officer, Employee or Consultant's resignation or for any reason other than cause, disability or death, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 90 calendar days after the effective date of the Optionee ceasing to be a Director, Officer, Employee or Consultant for that other reason or such other date as may be determined by the Board and set out in the Option Agreement.
 - (c) Investor Relations. Notwithstanding paragraph 4.7(b), if the Optionee is a Consultant engaged in Investor Relations Activities and the engagement of the Optionee as a Consultant is terminated for any reason other than cause, resignation, disability or death, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 30 calendar days after the effective date of the Optionee ceasing to be a Consultant for that other reason.
 - (d) Death. If the Optionee dies, the Optionee's lawful personal representatives, heirs or executors may exercise any Option granted hereunder to the Optionee to the extent such Option was exercisable and had vested on the date of death until the earlier of (i) the Expiry Date, and (ii) one year after the date of death of such Optionee.

- (e) Disability. If the Optionee ceases to be an Eligible Person, due to his Disability, or, in the case of an Optionee that is a company, the Disability of the person who provides management or consulting services to the Company or to an Affiliate of the Company, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of Disability until the earlier of (i) the Expiry Date, and (ii) the date that is one year after the date of Disability.
- (f) Changes in Status of Eligible Person. If the Optionee ceases to be one type of Eligible Person but concurrently is or becomes one or more other type of Eligible Person, the Option will not terminate but will continue in full force and effect and the Optionee may exercise the Option until the earlier of (i) the Expiry Date, and (ii) the applicable date set forth in paragraphs 4.7(a) to 4.7(e) above where the Optionee ceases to be any type of Eligible Person. If the Optionee is an Employee, the Option will not be affected by any change of the Optionee's employment where the Optionee continues to be employed by the Company or an Affiliate of the Company.

4.8 Adjustment of the Number of Optioned Shares. The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) Following the date an Option is granted, the exercise price for and the number of Optioned Shares which are subject to an Option will be adjusted, with respect to the then unexercised portion thereof, in the events and in accordance with the provisions and rules set out in this subsection 4.8, with the intent that the rights of Optionees under their Options are, to the extent possible, preserved and maintained notwithstanding the occurrence of such events. Any dispute that arises at any time with respect to any adjustment pursuant to such provisions and rules will be conclusively determined by the Board, and any such determination will be binding on the Company, the Optionee and all other affected parties.
- (b) If there is a change in the outstanding Common Shares by reason of any share consolidation or split, reclassification or other capital reorganization, or a stock dividend, arrangement, amalgamation, merger or combination, or any other change to, event affecting, exchange of or corporate change or transaction affecting the Common Shares, the Board shall make, as it shall deem advisable and subject to the requisite approval of the relevant regulatory authorities, appropriate substitution and/or adjustment in:
 - (i) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to this Plan;
 - (ii) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to any outstanding unexercised Options, and in the exercise price for such shares or other securities or property; and
 - (iii) the vesting of any Options, including the accelerated vesting thereof on conditions the Board deems advisable, and if the Company undertakes an arrangement or is amalgamated, merged or combined with another corporation, the Board shall make such provision for the protection of the rights of Optionees as it shall deem advisable.
- (c) If the outstanding Common Shares are changed into or exchanged for a different number of shares or into or for other securities of the Company or securities of another Company or entity, in a manner other than as specified in paragraph 4.8(b), then the Board, in its sole discretion, may make such adjustment to the securities to be issued pursuant to any exercise of the Option and the exercise price to be paid for each such security following such event as the Board in its sole and absolute discretion determines to be equitable to give effect to the principle described

in paragraph 4.8(a), and such adjustments shall be effective and binding upon the Company and the Optionee for all purposes.

- (d) No adjustment provided in this subsection 4.8 shall require the Company to issue a fractional share and the total adjustment with respect to each Option shall be limited accordingly.
- (e) The grant or existence of an Option shall not in any way limit or restrict the right or power of the Company to effect adjustments, reclassifications, reorganizations, arrangements or changes of its capital or business structure, or to amalgamate, merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

5. COMMITMENT AND EXERCISE PROCEDURES

5.1 Option Agreement. Upon grant of an Option hereunder, an authorized director or officer of the Company will deliver to the Optionee an Option Agreement detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

- (b) cash, a certified cheque or a bank draft payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired.

5.3 Subsequent Exercises. If an Optionee exercises only a portion of the total number of his Options, then the Optionee may, from time to time, subsequently exercise all or part of the remaining Options until the Expiry Date.

5.4 Delivery of Certificate and Hold Periods. As soon as practicable after receipt of the Notice of Exercise described in subsection 5.2 and payment in full for the Optioned Shares being acquired, the Company will or will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws and Exchange Policies.

6. AMENDMENTS

6.1 Amendment of the Plan. The Board reserves the right, in its absolute discretion, to at any time amend, modify or terminate the Plan with respect to all Common Shares in respect of Options which have not yet been granted hereunder. Any amendment to any provision of the Plan will be subject to shareholder approval, if required under Applicable Securities Laws and/or Exchange Policies, and any necessary Regulatory Approvals. If this Plan is suspended or terminated, the provisions of this Plan and any administrative guidelines, rules and regulations relating to this Plan shall continue in effect for the duration of such time as any Option remains outstanding.

6.2 Amendment of Outstanding Options. The Board may amend the terms of any Option previously granted by the Company with the consent of the affected Optionee subject to compliance with Applicable Securities Laws and the Exchange on which the Company's Common Shares are listed, if required, including any shareholder approval required by such Exchange. For greater certainty, Disinterested Shareholder Approval is required by the Exchange for any reduction in the exercise price of an Option if the Participant is an Insider at the time of the proposed amendment.

6.3 Amendment Subject to Approval. If the amendment of an Option requires shareholder or Regulatory Approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

7. FINANCIAL ASSISTANCE

7.1 The Company is authorized, in its sole discretion, to provide financial assistance to Optionees to purchase Optioned Shares under this Plan, subject to applicable laws and the rules and policies of any securities regulatory authority, stock exchange or quotation system with jurisdiction over the Company or a trade in securities of the Company. Any financial assistance so provided will be repayable with full recourse and the term of any such financing shall not exceed the term of the Option to which the financing applies.

8. GENERAL

8.1 Exclusion from Severance Allowance. Retirement Allowance or Termination Settlement. If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Optioned Shares, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

8.2 Employment and Services. Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

8.3 No Rights as Shareholder. Nothing contained in this Plan nor in any Option granted thereunder shall be deemed to give any Optionee any interest or title in or to any Common Shares of the Company or any rights as a shareholder of the Company or any other legal or equitable right against the Company whatsoever other than as set forth in this Plan and pursuant to the exercise of any Option in accordance with the provisions of the Plan and the Option Agreement.

8.4 Withholding. The Company may withhold from any amount payable to an Optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Company to comply with the applicable requirements of any federal, provincial, local or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options ("**Withholding Obligations**"). The Company may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Company may determine in its discretion, by:

- (a) requiring an Optionee, as a condition to the exercise of any Options, to make such arrangements as the Company may require so that the Company can satisfy such Withholding Obligations including, without limitation, requiring the Optionee to remit to the Company in advance, or reimburse the Company for, any such Withholding Obligations; or
- (b) selling on the Optionee's behalf, or requiring the Optionee to sell, any Optioned Shares acquired by the Optionee under the Plan, or retaining any amount which would otherwise be payable to the Optionee in connection with any such sale.

8.5 No Representation or Warranty. The Company makes no representation or warranty as to the future market value of Optioned Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Optioned Shares

issuable thereunder or the tax consequences to a Optionee. Compliance with applicable securities laws as to the disclosure and resale obligations of each Optionee is the responsibility of such Optionee and not the Company.

- 8.6 Other Arrangements. Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required approval.
- 8.7 No Fettering of Discretion. The awarding of Options under this Plan is a matter to be determined solely in the discretion of the Board. This Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Common Shares or any other securities in the capital of the Company or any of its Affiliates other than as specifically provided for in this Plan.

10.  - (d) the Optionee is not a U.S. person as such term is defined in Regulation S promulgated under the United States Securities Act of 1933.
12. The Optionee hereby covenants and agrees with the Company that the Optionee will execute and deliver any documents and instruments and provide any information as may be reasonably requested by the Company, from time to time, to establish the availability of exemptions from prospectus and registration requirements and to comply with any applicable securities legislation and Exchange Policies, including without limitation those provisions of any applicable securities legislation and Exchange Policies relating to escrow requirements.
