

NuRAN Wireless Inc. Corporate Update and New Appointment

Quebec, QC, Canada / TheNewswire / December 14th, 2017 – NuRAN Wireless Inc. (CSE: NUR) (OTC: NRRWF) is pleased to announce that the Board of Directors has appointed Maxime Dumas and Thierry Cases to the Board.

Thierry Cases joined Nutaq, now a wholly owned subsidiary of NuRAN Wireless, in 2001. He held several positions at Nutaq over the years including, Product Division Director, Special Project Manager, Software Product and Project Manager and Technical Support Manager. Thierry is currently the Vice President of Operations and Research & Development, overseeing purchasing, logistics, customer service, technical support and production functions at NuRAN Wireless and Nutaq. In addition, he serves as the main interface between the Operations / R&D and the Accounting/Finance departments.

Maxime Dumas is Vice President of Strategy and Corporate Development and founding member of NuRAN Wireless Inc. Mr Dumas helped define NuRAN's vision and played a key role in establishing the company as a leading supplier of mobile and broadband wireless solutions. He also built flourishing partner relationships with key industry players such as Facebook, and positioned NuRAN at the forefront of the Telecom Infra Project. By this appointment, Mr Dumas will increase its involvement in executing the company's vision and define the strategies that will ensure sustained growth. Prior to NuRAN, Mr Dumas held several technical and business development positions within Nutaq with involvement in software-defined radio, small cells, next-gen wireless, electronic warfare, high-energy physics, and life sciences.

NuRAN also announces the resignation of Mr Patrice Rainville from the Board of Directors effective December 8th, 2017. Mr. Rainville will focus his energy on his recent increased professional demands and new commitments. Mr Rainville co-founded NuRAN Wireless and was Co-CEO and Co-President of the Company until October 2017. The Board of Directors express their appreciation for Mr. Rainville's contributions to the Company and wish him the best with his endeavours.

About NuRAN Wireless

NuRAN Wireless is a leading supplier of mobile and broadband wireless infrastructure solutions. Its innovative radio access network (RAN), core network, and backhaul products dramatically drop the total cost of ownership, thereby creating new opportunities for established, as well as emerging mobile network operators. Indoor coverage, isolated rural communities, offshore platforms and ships, NuRAN Wireless helps its customers reach everyone, everywhere. Nutaq Innovations is a wholly owned subsidiary of NuRAN Wireless. Nutaq is a leading provider of advanced digital signal processing ("DSP") solutions and wireless technologies, including software defined radios ("SDR"). The Company operates three complementary lines of business; Wireless Network Products, Advanced Development Platforms ("ADP") and Engineering Services.

Forward Looking Statements

This press release contains forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as “plans”, “expects” or “does not expect”, “is expected”, “estimates”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of NuRAN Wireless to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Examples of such statements include: the Company’s quest to connect the next billion; that this strategic acquisition allows Nuran to offer a complete mobile and broadband solution and the ability to secure the Nuran solution as the leader in rural and remote mobile connectivity, that the acquisition reinforces NuRAN’s strategic positioning towards new and small operators by offering an end-to-end mobile small-cell network solution with the lowest Total-Cost-of-Ownership (TCO) on the market and that the acquisition will allow NuRAN the opportunity to bring cellular coverage to emerging market where the return on investment (ROI) was previously simply too low. Actual results and developments are likely to differ, and may differ materially, from those expressed or implied by the forward-looking statements contained in this press release. Such forward-looking statements are based on a number of assumptions which may prove to be incorrect, including, but not limited to: the ability of NurRAN Wireless to obtain necessary financing; general economic conditions in Canada and globally; competition for, among other things, capital and skilled personnel; our ability to hire and retain qualified employees and key management personnel; possibility that government policies or laws may change; possible disruptive effects of organizational or personnel changes; technological change, new products and standards; risks related to acquisitions and international expansion; reliance on large customers; reliance on a limited number of suppliers; risks related to the Company’s competition; failure to integrate the technology and assets acquired from the Vendors and the Company’s failure to adequately protect its intellectual property; interruption or failure of information technology systems and other risk factors described in the Company’s reports filed on SEDAR), including its financial statements for the year ended October 31, 2015, and those referred to under the heading “Risk Factors”. These forward-looking statements should not be relied upon as representing NuRAN Wireless’ views as of any date subsequent to the date of this press release.
