

NuRAN Receives a Repeat Purchase Order from Globe Telecom

Quebec, QC, Canada, March 8th, 2018 – NuRAN Wireless Inc. ([CSE: NUR](#)) ([OTC: NRRWF](#)) is pleased to announce that it has received a repeat purchase order from Globe Telecom ([OTCMKTS: GTMEF](#)), a leading full service telecommunications company in the Philippines for a third phase of deployments.

This repeat purchase order for the LiteCell 1.5 will provide connectivity to 30 additional sites within the Philippines. This order follows an [initial deployment phase of 50](#) sites announced in 2017 and after the completion of a [successful trial for TV White Space backhaul](#) in 2016.

Globe Telecom, Inc. is the number one mobile brand in the Philippines. Globe Telecom provides cellular, broadband and mobile data services by focusing on enriching content offerings amid customers' growing preference for multimedia platforms across multiple screens and devices.

Supported by approximately 6,800 employees; with 1.08 million retailers, distributors, suppliers, and business partners nationwide, serving more than 55 million customers, Globe Telecom operates one of the largest, most technologically advanced, and robust mobile, fixed line and broadband networks in the Philippines, providing reliable communications services to individual customers, small and medium-sized businesses, and corporate and enterprise clients.

Globe Telecom is a member of the Bridge Alliance; Asia Pacific's leading mobile alliance of 36 mobile carriers with a combined customer base of over 680 million. Globe operates internationally with presence in over ten countries and 736 roaming partners.

About NuRAN Wireless

NuRAN Wireless is a leading supplier of mobile and broadband wireless infrastructure solutions. Its innovative radio access network (RAN), core network, and backhaul products dramatically drop the total cost of ownership, thereby creating new opportunities for established, as well as emerging mobile network operators. Indoor coverage, isolated rural communities, offshore platforms and ships, NuRAN Wireless helps its customers reach everyone, everywhere.

Nutaq Innovations is a wholly owned subsidiary of NuRAN Wireless. Nutaq is a leading provider of advanced digital signal processing (“DSP”) solutions and wireless technologies, including software defined radios (“SDR”). The Company

operates three complementary lines of business; Wireless Network Products, Advanced Development Platforms (“ADP”) and Engineering Services.
