3. I am currently working and living in Quebec and I am a Professional Geologist currently licensed by the *Ordre des géologues du Québec* (License 1231); the Association of Professional Engineers and Geoscientists of New Brunswick (Licence M5467); and a Temporary Member of the Association of Professional Geoscientists of Ontario (Licence 1716);
4. I am a co-owner of MRB & Associates, a Val-d’Or Quebec-based Geological Consulting firm;
5. I hold a position on the Board of Directors of Cartier Iron Corp., and am a minority share-holder of Cartier Iron Corp. and several other junior mining companies;
6. I have read the definition of “qualified person” set out in National Instrument 43-101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a “qualified person” for the purposes of NI 43-101;
7. I have worked as an exploration and field geologist since 1985. I have knowledge and experience with regard to a various mineral deposit types, including the procedures involved in exploring for gold and base-metals, and with the preparation of reports relating to them;
8. I have been retained by DeepRock Minerals Inc., a company incorporated in the Province of British Columbia, and a reporting issuer in British Columbia and Alberta (not currently listed for trading), with head offices at #1000-409 Granville Street, Vancouver, British Columbia, Canada, V6C 1T2), as a contract/consulting geologist, and not as an employee;
9. I am familiar with the Ralleau Property, having co-authored a compilation report in 2010 on the Property that is the subject of this Report;
10. I have prepared and take responsibility for all Sections of this Report, “NI 43-101 – TECHNICAL REPORT: RALLEAU PROJECT, WILSON AND RALLEAU TOWNSHIPS, QUEBEC NTS 32F/01” dated May 25th, 2017;
11. I visited the Ralleau Project on April 30th, 2017 and May 10th, 2017;
12. I have no personal knowledge, as of the date of this certificate, of any material fact or change, which is not reflected in this report;

13. I am "independent" of DeepRock with respect to the conditions described in Section 1.5 of NI 43-101. Neither I, nor any affiliated entity of mine, is at present under an agreement, arrangement or understanding, nor expects to become an insider, associate, affiliated entity or employee of DeepRock, nor any of its associated or affiliated entities. Neither I, nor any affiliated entity of mine, have earned the majority of our income during the preceding three years from DeepRock, nor any of its associates or affiliates;
14. I have read NI 43-101 and Form 43-101F1 and have prepared the technical report in compliance with them and in conformity with generally accepted Canadian mining industry practice. As of the date of the certificate, to the best of my knowledge, information and belief, this report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.

DATED this 5th Day of December, 2017

(Signed) John P. Langton, M.Sc., P. Geo.
