Dear Brett Theunissen:

Re: Nanton Nickel Corp.

I refer to the Information Circular of Nanton Nickel Corp. (the "Company") dated March 29, 2015 relating to the sale and issue of common shares.

I consent to being named and to the use, in the above-mentioned Information Circular, of my report dated January 30, 2015 and December 20, 2013 to the shareholders of Wayne Engineering on the following financial statements:

Statements of financial position as at December 31, 2013, 2012 and 2011;

Statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2013, 2012 and 2011, and a summary of significant accounting policies and other explanatory information.

I report that I have read the Information Circular and all information therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which I have reported or that are within my knowledge as a result of my audit of such financial statements. I have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the CPA Canada Handbook – Assurance.

Yours truly,

JARVIS RYAN ASSOCIATES
