

Cloud Nine Education Group Ltd. Strengthens Board and Management Team

Vancouver, B.C. – (July 27, 2017) Cloud Nine Education Group Ltd. (the “Company” or “Cloud Nine”) (CSE:CNI) is pleased to announce the strengthening of its board of directors and management team with the appointments of Allan Larmour as an independent director and Janet Francis as Corporate Secretary.

Allan Larmour is an accomplished entrepreneur with over 25 years of experience in Fortune 500 companies, start-up technology companies, international sales and business development, and executive management. Mr. Larmour has been a strategic business planning and investment consultant since 2009 and holds directorship and executive leadership positions at several private and public companies. He is a professional engineer and holds a Bachelor of Applied Science degree in electrical engineering and a Bachelor of Science degree in genetics, both from the University of British Columbia.

Janet Francis has 12 years’ experience in the field of regulatory compliance and corporate governance, most recently as Director - Corporate Secretarial Services at a Vancouver-based firm. She serves as Corporate Secretary or provides corporate secretarial services to a range of public companies listed on the TSX, TSX Venture, and Canadian Securities Exchanges.

Michael Hunter, President and Chief Executive Officer of the Company stated, “Cloud Nine’s management and directors welcome our new team members, who bring valuable knowledge, experience and perspective. They each complement our existing team and we look forward to working with them to advance the Company and its programs within the ESL marketplace.”

About Cloud Nine Education Group Ltd.

The Company specializes in the development and sale of its English language curriculum called the Cloud Nine ESL Program. The system is technologically advanced and replaces textbooks with tablets and smart phones, which better meet the needs of today’s highly mobile student base. YouTube videos and internet links are embedded in the curriculum’s core content to create a dynamic and interactive platform. The digital format gives students more robust and easily accessible learning material - over 30,000 pages with video stories - than textbooks provide. Teachers enjoy the engaging format for interaction with students. The Company also owns and operates an accredited ESL school in Vancouver called Cloud Nine College Ltd.
