## **Anonymous Intelligence Company announces its “Turminal.ai” app has received 7,000+ sign-ups in less than a week for its upcoming Beta and provides corporate update**

News Release - Vancouver, British Columbia, June 09, 2023 - Anonymous Intelligence Company Inc. (CSE: ANON) (OTC: ANICF) (FRANKFURT: 1J10) (“**ANON**” or the “**Company**”), a leading decentralized network, computational intelligence and data storage technology company, focused on leveraging its proprietary Web 3.0 technology products to enable the decentralized movement among consumers and business alike, is pleased to announce that “**Turminal.ai**”, a privacy-focused AI curation app, has added over 7,000 users to its beta waitlist since its announcement on June 2, 2023. The Company expects to have over 10,000 sign ups on its waitlist before Monday, June 12, 2023.

“I am beyond pleased with the market’s enthusiasm for the Turminal.ai app,” stated Lucas Russell, CEO. “The rapid growth of the waitlist for the beta just goes to prove the thesis for the program. With such a great response, the Company is doubling down on development efforts and expansion plans. We hope to have the beta launched earlier than planned, in the coming weeks, and be able to share developments and additions to the security and useability features shortly thereafter.”

The Turminal.ai app is built on ANON’s Limitless privacy technology that creates a private tunnel between users and the AI infrastructure system. The app is being developed in response to multiple thought leaders and governments voicing their discomfort with the data and privacy-breaching capability of AI in its current form<sup>1</sup>. Sign up for the Beta at <http://turminal.ai>.

## Haller.ai Acquisition

ANON is pleased to report that the acquisition is continuing to move toward a definitive agreement swiftly.

“It has been a pleasure working with the team at Haller.ai as we close in on the definitive agreement to acquire the company.” Said Lucas Russell, CEO. “The synergies between Haller’s Enterprise AI focus, or E-AI as we call it, and the security applications and recent AI developments at ANON and Turminal are becoming more defined everyday. The team is excited to finalize and build an engaging suite of E-AI products to fill an underserved enterprise market in the AI space.”
