- (b) The covenants and other obligations of the Shareholders and/or the Company contained in this Agreement and in any Contract, agreement, instrument, certificate or other document executed or delivered pursuant to this Agreement, to the extent that they have not been fully performed on or prior to the Closing Date, will survive Closing and will continue for the benefit of the Purchaser or Shareholders (as applicable) for the applicable limitation period imposed by Applicable Law notwithstanding Closing.

accordance with Section 6.5 prior to the expiry of those time limits, and in that event, only on the terms and conditions of and to the extent provided for in Article 6.

## **ARTICLE 5 COVENANTS**

### **5.1 Negative Covenants of the Shareholders and the Company.**

The Shareholders and the Company will not, and will cause their respective Representatives to not, do or permit to occur any of the following, either directly or indirectly:

- (i) solicit, initiate, encourage, facilitate the making of, engage in or respond to (other than to decline) any inquiries or proposals regarding any Alternative Transaction;
- (ii) encourage or participate in any discussions or negotiations regarding any Alternative Transaction; or
- (iii) enter into any agreement, letter of intent or similar document contemplating or otherwise related to any Alternative Transaction.

The Shareholders and the Company will, and will cause their respective Representatives to, immediately cease and cause to be terminated any existing discussions or negotiations with any Persons with respect to any Alternative Transaction. The Shareholders and the Company will immediately request the return or destruction of all information provided to any Person that has entered into a confidentiality agreement relating to any Alternative Transaction and will use their reasonable best efforts to ensure that such requests are honoured. The Shareholders and the Company will not make available, after the date hereof, any information to any Person in connection with any potential or actual Alternative Transaction on or before the Termination Date.

### **5.2 Conduct of Business Prior to Closing.**

Except as otherwise contemplated or permitted by this Agreement, during the period from the date of this Agreement to the Closing Date, each of the Company and the Purchaser will:

- (a) Conduct Business in Ordinary and Usual Course. Conduct the Company Business or the ANON Business, as the case may be, in the Ordinary Course thereof and not, without the prior written consent of the other Party (that is, either the Purchaser or the Company, as the case may be), enter into any transaction which would constitute a breach of its representations, warranties or agreements contained herein;
- (b) Perform Obligations. Comply with all Applicable Laws affecting the operation of the Company Business or the ANON Business, as the case may be, and pay all required Taxes;
- (c) Pay Liabilities. Except for the Loan, pay and discharge all of its liabilities or obligations in the Ordinary Course, except for such liabilities or obligations as may be contested by it in good faith;
- (d) No Breach. Not take any action or omit to take any action which would, or would reasonably be expected to, result in a breach of or render untrue any representation, warranty, covenant, or other obligation of it contained herein;

- (e) Preserve Business. Preserve intact the Company Business and the Company Assets, operations and affairs of the Company, or the ANON Business and the ANON Assets, operations and affairs of the Purchaser, as the case may be, and carry on the business and the affairs of the Company or of the Purchaser, as the case may be, as currently conducted, and promote and preserve the goodwill of its suppliers, its customers and others having business relations with it; and
- (f) Necessary Steps. Take all necessary actions, steps and proceedings that are necessary or desirable to approve or authorize, or to validly and effectively undertake, the execution and delivery of this Agreement and the completion of the Transaction; and
- (g) Stock Exchange Approval. Use commercially reasonable efforts to obtain approval of the Transaction from the applicable stock exchange. For certainty, this provision shall not apply if the applicable stock exchange does not provide approval of the transaction due to the contents of the Valuation Report.

### **5.3 Access to Books and Records.**

For the longer of (i) a period of two years from the Closing Date, and (ii) a period ending upon the final resolution of any disputes pursuant to this Agreement, each of the Purchaser and the Company will retain all of its original accounting Books and Records relating to it that are part of its Books and Records existing on the Closing Date, but will not be responsible or liable for or as a result of any accidental loss or destruction or damage to any such Books and Records. So long as any such Books and Records are retained by the Purchaser or the Company pursuant to this Agreement, the other such Party will have the reasonable right to inspect and to make copies (at their own expense) of such Books and Records as they relate to any period prior to the Closing Date at any time upon reasonable request during normal business hours and upon reasonable notice for any proper purpose and without undue interference to the business operations of the retaining Party. The retaining Party will have the right to have its Representatives present during any such inspection.

### **5.4 Joint Tax Election.**

The Parties will jointly elect or cause a joint election to be made in the forms prescribed under subsection 85(1) of the *Income Tax Act* (Canada) (the “Act”) and under any and all equivalent provisions of any other applicable provincial legislation, in respect of the transfer of the Consideration Shares and Consideration Warrants within the time and in the manner required by such legislation. For greater certainty, the amount which the Parties will set out in the election forms prescribed under subsection 85(1) of the Act, and under any and all equivalent provisions of any other applicable provincial legislation, in respect of the transfer of the Consideration Warrants will be \$0.00001 per Consideration Warrant, and the Parties will amend or revise such elections as required in the event of any adjustment to the Purchase Price under Section 6.10.

### **5.5 Further Assurances.**

From time to time after the Closing Date, each Party will, at the request of any other Party, execute and deliver such additional conveyances, transfers and other assurances as may be reasonably required to carry out the intent of this Agreement.

## **ARTICLE 6 INDEMNIFICATION**

### **6.1 Indemnification by the Shareholders.**

Subject to this Article 6 and Section 4.4, each Shareholder will severally but not jointly indemnify and save harmless the Purchaser from any and all Losses suffered or incurred by the Purchaser to the extent resulting or arising from:

- (a) any inaccuracy of or any breach by such Shareholder of any representation or warranty regarding such Shareholder contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement, including the representations and warranties of the Shareholder contained in Section 4.1, except that the Shareholder will not be required to indemnify and save harmless ANON in respect of any inaccuracy or breach of any such representation or warranty unless ANON will have provided notice to such Shareholder in accordance with Section 6.5 on or prior to the expiration of the applicable time period related to that representation and warranty set out in Section 4.4;
- (b) any breach or non-performance by such Shareholder of any covenant or other obligation to be performed by it contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement; and
- (c) any failure by such Shareholder to transfer good and valid title of its Purchased Shares to the Purchaser, free and clear of all Encumbrances, other than any restrictions on transfer described in this Agreement.

### **6.2 Indemnification by the Company and the Shareholders.**

Subject to this Article 6 and Section 4.4, the Company and the Shareholders will jointly and severally indemnify and save harmless the Purchaser from any and all Losses suffered or incurred by the Purchaser to the extent resulting or arising from:

- (a) any inaccuracy of or any breach by the Company or the Shareholders of any representation or warranty regarding the Company contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement, including the representations and warranties of the Company and the Shareholders contained in Section 4.2, except that the Company and the Shareholders will not be required to indemnify and save harmless the Purchaser in respect of any inaccuracy or breach of any such representation or warranty unless the Purchaser will have provided notice to the Company in accordance with Section 6.5 on or prior to the expiration of the applicable time period related to that representation and warranty set out in Section 4.4; and
- (b) any breach or non-performance by the Company of any covenant or other obligation to be performed by it contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement.

### 6.3 Indemnification by the Purchaser.

Subject to this Article 6 and Section 4.5, the Purchaser will indemnify and save harmless the Shareholders and the Company from any and all Losses suffered or incurred by the Shareholders and the Company to the extent resulting or arising from:

- (a) any inaccuracy of or any breach by the Purchaser of any representation or warranty of the Purchaser contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement, including the representations and warranties of the Purchaser contained in Section 4.3, except that the Purchaser will not be required to indemnify or save harmless the Shareholders and the Company in respect of any inaccuracy or breach of any representation or warranty unless the indemnified party will have provided notice to the Purchaser in accordance with Section 6.5 on or prior to the expiration of the time period set out in Section 4.5; and
- (b) any breach or non-performance by the Purchaser of any covenant or other obligation to be performed by it contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement.

### 6.4 Payments.

Once Losses are agreed to by a Party providing indemnification under this Agreement (the “**Indemnifying Party**”) or are finally adjudicated to be payable under this Article 6, the Indemnifying Party shall satisfy its obligations to the Party being indemnified under this Agreement (the “**Indemnified Party**”) within 20 Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds.

### 6.5 Notice of Claim.

- (a) Promptly on becoming aware of any circumstances which have given or could give rise to a Claim of indemnification under this Article 6, the Party will notify the other Parties of those circumstances. That notice will specify whether the Losses arise as a result of a Claim by a Person against the Indemnified Party (a “**Third Party Claim**”) or whether the Losses do not so arise (a “**Direct Claim**”) and will also specify with reasonable particularity (to the extent the information is available) the factual basis for the Claim and the amount of the Losses, if known.
- (b) If, through the fault of the Indemnified Party, the Indemnifying Party does not receive notice of any Claim in time to contest effectively the determination of any liability susceptible of being contested, the Indemnifying Party will be entitled to set off against the amount claimed by the Indemnified Party the amount of any Losses incurred by the Indemnifying Party resulting from the Indemnified Party’s failure to give that notice on a timely basis.

### 6.6 Direct Claims.

With respect to any Direct Claim, following receipt of notice from the Indemnified Party of the Direct Claim, the Indemnifying Party will have 60 calendar days to make such investigation of the Direct Claim as is considered necessary or desirable. For the purpose of that investigation, the Indemnified Party will make available to the Indemnifying Party the information relied on by the Indemnified Party to substantiate the Direct Claim, together with such information as the Indemnifying Party may reasonably request. If the Parties agree at or prior to the expiry of this 60 calendar day period (or agree to any extension of this period) to the validity and amount of that Direct Claim, the Indemnifying Party will immediately pay to the

Indemnified Party the full amount as agreed to by the Parties of the Direct Claim. For clarity, the Indemnified Party will be deemed to have incurred or suffered Losses as of and from the Closing Date as a consequence of any reduction in the value of either the Purchased Shares (where the Indemnifying Party is a Shareholder or the Company) and the Consideration Shares (where the Indemnifying Party is ANON) resulting from an inaccuracy or breach of any representation or warranty by the Indemnifying Party under this Agreement.

## 6.7 Third Party Claims.

- (a) With respect to any Third Party Claim, the Indemnifying Party will be entitled (but not required), at its expense, to participate in or assume the conduct of the negotiations, settlement or defence of the Third Party Claim and, in that event, the Indemnifying Party will reimburse the Indemnified Party for all of the Indemnified Party's reasonable out-of-pocket expenses incurred in connection with the negotiations, settlement or defence of the Third Party Claim prior to the Indemnifying Party's assumption of the conduct of the negotiations, settlement or defence of the Third Party Claim.
- (b) If the Indemnifying Party elects to assume the conduct of the negotiations, settlement or defence of the Third Party Claim, the Indemnifying Party will be entitled to retain counsel on behalf of the Indemnified Party who is acceptable to the Indemnified Party, acting reasonably, to represent the Indemnified Party of that Third Party Claim. In any Third Party Claim for which the Indemnifying Party elects to assume that conduct, the Indemnified Party will have the right to participate in the negotiation, settlement or defence of that Third Party Claim and to retain separate counsel to act on its behalf but the fees and disbursements of that counsel will be at the expense of the Indemnified Party unless:
  - (i) the Indemnified Party determines, acting reasonably and on the written advice of external counsel, that actual or potential conflicts of interests exist which make representation chosen by the Indemnifying Party not advisable (such as where the named parties to that Third Party Claim include both the Indemnifying Party and the Indemnified Party, and the defences available to the Indemnified Party are different or in addition to those available to the Indemnifying Party); or
  - (ii) the Indemnifying Party has authorized the retention of that counsel.
- (c) If the Indemnifying Party, having elected to assume that conduct, thereafter fails to defend the Third Party Claim within a reasonable time, the Indemnified Party will be entitled to assume that conduct, and the Indemnifying Party will be bound by the results obtained by the Indemnified Party with respect to that Third Party Claim. If any Third Party Claim is of a nature such that the Indemnified Party is required by Applicable Law to make a payment to any Person (a "**Third Party**") with respect to the Third Party Claim before the completion of settlement negotiations or related legal proceedings, the Indemnified Party will provide prior written notice of that payment to the Indemnifying Party and thereafter may make that payment and the Indemnifying Party will, forthwith after demand by the Indemnified Party, reimburse the Indemnified Party for that payment. If the amount of any liability of the Indemnified Party under the Third Party Claim in respect of which that payment was made, as finally determined, is less than the amount that was paid by the Indemnifying Party to the Indemnified Party, the Indemnified Party will, forthwith after receipt of the difference from the Third Party, pay the amount of that difference to the Indemnifying Party.

## **6.8 Settlement of Third Party Claims.**

- (a) If the Indemnifying Party undertakes the defence of the Third Party Claim, the Indemnifying Party will not be bound by any determination of the Third Party Claim or any compromise or settlement of the Third Party Claim effected without the consent of the Indemnifying Party (which consent may not be unreasonably withheld or delayed).
- (b) Whether or not the Indemnifying Party assumes conduct of the negotiation, settlement or defence of any Third Party Claim, the Indemnifying Party will not settle any Third Party Claim without the written consent of the Indemnified Party, which consent cannot be unreasonably withheld or delayed, except that the liability of the Indemnifying Party will be limited to the proposed amount if any such consent, which cannot be unreasonably withheld or delayed, is not obtained and the Indemnified Party will indemnify and save harmless the Indemnifying Party from and against any Losses resulting from or arising out of the failure of the Indemnified Party to consent to that settlement.

## **6.9 Co-Operation.**

The Indemnified Party and the Indemnifying Party will co-operate fully with each other with respect to Third Party Claims, and will keep each other fully advised with respect to that Third Party Claim (including supplying copies of all relevant documentation promptly as it becomes available). Where the defence of a Third Party Claim is being undertaken and conducted by the Indemnifying Party, the Indemnified Party will use all reasonable efforts to make available to the Indemnifying Party, at the request and expense of the Indemnifying Party, those employees of the Indemnified Party whose assistance, testimony or presence is reasonably necessary to assist the Indemnifying Party in evaluating and defending that Third Party Claim.

## **6.10 Tax Treatment of Indemnification Payments.**

All indemnification payments made under this Agreement shall be treated by the Parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Applicable Law.

## **6.11 Exclusivity.**

Unless otherwise provided in this Agreement, the provisions of this Article 6 will apply to any Claim for breach of covenants, representation, warranty or other obligation or provision of this Agreement or any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement (other than a Claim for specific performance or injunctive relief) and to any and all other indemnities provided in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement with the intent that unless otherwise provided all such Claims and indemnities will be brought only in accordance with the specific provisions of this Article 6.

## **6.12 General Indemnification Rules**

The obligations of an Indemnifying Party to indemnify an Indemnified Party in respect of Claims shall also be subject to the following:

- (a) without limiting the generality of Sections 6.1, 6.2 and 6.3, any Claim for breach of any representation, warranty or covenant shall be subject to Section 4.4 and 4.5;
- (b) the Indemnifying Party's obligation to indemnify the Indemnified Party shall only apply to the extent that the Claims in respect of which the Indemnifying Party has given an indemnity, in the

aggregate, exceed \$100,000. Once the aggregate of all Claims exceeds \$100,000, the Indemnifying Party will only be liable for any amounts in excess thereof;

- (c) notwithstanding anything to the contrary in this Agreement, the aggregate liability of a Shareholder under this Agreement shall be limited to 50% of the value of the Consideration Shares received by such Shareholder, it being understood that for such purpose the value assigned to each Consideration Share will be \$0.10;
- (d) a Shareholder who is an Indemnifying Party may, at its option, elect to satisfy any Claim for which it is determined to be liable by either (i) payment of the amount of such Claim in cash, or (ii) by transferring to the Purchaser for cancellation such number of Consideration Shares owned by such Shareholder as is equal to the value of such Claim, it being understood that for such purpose the value assigned to each Consideration Share will be \$0.10. For greater certainty, if such Shareholder elects to satisfy such Claim by transferring Consideration Shares to the Purchaser for cancellation, the Purchaser shall have no recourse whatsoever to any other property, assets, rights or interests of such Shareholder for the purpose of satisfying such Claim; and
- (e) in no event shall any Indemnifying Party be liable to any Indemnified Party for any exemplary, punitive, incidental, consequential, special or indirect damages, including loss of future revenue, income or profit, loss of business reputation or opportunity relating to the breach or alleged breach of this Agreement, or diminution of value or any Claim based on any type of multiple (including, without limitation, multiple of earnings or multiple of cash flow methodologies).

## **ARTICLE 7 GENERAL**

### **7.1 Confidentiality of Information.**

- (a) For the purposes of this Section 7.1, “**Confidential Information**” of a Party at any time means all information relating to that Party which at the time is of a confidential nature (whether or not specifically identified as confidential), and has been or is from time to time made known to or is otherwise learned by the relevant other Party or any of its Representatives as a result of the matters provided for in this Agreement, and includes:
  - (i) the terms of this Agreement and of any other Contract, agreement, instrument, certificate or other document to be entered into as contemplated by this Agreement;
  - (ii) a Party’s business records;
  - (iii) all information regarding a Party’s business operations; and
  - (iv) all trade secrets or confidential or proprietary information of the Parties.
- (b) Notwithstanding the foregoing, Confidential Information does not include any information that at the time has become generally available to the public other than as a result of a disclosure by the other Party or any of its Representatives, any information that was available to the other Party or its Representatives on a non-confidential basis before the date of this Agreement or any information that becomes available to the other Party or its Representatives on a non-confidential basis from a Person (other than the Party to which the information relates or any of its Representatives) who is not, to the knowledge of the other Party or its Representatives, otherwise bound by confidentiality obligations to the Party to which the

information relates in respect of the information or otherwise prohibited from transmitting the information to the other Party or its Representatives.

- (c) Each Party will (and will cause each of its Representatives to) hold in strictest confidence and not use in any manner, other than as expressly contemplated by this Agreement, all Confidential Information of the other Parties.
- (d) Subject to Section 7.2, Section 7.1(c) will not apply to the disclosure of any Confidential Information where that disclosure is pursuant to the Party's duties as an officer, director, or employee of a Party, or is required by Applicable Law. In the case of disclosure required by Applicable Law, the Party required to disclose (or whose Representative is required to disclose) will, as soon as possible in the circumstances, notify the other Parties of the requirement of the disclosure including the nature and extent of the disclosure and the provision of Applicable Law pursuant to which the disclosure is required. To the extent possible, the Party required to make the disclosure will, before doing so, provide to the other Parties the text of any disclosure. On receiving the notification, the other Parties may take any reasonable action to challenge the requirement, and the affected Party will (or will cause the applicable Representative to), at the expense of the other Parties, assist the other Parties in taking that reasonable action.

## **7.2 Public Announcements.**

No Shareholder will make any further public statement or issue any further press release concerning this Agreement or the Transaction except as agreed by the Parties acting reasonably or as may be necessary, in the opinion of counsel to the Shareholder making that disclosure, to comply with the requirements of all Applicable Law.

Neither the Company nor the Purchaser will make any further public statement or issue any further press release concerning this Agreement or the Transaction except as agreed by the other Party acting reasonably or as may be necessary, in the opinion of counsel to the Party making that disclosure, to comply with the requirements of all Applicable Law. If any public statement or release is so required, the Party making the disclosure will consult with the other Party before making that statement or release, and the Company and the Purchaser will use all reasonable efforts, acting in good faith, to agree on a text for the statement or release that is satisfactory to them and for such statement or release to be made in a timely manner.

## **7.3 Expenses.**

Each Party will pay all expenses (including Taxes imposed on those expenses) it incurs in the authorization, negotiation, preparation, execution and performance of this Agreement, including, but not limited to, the negotiation, preparation, execution and performance of the Promissory Note, and the Transaction, including all fees and expenses of its legal counsel, accountants or other representatives or consultants.

## **7.4 No Third Party Beneficiary.**

This Agreement is solely for the benefit of the Parties and no third parties will accrue any benefit, Claim or right of any kind pursuant to, under, by or through this Agreement.

## **7.5 Entire Agreement.**

This Agreement, together with the other agreements to be entered into as contemplated by this Agreement or respecting the Transaction, including without limitation the Promissory Note, constitute the entire

agreement among the Parties pertaining to the subject matter of this Agreement and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral. Except as specifically set out in this Agreement, there are no representations, warranties, conditions or other agreements or acknowledgements, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or which induced any Party to enter into this Agreement. No reliance is placed on any representation, warranty, opinion, advice or assertion of fact made either prior to, concurrently with, or after entering into, this Agreement, or any amendment or supplement thereto, by any Party to this Agreement or its Representatives, to any other Party or its Representatives, except to the extent the representation, warranty, opinion, advice or assertion of fact has been reduced to writing and included as a term in this Agreement, and none of the Parties to this Agreement has been induced to enter into this Agreement or any amendment or supplement by reason of any such representation, warranty, opinion, advice or assertion of fact. There will be no liability, either in tort or in contract, assessed in relation to the representation, warranty, opinion, advice or assertion of fact, except as contemplated in this Section 7.5.

#### **7.6 Non-Merger.**

Except as otherwise provided in this Agreement, the covenants, representations and warranties set out in this Agreement do not merge but survive Closing and, notwithstanding such Closing or any investigation by or on behalf of a Party, continue in full force and effect. Closing does not prejudice any right of one Party against another Party in respect of any remedy in connection with anything done or omitted to be done under this Agreement.

#### **7.7 Time of Essence.**

Time is of the essence of this Agreement.

#### **7.8 Amendment.**

No amendment, addition, deletion or other modification to this Agreement will be effective unless in writing and signed by each Party.

#### **7.9 Waiver of Rights.**

Any waiver or consent will be effective only in the instance and for the purpose for which it is given. A failure to enforce any breach of this Agreement by any Party does not constitute a waiver of such breach or any provision of this Agreement by such Party.

#### **7.10 Jurisdiction.**

Each Party irrevocably and unconditionally attorns to the exclusive jurisdiction of the courts of the Province of British Columbia.

#### **7.11 Governing Law.**

This Agreement will be governed by and construed in accordance with the laws of the Province of British Columbia, and the federal laws of Canada applicable therein, and each Party irrevocably attorns to the courts of the Province of British Columbia, which jurisdiction will be the sole and exclusive jurisdiction for any disputes or claims in relation to this Agreement and all matters related hereto.

### **7.12 Notices.**

- (a) All notices, requests, demands, claims, and other communications required or permitted hereunder (each, a “**Notice**”) will be in writing and will be delivered by (i) personal delivery, (ii) certified or registered mail (first class postage pre-paid), (iii) guaranteed overnight delivery by recognized national courier, or (iv) by e-mail, addressed to the address for a Party indicated on page 1 hereof (or to such other addresses which such Party will subsequently designate by like notice to the other Parties).
- (b) Any Notice made or given by personal delivery, courier or e-mail to the Party to whom it is addressed as provided above will be deemed to have been given and received on the day it is so delivered at such address or, in the case of an e-mail, the day in which transmission is confirmed. If such day is not a Business Day, or if the Notice is received after 4:00 p.m. (addressee’s local time), then the Notice will be deemed to have been given and received on the next Business Day. Any Notice sent by prepaid registered mail will be deemed to have been given and received on the fifth Business Day following the date of its mailing. Notices sent to an e-mail address will be deemed to be received upon the sender’s receipt of an automatic or other written acknowledgement from the intended recipient.
- (c) Any Notice required or permitted to be delivered to one or more Shareholders hereunder may be delivered to the Company on behalf of such one or more Shareholders.

### **7.13 Assignment.**

This Agreement may not be assigned, transferred or otherwise conveyed by any Party in whole or in part without the express prior written consent of the other Party.

### **7.14 Further Assurances.**

The Parties will at all times do, execute, acknowledge and deliver such acts, deeds, agreements and other instruments as may be reasonably necessary or desirable to give full force and effect to the terms of this Agreement.

### **7.15 Severability.**

Any provision of this Agreement that is or becomes unenforceable will be unenforceable to the extent of such unenforceability without invalidating the remaining provisions hereof.
