

THE ANONYMOUS INTELLIGENCE COMPANY

## Haller AI Launches Beta Enterprise AI Dashboard for SMEs

News Release - Vancouver, British Columbia, September 15, 2023 - Anonymous Intelligence Company Inc. (CSE: ANON) (OTC: ANICF) (FRANKFURT: 1J10) (“ANON” or the “Company”), a leading computational intelligence, decentralized network and data technology company, focused on leveraging its proprietary suite of AI and privacy enabled products to empower increased confidence in technology for consumers and businesses alike, is pleased to announce the launch of its wholly-owned subsidiary, Haller AI’s advanced AI dashboard designed specifically for small and medium-sized businesses. Recognizing the increasing need for businesses to integrate AI-driven solutions seamlessly, the Company aims to bridge the gap between cutting-edge AI applications, their practical business implementations, and compliance requirements.

Tyler Koverko, Haller AI’s CEO, commented, "Our enterprise AI dashboard is not just about offering businesses the tools they need, rather, it is about liberating compliant access to the world's best GPT3 and GPT4-powered applications, all in one unified platform. We envision a future where businesses, regardless of their size, can leverage AI with ease and efficiency in a compliant and permission based environment."

While AI continues to evolve, finding the right solutions can often be a daunting task for businesses. Haller's AI dashboard is set to remove this struggle. The platform operates as an intuitive AI interface, echoing the simplicity and utility of modern UI applications but tailored for the AI business landscape. The dashboard brings together diverse AI solutions, ensuring that businesses have the tools they need, all at their fingertips.

"I am proud of the team at Haller AI for making a commitment and sticking to it. The previously announced September 15<sup>th</sup> launch was an ambitious goal for the team, and they have met it with flying colors." Stated Lucas Russell, CEO of ANON. "I look forward to watching the team at Haller AI pivot to user acquisition and revenues in the coming weeks and months."

For more information and to sign up for Haller AI, visit <https://www.haller.ai/>. The public beta is available at [beta.haller.ai](https://beta.haller.ai).

## **About Haller AI**

Haller AI was founded in 2023 by a highly dedicated team of AI enthusiasts. This passionate group was driven by a mission to revolutionize the corporate landscape by employing cutting-edge artificial intelligence technology.

Understanding that many businesses, regardless of their size, often grapple with generating high-quality content and handling workflows across various operations, the team at Haller AI adopted AI-centered solutions to those problems. The primary goal was to streamline processes in key departments such as Human Resources, Sales, and Project Management, enhancing operational efficiency at an enterprise scale and maintaining robust data integrity and compliance.

With a clear and focused mission, Haller AI set out to construct an all-encompassing solution that taps into AI's potential to streamline workflows, administration, and content generation, ultimately accelerating business growth. Recognizing the opportunity to minimize overhead costs for organizations, Haller AI enables businesses to more effectively allocate resources and do more with less.

## **About Anonymous Intelligence Company Inc.**

Anonymous Intelligence Company Inc. is a technology company focused on leveraging its proprietary Web 3.0 technology products to enable the decentralized movement among consumers and business alike. Web 3.0 enables a sustainable world where decentralized users and machines are able to interact with data, value and other counterparties via a substrate of peer-to-peer networks without the need for third parties creating many benefits such as giving each user full control and ownership of all personal and corporate data.
