

THE ANONYMOUS INTELLIGENCE COMPANY

ANON APPOINTS KEVIN KOWBEL TO ITS BOARD OF DIRECTORS

News Release - Vancouver, British Columbia, October 10, 2024 – Anonymous Intelligence Company Inc. (CSE: ANON) (OTC: ANICF) (FRANKFURT: 1J10) (“**ANON**” or the “**Company**”), a leading decentralized network, data storage technology and AI tools developer company, is pleased to announce the appointment of Kevin Kowbel as a director of the Company effective immediately.

Over the past 25 years, Kevin Kowbel has grown into a dynamic, engineering-driven executive, contributing to five E&P companies. As a business leader, he has successfully overseen the delivery of over \$30 billion in global capital projects, on time and under budget. In addition to his operational leadership, Kevin has been instrumental in fostering innovation, contributing to the development of patented and black-box technologies aimed at optimizing well performance and enhancing efficiency. His impact extends beyond the energy sector, where he has driven growth in both public and private companies across various industries. Kevin’s commitment to technology and innovation is central to his work, with a strong focus on creating solutions that shape better futures.

More than just an investor, Kevin has taken on ownership and key leadership in numerous companies that have thrived under his expertise, guidance, and business acumen. As a co-founder of QuantaSphere Technology Inc., Kevin is leading the mass commercialization of patented encapsulation technology designed to reduce chemical-borne illnesses, with potential applications across multiple industries.

Building on his extensive experience in the oil and gas sector, Kevin recently founded an oil and gas technology company poised to revolutionize global heavy oil and bitumen production. This innovative technology seeks to transform heavy ‘dirty’ oils into medium ‘cleaner’ oils while reducing carbon emissions and reliance on chemicals.

Fueled by his passion for machine-based learning, Kevin was appointed Chairman and CEO of a technology development company that uses advanced mathematics to drive stakeholder value. He is eager to leverage ANON’s VPN, SDK, and developing AI technologies to tackle real-world challenges and create value for ANON’s subscribers, collaborators, and shareholders.

Kevin's commitment to personal accountability and continuous improvement is unwavering, exemplified by his daily use of a simple credo represented by the acronym WWIDD: ***What Would I Do Differently?***

"We are thrilled to welcome Kevin to the Board," stated Denis Franks, CEO and director. "Kevin is a dynamic leader with exceptional skills and a passion for innovative technologies. His extensive experience and proven track record in technology global businesses will be invaluable to ANON as we continue to build our proprietary software technologies. We eagerly anticipate the valuable insights he will bring to our team."

On Behalf of the Board,

ANONYMOUS INTELLIGENCE COMPANY INC.

Denis Franks
CEO

Forward-Looking Statements

Certain statements in this press release are forward-looking statements and are prospective in nature. Forward-looking statements are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. These statements generally can be identified by the use of forward-looking words such as “may”, “should”, “will”, “could”, “intend”, “estimate”, “plan”, “anticipate”, “expect”, “believe” or “continue”, or the negative thereof or similar variations. Forward-looking statements in this news release include statements regarding the Company’s ability to successfully launch products and expand partnerships, and the ability of the new management to use his experience to positively impact ANON’s business. Such statements are qualified in their entirety by the inherent risks and uncertainties that the proceeds of the Offering may be used other than as set out in this news release and other factors beyond the control of the Company. Such forward-looking statements should therefore be construed in light of such factors, and the Company is not under any obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
