

SOFTLAB9 TARGET CLEANGO BEGINS COMMERCIAL FOGGING

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

August 21, 2020 – Vancouver, BC. Softlab9 Technologies Inc. (CSE: SOFT; Frankfurt: APO2; OTC: SOFSF) ("**SOFT**" or the "**Company**"), is pleased to announce that its target acquisition CleanGo GreenGo Inc. ("**CleanGo**") has received all the necessary equipment to begin fogging services in commercial, residential, and large areas requiring sanitization.

Sanitizing is now a staple in any business, be it in office, retail, restaurant, or the hospitality industry. CleanGo is currently testing with its patent pending formulation on fogging local businesses. Results to date have exceeded expectations. CleanGo has been using ATP bacteria detection meters to measure the remaining bacteria within the area which has been treated. Customers will see results in real time and have the peace of mind knowing the area is safe to welcome clients.

CleanGo GreenGo Fogging Services is looking to implement these services across large population centers. The strategy is to find local partners and deliver a turnkey business solution with profit sharing revenue model.

Anthony Sarvucci, CEO of CleanGo said: "The world as we know it has changed. We expect fogging services to become part of our everyday lives. Knowing the spaces, you frequent are clean and safe of bacteria will be expected of all establishments."

Rahim Mohamed, CEO of SOFT said: "CleanGo continues to expand its reach in the sanitization market. This provides CleanGo with an additional revenue stream in a growing market."
