

CLEANGO INNOVATIONS INC. ANNOUNCES THE INTRODUCTION OF TWO NEW RETAIL PRODUCTS.

Vancouver, B.C. – September 13, 2022, - CleanGo Innovations Inc.

(CSE:CGII) (CNSX:CGII.CN) (OTC: CLGOF) (FRA:APO2) CleanGo Innovations Inc. ("CleanGo" or the "Company") is pleased to announce the creation of two new proprietary products. The two new products are a Foaming/Sanitizing Toilet Bowl Cleaner and a New Gel Total Purpose Solution.

After several requests from our clients, we are pleased to announce the addition of two completely new cleaning products. CleanGo Innovations has now added two new proprietary formulations that CleanGo believes will make cleaning and sanitizing a whole lot easier. Our new Foaming/Sanitizing Toilet Bowl Cleaner makes cleaning dirty or water-stained Toilet Bowls a breeze. Simply add a scoop of this new proprietary formulation and 10 min later your toilet bowl is clean, sanitized and smelling fresh.

Our new Gel Total Purpose Solution brings with it the same disinfecting and cleaning power as our Total Purpose Cleaner in a now easy to use Gel. Simply add the Gel Cleaner to a stain, tile grout, calcified water or any other hard to clean area. The new Gel stays on top of the affected area without evaporating and allows the product to cleanse at a molecular level.

Anthony Sarvucci, CEO of CleanGo Innovations said. "We are always trying to outdo ourselves with the newest and most effective cleaning tech available today. All our cleaning solutions are proprietary and unique. We source only the best ingredients to provide our clients products they can use safely around their children and pets without exposure to toxic chemicals."
