

CLEANGO INNOVATIONS INC. IS PLEASED TO ANNOUNCE A CORPORATE AND OPERATIONAL UPDATE.

VANCOUVER, B.C. – MAY 19, 2023, - CLEANGO INNOVATIONS INC. (CSE:CGII),(OTC:CLGO.F), (FRA:APO2) CleanGo Innovations Inc. (“CleanGo” or the “Company”) is pleased to provide a corporate and operational update to their shareholders.

CleanGo Innovations CSE (CGII) has announced several updates regarding their corporate development. The German group partnership that was previously discussed is progressing as planned, and CleanGo is excited about the potential opportunities this will bring. Additionally, the company has started product development for new environmentally friendly formulations to replace existing non-green products. More information will be forthcoming on these developments.

CleanGo Innovations has also expanded production into South America, where the company will be serving new Oil and Gas customers who are seeking CleanGo's products to enhance oil production and oil recovery. This expansion into South America marks a significant milestone for CleanGo Innovations, as the company continues to grow and gain traction in the global marketplace.

In addition, CleanGo Innovations has developed a new foaming toilet cleanser, which will be launched early summer through third-party media channels. The company is excited to bring this new product to market and believes it will be well-received by customers. Further details on these updates will be released shortly, including the size and scope of the contracts that will follow.

CleanGo Innovations is dedicated to bringing innovative and environmentally friendly products to market and is thrilled to share these updates with its stakeholders and customers.
